### **A MARVELOUS STORY** TOLD IN TWO LETTERS.

FROM THE SON: "28 Cedar St., New York, Oct. 28, 1882. Gentlemen: My father resides at Glover, Vt. He has been a great sufferer from Scrof-ula, and the inclosed letter will tell you what a marvelous effect

# Ayer's Sarsaparilla

has had in his case. I think his blood must have contained the humor for at least ten years; but it did not show, except in the form of a scrofulous sore on the wrist, until about five years ago. From a few spots which appeared at that time, it gradually spread so as to cover his entire body. I assure you he was terribly afflicted, and an object of pity, when he began using your medicine. Now, there are few men of his age who enjoy as good health as he has. I could easily name fifty persons

who would testify to the facts in his case. Yourstruly, W. M. PHILLIPS." FROM THE FATHER: "It is both a a duty for me to state to you the benefit I

have derived from the use of

# Ayer's Sarsaparilla.

Six months ago I was completely covered with a terrible humor and scrofulous sores. The humor caused an incessant and intolerable itching, and the skin cracked so as to cause the blood to flow in many places whenever I moved. My sufferings were great, and my life a burden. I commenced the use of the SARSAPARILLA in April last, and have used it regularly since that time. My condition began to improve at once. The sores have all healed, and I feel perfectly well in every respect - being now able to do a good day's work, although 78 years of age. Many inquire what has wrought such a cure in my case, and I tell them, as I have here tried to tell you, AVER'S SARSAPARILLA. Glover, Vt., Oct. 21, 1882. Yours gratefully. HIRAM PHILLIPS."

AYER'S SARSAPARILLA cures Scrofula and all Scrofulous Complaints, Erysipelas, Eczema, Ringworm, Blotches, Sores, Bolls, Tumors, and Eruptions of the Skin. It clears the blood of all impurities, aids digestion, stimulates the action of the bowels, and thus restores vitality and strengthens the whole system.
