MESSRS, C. GATES, SON & CO.: Your preparations given to the public as a cure for Asthma and Consumption may be considered reliable in my experience. My neighbors can also say the same of me. They had no hope whatever, and advised my wife o spend no more money on me, thinking it was no use, is I had been given up by the doctors; but I thought I would try your medicines, and consider that it is by their my own work. The doctors advised me not to take it because, they said, when the cough stopped I would not live 24 hours; but I am alive, thanks to GATES' MEDICINES, and am doing better than I have been
