Little Folks' Reader

All progressive Teachers, Superintendents and School Boards are examining and testing in their schools this ILLUSTRATED SERIAL READER. ssued the first of every month, and specially designed for It stepped, with the first number, into a popularity which showed that nothing equal to it had ever been offered to Educators. After the test of two years, the raise is not only cordial, but enthusiastic. Teachers eclare that their little pupils never before made such attelligent progress; never before read with such atten-

on, vivacity, and ease. The coming of FRESH READING EVERY MONTH, stead of the tiresome re-reading of the old books, is a light to both teachers and scholars. That high authority, The New England Journal of ducation, says: "Both in matter and in the artistic char-eter of its illustrations, the Little Folks' Reader is as editorial skill and the art of printing can make it. Every ool where young children are being taught should use it, The Publishers and Editors of the LITTLE FOLKS'

ATING SYRUP. To Messrs C. Gates, Son & Co : This is to certify that I have been troubled for four years with a bad Cough, Costiveness, and a great deal of the time unable to work by coughing and raising. Consulted several doctors, and they pronounced me in the last stage of consumption, having pain and soreness of the lungs. I have tried several doctors, but with no success,

until I fell in with a friend who advised me to try your

medicine. After I had taken a few bottles of your No. I BITTERS and No. 2 SYRUP my cough stopped, appetite re-

Middleton, Annapolis Co., N. S. Ayer's Sarsaparilla, FOR PURIFYING THE BLOOD.

C. GATES, SON & CO.,

This compound of the vegeta. ble alteratives, Sarsaparilla, Dock, Stillingia and Mandrake, with the Iodides of Potash and Iron, makes a most effectual cure of a series of complaints which are very prevalent and afflicting. It purifies the blood, purges out the lurking humors

n the system, that undermine health and settle into roublesome disorders. Eruption of the skin are the appearance on the surface of humors that should be expelled from the blood. Internal derangements are the ubstance they disease and destroy. AYER'S SARSAPA-RILLA expels these humors from the blood. When they are gone, the disorders they produce disappear, such as Recration of the Liver, Stomack, Kidneys, Lungs, Erup ions and Eruptive Diseases of the Skin, St. Anthony's Fire, Rose or Erysipelas, Pimples, Pustules, Blotches, Boils, Tumors, Tetter and Salt Rheum, Scald Head, Ringworm, Ulcers and Sores, Rheumatism, Neuralgia, Pain in the Bones, Side and Head, Female Weakness, Sterility, Leucorrhaa arising from internal ulceration and uterine diseases, Dropsy, Dyspepsia, Emaciation and General Debility.
