PAIN CANNOT STAY -WHERE-

Is Used!

Universal Liniment Is warranted equal to any article for all Diseases of Man and Beast.

UNIVERSAL LINIMENT. A N EXTERNAL application for Sprains and Bruises, Sore Throat, Quinsy, Pains and Soreness the Bones and Muscles, Paralysis or Numbness in the Limbs, Pains and Muscles, Paralysis or Numbness in the Limbs, Pains and Stiffness of the Joints, Swellings and Tumors, Eheumatism, Gout, Tic Doloureux, (Neuralgia), or Pains in the Nerves, Milk Leg, White Swellings, Chilblains or Frost Bites, Ringworm, Pains in the Chest, Side and Back, &c., and useful in all cases where Liniments, Rubefacients. Blisters, Sinapisms, &c., or any other kind of Counter-Printant is required.

Directions for using Universal Liniment.

This Liniment should be liberally applied to the parts affected, three or four times a day, (and even more frequently in severe and dangerous cases), and rubbed well into the skin with the hands and fingers, or with a small piece of flannel, saturated with the Liniment, so that more or less irritation or smarting is produced in the parts to which it is applied. CHILBLAINS.—They are inflammatory swellings of the feet, especially about the toes and heels, with painful itching and burning; and are caused by exposure to cold. Sometimes bli-ters form, which become bad ulcers. BUNIONS.—They consist of enlargement or thickening of the sack about a joint, usually that at the big toe of the foot. Caused by tight boots. Treatment.—An easy boot or shoe is essential. Bind on lint soaked with the UNIVERSAL LINIMENT and cover with oil silk every 12 BARRELS POLAND WATER.

AYER'S Hair Vigor

outh, faded or gray hair to a natural, rich brown color, or deep black, as may be desired. By its use light or red hair may be darkened, thin hair thickened, and baldness often, though not always, cured. It cheeks falling of the hair, and stimulates a weak and sickly growth to vigor. It prevents and cures scurf and dandruff, and heals nearly every disease peculiar to the scalp. As a Ladies' Hair Dressing, the Vigor is unequalled; it contains neither oil nor dye, renders the hair soft, glossy, and silken in appearance, and imparts a delicate, agreeable, and lasting perfume.

MR. C. P. BRICHER writes from Kirby, O., July 3, 1882: "Last fall my hair commenced failing out, and in a short time I became nearly baid. I used part of a bottle of AVER'S HAIR VIGOR, which stopped the falling of the hair, and started a new growth. I have now a full head of hair growing vigorously, and am convinced that but for the use of your preparation I should have been entirely baid."

J. W. Bowen, proprietor of the McArthur (Ohio) Enquirer, says; "Aven's Harr Vigors is a most excellent preparation for the hair. I speak of it from my own experience. Its use promotes the growth of new hair, and makes it glossy and soft. The Vigor is also a sure cure for dandruff. Not within my knowledge has the preparation ever failed to give entire satisfaction,"

MR. ANGUS FARRAIRN, leader of the celebrated "Fairbairn Family" of Scottish Vocalists, writes from Boston, Mass., Feb. 6, 1880: "Ever since my hair began to give silvery evidence of the change which fleeting time procureth, I have used AVER'S HAIR VIGOR, and so have been able to maintain an appearance of youthfulness—a matter of considerable consequence to ministers, orators, actors, and in fact every one who lives in the eyes of the public." MRS. O. A. PRESCOTT, writing from 18 Elm St., Churlestown, Mass., April 14, 1882, says: "Two years ago about two-thirds of my hair came off. It thinned very rapidly, and I was fast growing bald. On using Ayer's Harr Vioor the falling stopped and a new growth commenced, and in about a month my head was completely covered with short hair. It has continued to grow, and is now as good as before it fell. I regularly used but one bottle of the Vioor, but now use it occasionally as a dressing."

We have hundreds of similar testimonials to the efficacy of AVER'S HAIR VIGOR. It needs but a trial to convince the most skeptical of its value.
