MELVERN SQUARE, Nov. 24, 1878. DR. C. GATES, - Dear Sir -- I have great pleasure in in-orming you that the Ointment made by you, and used by myself, according to your directions, has, in my case, proved completely effectual, and I firmly believe has worked a perfect cure. For twelve months previous to using your valuable preparation I was almost constantly troubled with a very annoying affection in my throat, causing an unpleasant hacking, which was generally believed would terminate in consumption; but since using your Ointment (internally and externally), I am wholly clear of said cough, and now feel it my duty to inform you; and would add, you are at liberty to use this certificate in any way that all induce others to give your preparation a trial. Yours truly,
