It is a most valuable preparation for the gardener, and its use is recommended by all the best horticulturists.

THE WARNING.—Does it not appeal the strongest mind to think upon the sad results caused by neglected colds? Then why delay? What excuse can be offered when the timely warning is sounded in your ears? When the danger is so near, why not avoid it? Dr. Wilson's Pulmonary Cherry Balsam has been used with success in so many cases that it is not surprising that the eminent physicians are not exaggerating the merits of this preparation. It is an in fact falling short of the eulogies bestowed upon it by the thousands who have been cured by it.

TO CONSUMPTIVES.—The production of a remedy that may truly be said to alter the course of the Consumptive as to give hope of cure in but a few cases, and of much prolonging of life in far the greater number, is the greatest medical discovery of the age, and one which, if carefully and faithfully used, may arrest and cure the disease, and it is pretty sure to afford it. It is a most valuable preparation for the gardener, and its use is recommended by all the best horticulturists.

IS IT POSSIBLE. That a remedy made of such common, simple plants as Hop, Bitters, and Iron, should be so effective, and so many and such marvellous and wonderful cures as Hop Bitters do? It must be, for when old and young, and men and women, and all who are afflicted with any of the diseases mentioned in the list, have used two bottles with the best results, and can confidently recommend it to any afflicted in like manner.

FOR HORSES THAT ARE TROUBLED WITH THE DISEASE CALLED SCRATCHES, DR. DOW'S STURGEON OIL LINIMENT proves an efficient remedy. Our tamers say it is one of those things which will cure a horse, and that there is hardly an ailment which it will not cure.

DR. SULLIVAN, MALCOM, Ont., writes: "I have been selling Dr. Thomas' Electric Oil for some years, and have no hesitation in saying that it has given more satisfaction than any other medicine I have ever used. I consider it the only medicine that cures more than it is recommended to cure."

ANON HODGINS, Toronto, writes: "I was a sufferer from Dyspepsia for the past six years. All the remedies I tried proved useless, until Northrop & Lyman's Vegetable Discovery and Dyspepsia Cure was brought under my notice. I have used two bottles with the best results, and can confidently recommend it to any afflicted in like manner."

When symptoms of malaria appear in any form, take Ayer's Sarsaparil at once, to prevent the development of the disease, and continue until health is restored, as it surely will be by the use of this remedy. A cure is warranted in every instance.

DON'T DOUBT IT. Failure is not always followed by failure, and although you may not think that you will find the right thing yet, PERINA'S PAINLESS COUGH EXTRACT is a positive remedy for coughs, and once used at once cured. This fact has been vouched for by thousands who have used it. Sold by druggists, N. C. POLSON & CO., Kingston, Proprietors.

HOP TONIC!

THE BEST TONIC AND APPETIZER!

The proprietors of HOP TONIC feel warranted in saying that it surpases all similar preparations of medicine, as it combines the principle of the Hop with Sarsaparil and other valuable aromatic roots and herbs. It is peculiarly efficacious in diseases arising from impurities of the blood, and is salutary in its effects in creating an appetite and giving tone to the stomach. HOP TONIC has already attained a high reputation, and numerous testimonials have been received from persons who have experienced immediate relief from its use. Beware of imitations, as HOP TONIC is unlike all other compounds with similar names.

The tenacity with which people abide by their early faith in Ayer's Sarsaparil can only be explained by the fact that it is the best blood medicine ever used, and is not approached in excellence by any new candidate for public favor.
