April 28, 1882.

of the Court of Appeals having pronounced the bonds valid, the taxpayers of the town have been assessed \$8,000 to pay up what is due. The execution of the law has been resisted, and the sale of land by the Sheriff prevented by a band of persons who have gone with drum and fife to the Sheriff's sales, and intimidated the people from buying.

PARLIAMENT.

On the Bill introduced by Sir Chas. Tupper, to authorize the construction of the C. P. Railway through another Pass than the Yellow Head Pass, there was a lengthy discussion. Sir Charles Tup- this year. per described the work done, the progress now being made, the expenditure, &c. When the road is com-pleted the distance from Montreal to Port Moody via the C. P. R. would be 2,850 miles. The distance from New York to Port Moody, via Montreal, her husband. and the C. P. R., would be 3,260, and from New York to Port Moody, via Brockville and the C. P. Railway the distance would be 3,140, while the distance from New York to San Francisco via the Central & Union Pacific roads, and the shortest possible route 3,331. In view of these facts he had no doubt that by the aid of a fast line ago, has lost the sight of one of his eyes and fears of steamers from Port Moody to San Francisco the entire American trade between San Francisco and covering from the wounds inflicted on his body. The distance from Liverpool to Yokohama would thew Fenwick at Apohabui, Friday night stealing be 1,075 miles shorter via the C. P. R., than via and carrying off a quantity of waring apparel, boots, New York and San Francisco. Under these cir-cumstances he had every reason to be sanguine as about ten dollars in cash. Mr. Fenwick estimates to the great benefits that would accrue to the his loss at over \$200. country from the construction of the road. Mr. Blake replied at some length. He claimed

that whatever progress had been made with reference to the Northwest, was due to a portion of the policy of the Government that when propounded met with the support of the Opposition, viz., that the lines should be built throughout the prairie as settlement required or even in advance of settlement. He criticised the change of route and said per month that the departures. there had been no evidence offered to the Government that the new line would afford a practicable through route. He maintained that the develop- corn-canning this season. Mr. Clark alone, a ment of the country that the hon. gentleman boasted of was in no way due to the work done on the eastern end of the Pacific Railway. Messrs. McKenzie, Anglin, Cartwright, Smith 45 tons. This corn will be canned and sold largely

and others spoke, and the bill passed. On Thursday Mr. Costigan moved his resolution of sympathy with Ireland. He made a moderate

Mr. Blake moved a resolution concerning Com- two hundred. mercial Treaties, the substance of it being,-

"That it is expedient to obtain all necessary powers to enable Her Majesty, through her repre- night: loss probably one thousand dollars ; insured sentative, the Governor General of Canada, made by and with the advice of the Queen's Privy Council for Canada, to enter by an agent or representative of Canada into direct communication with any River, having with him in his sleigh his wife and British possession or foreign state for the purpose two children, the team broke through. Mrs. of negotiating commercial arrengements tending to Thompson, with one of the children in her arms, the advantage of Canada, subject to the prior con-was soon struggling for life, and was rescued by sent or the subsequent approval of the Parliament her husband, and one of the children was saved,

He supported this in a lengthy speech, arguing that Great Britair. may sometimes make treaties in which Canada may not be considered and which may felt for the bereaved parents. -Chatham Advance. Macdonald in reply said that if Her Majesty pleased Macdonald in reply said that if ther majesty preased to give Canada power to make her own treaties there could be no objection to that, but he thought the hon. gentleman was too sanguine in the matter. The hon gentleman was too sanguine in the matter.

THE NEWS OF THE WEEK. SAINT JOHN, N. B., APRIL, 28, 1882. NEW BRUNSWICK. The wife of Dr. Macdonald, Golding's Landing Wickham, Q. C., took a dose of strychnine in mi Yarmouth, April 19th, 1882.

take for morphine, one day last week, and died. Wild fowl have been quite plentiful at Moncton. Within a day or two several large flocks have been seen in the vicinity of the river marshes. The fish hatcheries on the St. John, Restigouch and Miramichi rivers are to be continued, and it is

stated that 1,750,000 salmon fry will be placed out Brunswick and Nova Scotia is authorized to act as agent for the INTELLIGENCER, Mrs. Charles E. Colwell, of Carleton, has begun and will receive and forward subscripproceedings for divorce, alleging cruelty, non-sup-port, desertion and abandonment on the part of tions, old and new.

