GATES

MELVERN SQUARE, Nov. 24, 1878. DR. C. GATES, - Dear Sir-I have great pleasure in informing you that the Ointment made by you, and used by myself, according to your directions, has, in my case, proved completely effectual, and I firmly believe has worked a perfect cure. For twelve months previous to sing your valuable prepartion I was almost constantly roubled with a very annoying affection in my throat, causing an unpleasant hacking, which was generally believed would terminate in consumption; but since using your Ointment (internally and externally), I am wholly clear of said couch, and now feel it my duty to inform orming you that the Ointment made by you, and used clear of said cough, and now feel it my duty to inform you; and would add, you are at liberty to use this certificate in any way that will induce others to give your preparation a trial.

Yours truly,

WILLIAM STEPHENSON. ZI It is perfectly pure and powerful. Try a box. Sold everywhere at 25 Cents.
