#### RINGBONE CURED AUGUSTA, Me., March 8th, 1880.

Oman Suns:

I have had occasion to use Fellews' Leemings' Essence on a horse so lame from a Ringbone that I could not use him. I have been using it about three weeks, and find it does all you claim for it, as the lameness is gone and the enlargement has almost disappeared. I firmly believe a few days more will make an entire cure.

Respectfully yours,

James T. Parrer.

In regard to your favor of a few days a

In regard to your favor of a few days are, I would say: About one year ago a horse owned by me contracted a large Bone Spavin for the care of which I tried a number of the liminents and lotions advertised to cure the same, without any effect, and he became very lame. A friend of mine recommended me to try Fellows' Leemings' Essence. I acted upon his advice, and now I am happy to say the lameness has ceased and the spavin disappeared. I now consider him entirely cured, and would cheerfully recommend Fellows' Leemings' Essence as being the best remedy in the market for all lameness that horses are subject to. horses are subject to.

SHOULD USE GATES' INVIGORATING SYRUP TO CLEAR THE VOICE.

Messrs, C. Gates, Son & Co. : Gentlemen:—I have been afflicted for a number of years with a sick headache, caused by a morbid state of the liver. About three years ago I was recommended by a friend to try your medicine. I did so and found great relief from using your No. 1 INVIGORATING SYRUP. I can cheerfully recommend it to others afflicted as I was, I can also recommend it highly for hoarseness. I was it contantly for my value and helical states of the state hoarseness, I use it constantly for my voice and believe that I derive more benefit from its use than any other nedicine that I have taken. I am acquainted with several families who keep it in their h uses as a family medicine and speak of it in the nighest terms.
