

THE RELIGIOUS INTELLIGENCER.

bution treats of the rise of amateur printing and its development into an industry, with an organized Association. There is a history of the National Amateur Press Association, with specimens of, and extracts from, news and journals, portraits of distinguished amateur journalists, and much in regard to starting and carrying on an amateur newspaper.

The number is completed with the usual departments, and a capital selection of clever stories, jokes and pictures.

The letter box contains a report of the Children's Garfield Fund.

The announcement that D. Lothrop & Co., of Boston, are preparing a subscription edition of Mr. Paul H. Hayne's complete works will be pleasant news to all of good poetry here and in England. Mr. Hayne's poetic insight and expression are of the first rank, and his book, for their full appreciation a careful and sympathetic reading, now publication ought to have a host of readers, and among them not a few of those who have from time to time found beauty and inspiration in the verse which have appeared in the *Christian Union* under Mr. Hayne's name.

Counterfeit \$10 greenbacks of the issue of 1876 are said to be in circulation in the Maritime Provinces.

There is to be a Tea Meeting in Mapleton, York Co., on Thursday of next week (6th July). The funds are to be used in finishing the Free Baptist Meeting House there. We hope it may be a grand success.

THE NEWS OF THE WEEK.

SAINT JOHN, N. B., JUNE 30, 1882.

NEW BRUNSWICK.

The mills around Indiantown and on the other side of the river are busier than they have been for years past.

A convicted man, Claire, from Fredericton, sentenced to four years imprisonment in the Dorchester penitentiary for stealing, escaped from that institution Monday.

A house at Passacag station owned by Mr. W. D. Edwards, occupied by W. D. L. Edwards, was destroyed by fire on Thursday. Scarcely anything was got out of the house. The fire was caused by a defective fuse. No insurance.

Mayor Jones has contributed \$250 to the fund to help the 62nd Band to play on King and Queen Streets, and on the pier during the summer evenings. The appearance of the band will be made on Queen Square on Thursday evening from 7.30 to 9.30 o'clock.

The *Gazette* announces that the following new Post offices have been established in New Brunswick: Hartland, Carleton Co.; Harvey Bank, Albert Co.; Ingerman, Gloucester Co.; New Zion, Sunbury Co.; Stratford and Queensville, Northumberland Co.

We understand the Maritime Bank has disposed of Albert Railroad Bonds to the extent of about \$80,000 and expect soon to get off \$20,000 more. This will give the bank \$100,000 in cash and materially add to the facilities for extending their rapidly growing business.—*See*.

About 3.45 yesterday afternoon an alarm was struck from box 52 for a light fire on the roof of Thos. Pierce's two story wooden tenement on Pond street. The fire, which caught from a defective fuse, was speedily extinguished by the firemen. Little or no damage was done to the interior.

Another alarm was given from Pond st. Chene was two more minutes returning from St. John to Prince Edward Island, the other an Ontario man. The Island lost his purse containing tickets and all his money, between Moncton and Painesie. The Ontario man a value containing \$80.—*Moncton Times.*

Rev. Mr. Richan writes the *Messenger* from Barrington as follows:—“After a long season of financial depression around these shores, the prospect is brightening. Mackerel and lobsters are abundant and the market for them doing well. As the markets are the good the fishermen generally are likely to have a prosperous season.”

Some persons entered the Grove Presbyterian Church, Richmond (Halifax), the other day, and stole a large bell. It weighs over three hundred pounds, and how it was taken down from the tower and out through the roof is a mystery.

The thieves conveyed the bell to North Street, where they sold it for a trifling sum.

It is not a mother on earth who ever used it, who will not tell you at once that it will regulate the bowels, and give rest to the mother, and relief and health to the child, operating like magic in perfectly safe to use in all cases, and pleasant to the taste, and is a great remedy for infants, children, convalescents, colds, rheumatism, Neuralgia, prostration with Disease, flatulence, constipation, colic, &c.

Mr. Palmer, Clerk.

Hampstead K. C., June 12th 1882.