GIVEN UP BY DOCTORS. A woman, named Mrs. Thos. Gough, who keeps " Is it possible that Mr. Godfrey is up and a small shop on Brunswick street, attempted to work, and cured by so slmple a remedy ? commit suicide by taking laudanum. A couple of loctors were called in and saved her life. "I assure you it is true that he is entirely cured, and with nothing but Hop Bitters ; and only ten Norval Otty, of Hampton, who was accidently days ago his doctors gave him up and said he must shot by a young man named McManus some days die

GENERAL DEBILITY AND LIVER COMPLAINT. R. V. PIERCE, M. D., Buffalo, N. Y.: Dear Sir The emigration agent in St. John being interdebility, and has found them to be good medicines, and would recommend them to all sufferers from how the remedy works in a case of this kind but it viewed concerning the "exodus" said the reports Liver Complaint, Sour Stomach, and general De-is evident that the medicine was exactly adapted to the dimensional while it would be presumptions are greatly exaggerated. He gave statistics show-ing that during the seven months from June to N. E. HARMON. Pastor M. E. Church, Elsah, Ill. December of last year the arrivals in this city from the West exceeded the departures by 2,366. Dur-

preparation of the kind I have ever seen or taken.

erently, and all for the better as the doctor can

gun and travel all day, and feel first rate at night,

bottle ; six bottles for \$5.00

o give it publicity in my name. I am, dear sir, yours truly,

IF YOU ARE UNACQUAINTED with " Penetrating' Liniment some neighbor who has used it will te you of its merits. For sore throat, swelled tonsils and any unnatural enlargement of the glands of the neck a few applications is all that is necessar to effect a perfect cure. While diphtheria is so prevalent it would be well for every family to have Every Free Baptist Minister in New a bottle of "Penetrating" Liniment in the house, a timely use of which is a safeguard against the attacks of this terrible disease. For sale by all drug-

gists and general dealers in Canada. NO LADY WHO DELIGHTS IN FLOWERS, and likes to

see them do well and bloom abundantly, should be without Hanington's Food for Flowers. Ordinary packages 30 cents. -sufficient for 20 plants for one one year. april 8-1m.

CATARRH OF THE BLADDER. Stinging irritation, inflammation, all Kidney and

Urinary Complaints, cured by "Buchupaiba." \$1.

RHEUMATISM VS. A HALF-BOTTLE.

Mr. Louis Picard, Larochelle, P. Q., writes that e was suffering severely from an attack of rheuma ism which was so severe that he scarcely could walk. A neighbor called his attention to Dr. Dow's -My wife has been taking your "Golden Medical Sturgeon Oil Liniment. He procared a bottle and Discovery" and "Pellets" for her liver and general had occasion to use but half of it before he was o the disease and while it would be presumptious o say that such results are shown in every case, it s within the truth to say that there are few cases

of rheumatism, lumbago, sciatica and similar diseases that are not benefited if not completely cured by it. The complete cure forms the great majority.

BLEEDING OF THE LUNGS.

