What is Truth?

TRUTH is a solid fact. It is the richest con of the purest metal free from alloy of any scription. The shaft of envy will not face it. either will the shots of prejudice enter it. It RILLA expels these humors from the blood. When they s surrounded on all sides by a thousand foes, are gone, the disorders they produce disappear, such as but each and all without exception are mute beneath its piercing glance. It is a fact as solid as this that Fellows' Dyspepsia Bitters which have been before the public property of fifth have been before the public upwards of fifty
