AYER'S Cherry Pectoral.

No other complaints are so insidious in their attack as those affecting the throat and lungs: none so trifled with by the majority of sufferers. The ordinary cough or cold, resulting perhaps from a trifling or unconscious exposure, is often but the beginning of a fatal sickness. AYER'S CHERRY PECTORA: has well proven its officacy in a forty years' fight with throat and lung diseases, and should be taken in all cases without delay.

A Terrible Cough Cured.

"In 1857 I took a severe cold, which affected my lungs. I had a terrible cough, and passed hight after night without sleep. The doctors gave me up. I tried AYER'S CHERRY PECTORAL, which relieved my lungs, induced sleep, and afforded me the rest necessary for the recovery of my strength. By the continued use of the PECTORAL a permanent cure was effected. I am now 62 years old, hale and hearty, and am satisfied your CHERRY PECTORAL saved me.

Croup. - A Mother's Tribute. "While in the country last winter my little boy, three years old, was taken ill with croup; it seemed as if he would die from strangulation. One of the family suggested the use of Aven's Cherry Pectoral, a bottle of which was always kept in the house. This was tried in small and frequent doses, and to our delight in less than half an hour the little patient was breathing easily. The doctor said that the Cherry Pectoral had saved my darling's life. Can you wonder at our gratitude? Sincerely yours,

BLESSED BENEFACTORS.

When a board of eminent physicians and chemists announced the discovery that by combining some wellknown valuable remedies the most wonderful medicine was produced, which would cure such a wide range of diseases that most all other remedies could be dispensed with, many were skeptical; but proof of its merits by actual trial has dispelled all doubt, and to-day the disouverers of that great medicine, Hop Bitters, are honored and blessed by all as benefactors. My blood is pure, kidneys are all right, and I am as active as a man of 30, although I am 72.

"For ten years my wife was confined to her bed with such a complication of ailments that no doctor could tell what was the matter or cure her, and I used up a small fortune in humbug stuff. Six months ago I saw a U.S. flag with Hop Bitters on it, and I thought 1 would be a fool once more, and I tried it; but my folly proved to be wisdom, and two bottles cured her. She is now as well and strong as any man's wife, and it cost me
