The thunder storm of Friday night was one of the heaviest ever known in Sackville. The only damage done, however, was to a tree near Cap. Pringle's house, on the Fairfield Road. The tree was pretty effectually demoralized, being torn to pieces for a distance of thirty feet or so from the root upward. There are splinters enough to cure all the toothaches in Canada, if the popular idea be correct that splinters from a lightning-struck tree will cure that grevious ailment.—Post.

ERYSIPELAS

Positively Cured.

St. CROIX, October 30th, 1881.

C. GATES, SON & Co. : Dear Sirs, -I have been afflicted with Erysipelas in 2 BRLS. SPERM OIL. my legs for three years, suffering pain more or less dur-ing that time, and some of the time being unable to ing that time, and some of the time being unable to work or to walk. I tried everything that I could hear tell off for external or internal use, and was attended by an M. D. for three years, but all to no effect, as I still grew worse. At last I was advised to try your Life of Man Bitters No. 2, and Invigorating Syrup No. 1. After taking two bottles I began to feel better, and I kept on using it until I had taken nineteen bottles, when I found myself perfectly cured. It is now six months since I stopped using the medicine and I have no sign of erysipelas. I thank God for causing such roots to grow, and you for searching out such a wonderful to grow, and you for searching out such a wonderful medicine: and as I feel for suffering humanity, I desire that this certificate be fully advertized, as every word of it is true and can be proved by coming to St. Croix. Your medicine is all it is recommended to be, if not more.
