He explained that the bill was to provide that the election of Parish Councillors should take place at the same time as the elections of councillors and ldermen in the city. It was agreed to. Dr. Lewis committed for further discussion a bil to legalize the electoral list of Albert County.

It was agreed to and the provisions were made general, after a long debate. Monday .- Mr. Hill committed a bill relating to the stock of the New Brunswick and Canada Rail-

He explained that the bill was to amend the Act f 1873, by which the St. Andrews and Quebec Railway was consolidated with the branches to St. tephen, Houlton and Woodstock, by consolidating the different classes of stock. It is provided in the bill that a two-thirds-yea vote of all the stock shall be had before the bill comes into operation. The bill was agreed to without amendment.

The Provincial Secretary committed a bill to enable THE SUN Publishing Company to increase its capital stock and to issue debentures. The mover explained that the bill asked for leave to increase the capital stock of the company and to issue debentures. The company is incorporated under the N. B. General Incorporation Act. The memo, of incorporation had been filed in 1879, with capital stock of \$20,000 which had been an paid up except about \$1,000. The company asked leave to increase the stock to \$40,000, and issue debentures to the extent of \$10,000 on the security

MEDICINES SPRINGHILL MINES, August 3rd, 1881. MESSRS. C. GATES, SON & Co.: Your preparations given to the public as a cure for Asthma and Consumption may be considered reliable in my experience. My neighbors can also say the same of me. They had no hope whatever, and advised my wife to spend no more money on me, thinking it was no use, as I had been given up by the doctors; but I thought I would try your medicines, and consider that it is by their use only that I am living and maintaining my family by my own work. The doctors advised me not to take it, because, they said, when the cough stopped I would not live 24 hours; but I am alive, thanks to GATES MEDICINES, and am doing better than I have been
