## March 2, 1883

#### directed the Mayor to carry out the wishes of the young folks.

The experiment of giving patients at hospitals for the insane light mechanical work to perform has produced admirable results at Norristown, Penn. The work not only is conducive to the health, but has a beneficial effect upon the mind in affording occupation for the thoughts.

arrived last week with 47 passengers, reports pass-ing a schooner of about 150 tons bottom up, on Thursday afternoon, eighteen miles east northeast of Boom Island. The State of Maine was run to within fifty feet of the wreck, but Capt. Hall states that no person was noticed on board and fears that all hands have perished. The name of the vessel could not be made out.

LITERARY NOTES.

The March CENTURY will have a biographical red by Messrs. James Robertson and Robert Shearsketch of the late Dr. Leonard Bacon, by his son, Leonard Woolsey Bacon, of Norwich, Conn., in Salisbury, and they will form a company to work which Dr. Bacon's position in opposition to the the mine. Analysis have been made by Prof. Bur-Boston extremists in the anti-slavery agitation is defended. On this, as on every other public ques-tion of his generation, Dr. Bacon was a good fight-tion of his generation, Dr. Bacon was a good fighter, and the paper is appropriately entitled, "A 10 dwt. to ton. Good Fight Finished." An excellent portrait accompanies the paper.

Readers of William Cullen Bryant's poetry will readily remember the many verses addressed to his wife, who died in 1866. In addition to those that have been published, one dated "Roslyn, 1873," was found after Mr. Bryant's death, uncorrected was found after Mr. Bryant's death, uncorrected and unfinished, which recalls her memory in a very station to American markets. tender way. It will be printed in the March CENhas been established at Pictou. It is proposed to
