-WHERE-

Is Used

Universal Liniment At No. 20 Dorchester St., in this city, on the 14th Is warranted equal to any article for all

Diseases of Man and Beast.

UNIVERSAL LINIMENT. AN EXTERNAL application for Sprains and Bruises, Sore Throat, Quinsy, Pains and Soreness in the Bones and Muscles, Paralysis or Numbness in the Limbs, Pains and Stiffness of the Joints, Swellings and Tumors, Rheumatism, Gout, Tic Doloureux, (Neuralgia), or Pains in the Nerves, Milk Leg, White Swellings, Chilbleins or Frost Ries, Kingwarm, Pains in the Chest. Chilblains or Frost Bites, Ringworm, Pains in the Chest, Side and Back, &c., and useful in all cases where Liniments, Rubefacients. Blisters, Sinapisms, &c., or any other kind of Counter-Irritant is required.

Universal Liniment.

This Liniment should be liberally applied to the parts affected, three or four times a day, (and even more frequently in severe and dangerous cases), and rubbed well into the skin with the hands and fingers, or with a small liece of flannel, saturated with the Liniment, so that more or less irritation or smarting in the same of At Greenwich, Kings Co., April 1st, John W. Gor-ham, aged 35 years. He leaves a wife, two children and a large circle of friends to mourn their loss. His end more or less irritation or smarting is produced in the parts to which it is applied. CHILBLAINS. - They are inflammatory swellings of the feet, especially about the toes and heels, with painful itching and burning; and are caused by exposure to cold.

Sometimes blisters form, which become bad ulcers.

Treatment.—Wash with castile or tar soap, and apply UNIVERSAL LINIMENT freely. Wrap them in lint saturated with the Liniment and keep it on during the night. Keep the feet warm and dry during the day.

LAMENESS.—It is the result of over use. There is soreness, accompanied by pain on exertion, in the affected part. The celebrated UNIVERSAL LINIMENT is unequalled in curing lameness. Bathe the tender portion with the n curing lameness. Bathe the tender portion with the Liniment at night, and on going to bed, and again in Bunrons. - They consist of enlargement or thickening of the sack about a joint, usually that of the big toe of the foot. Caused by tight boots. Treatment.—An easy boot or shoe is essential. Bing on lint soaked with the UNIVERSAL LINIMENT and cover with oil silk every