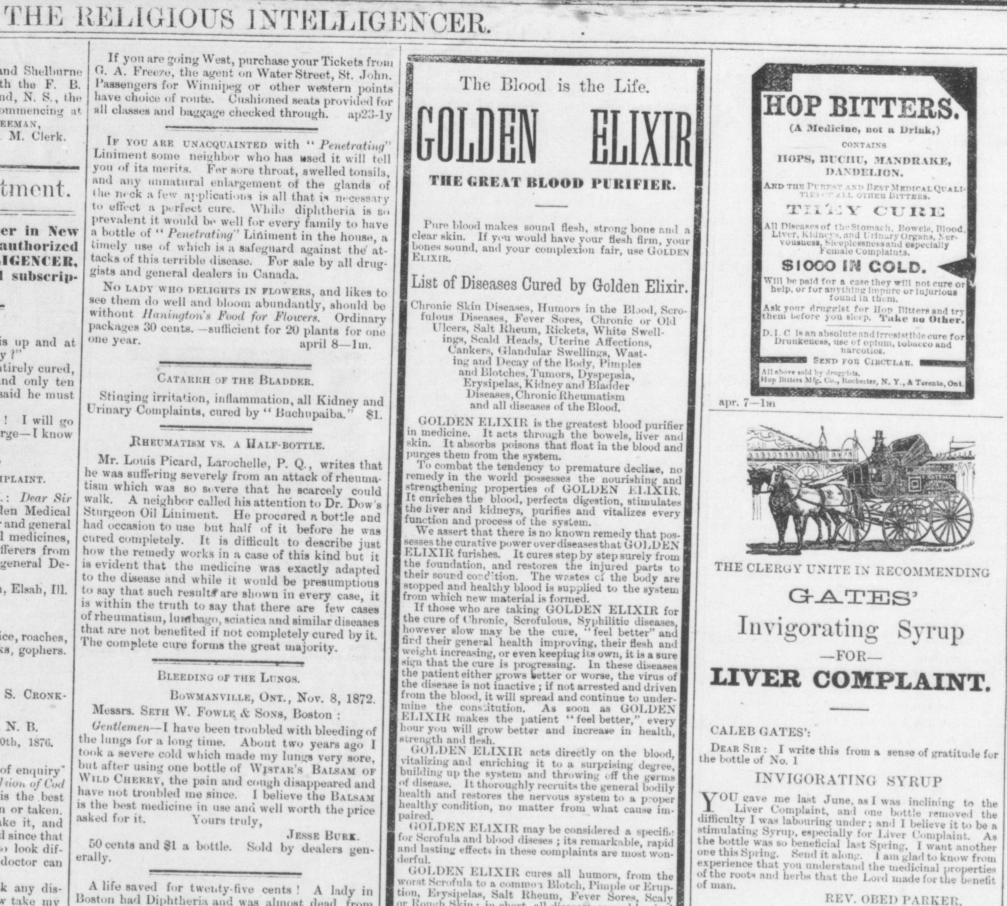

BOWMANVILLE, ONT., Nov. 8, 1872.

Messrs. SETH W. FOWLE & Sons, Boston : Gentlemen-I have been troubled with bleeding of he lungs for a long time. About two years ago I ook a severe cold which made my lungs very sore, aut after using one bottle of WISTAR'S BALSAM OF WILD CHERRY, the pain and cough disappeared and have not troubled me since. I believe the BALSAM is the best medicine in use and well worth the price asked for it. Yours truly,

JESSE BURK. 50 cents and \$1 a bottle. Sold by dealers generally

A life saved for twenty-five cents ! A lady in Boston had Diphtheria and was almost dead from stangulation, but was instantly relieved and finally cured by Johnsons' Anodyne Liniment. Every family should have a bottle ready for instant use. Profitable investment. One dollar's worth of Sheridan's Cavalry Condition Powders fed to a coop of thirty hens will yield a profit of three dollars, besides preventing all manner of diseases. Be sure is nearly 190 lbs., which is pretty well up to my to get Sheridan's. The large packs are worthless.

If you are suffering with a Cough or severe Cold, o not trifle with yourself by trusting your life to Lozenges and cheap worthless cough mixtures, but

LITERARY NOTES.

HARPER'S MAGAZINE for May is signalized by the beginning of a new serial story by William Black. Robert Herrick's poem, "to Dianame," is beautifully illustrated.

In the opening article of the Number, " Spanish Vistas : II.," Mr. George P. Lathrop describes with great vividness the ancient city of Toledo. Besides at Curry's corner, Windsor, N. S., with engine, drawings by Reinhart, there is a frontispiece called fire on Saturday morning. Partially insured.

W. H. Beard contributes a touching story called "A Child's First Impressions of Death," accompanied with an illustration from his own pencil. "Music and Musicians in Austria" is an exceed-

ingly interesting paper.

contributes a charming paper, beautifully illus- miles. Nuggets of native copper can be knocked off with a hammer.

Mr. Stedman contributes a thoughtful and interesting paper on "Some London Poets," which which left St. John was fatally injured at Amherst up a fresh cold in twenty-four hours. \$2.50 per includes an account of a visit to Swinburne, and at 2 o'clock on Monday and died about midnight. other personal reminiscences.
