BEWARE OF IMITATIONS.

Since Dr. Thomas' Eclectric Oil has become elebrated, a number of unprinciple persons have been endeavoring to palm off Electron and Electric Oil for the genuine Dr. THOMAS' ECLECTRIC OIL. Beware of these similar named articles. If their originators had any faith in the healing properties of their own medicines they would, like honest men, give them a name of their own, and not try to sell them on the reputation of another; but as they know their preparations have no merit they resort to the most unprincipled means of selling them by getting a name as near as possible to Eclectric. We therefore ask the public when purchasing to see that the name Dr. Thomas' Eclectric Oil is on the able thirst for liquor, which had so prostrated him

PAIN CANNOT STAY -WHERE-

Is Used !

Universal Liniment Is warranted equal to any article for all Diseases of Man and Beast.

UNIVERSAL LINIMENT.

Directions for using Universal Liniment.

This Liniment should be liberally applied to the parts affected, three or four times a day, (and even more frequently in severe and dangerous cases), and rubbed well into the akin with the hands and flingers, or with a small piece of flannel, saturated with the Liniment, so that more or less irritation or smarting is produced in the parts to which tis applied.

CHILBLAINS.—They are inflammatory swellings of the feet, especially about the toes and heels, with painful itching and burning; and are caused by exposure to cold. Sometimes blisters form, which become bad ulcers. Treatment.—Wash with castile or tar soap, and apply Universal Liniment and keep it on during the night. Keep the feet warm and dry during the day.

LAMENESS.—It is the result of over use. There is sorteness, accompanied by pain on exertion, in the affected part. The celebrated Universal Liniment at night, and on going to bed, and again in the morning.

Liniment at night, and on going to bed, and again in the morning.

Bunions.—They consist of enlargement or thickening
