THE RELIGIOUS INTELLIGENCER

REV. JOSEPH McLEOD,

SPECIAL OFFER!

subscription) we will send the paper from the first of October till the end of 1385 ! [This offer will close at the time of Con- sents than the Divine presence. God will be inference.]

-- THE LATE Bishop Pierce, in his day a preacher He is more willing to give the Holy Spirit to them of great power, said, --- " I cannot preach unless I that ask Him than parents are to give good things am happy in God." And is it not true of every to their children. Ask Him to influence every conscious acceptance and communion with God.

- THE Y. M. C. A. Convention of the Maritime Provinces is now being held in Pictou, N. S., the session having begun yesterday, 2nd inst. Amongst other questions to be considered is whether the Convention can support a travelling saperintendent.

-THE ARGUMENTS in the License Act case before the Supreme Court, at Ottawa, were finished on Saturday. All the Provinces were represented, but has been doing what he thought best in the way Nova Scotia and P. E. Island were represented by that he thought best, has politely belittled ordinary counsel. The court reserved judgment. When it Christian wrokers, has had his name in the papers may be expected is not known, but very soon it is considerably and has been considered a good deal to be hoped.

he gives up his work in London discouraged, his - COMMENTING on the statement recently made preaching of agnosticism has accomplished no good by Ingersoll that he proposes to devote his energies except to lessen the number of his hearers. Mr. to the overthrow of Christianity, the New Orleans | Moody has left London having finished the work Christian Advocate gives him an encouraging (!) he went to do. For several months he preached send-off thus :-- " He has joined company with a Jesus to vast congregations of people. The power wonderful array of famous names-Pharaoh, Jero- of God attended his preaching and many hundreds boam, Nebuchadnezzar, Herod, Nero, Celsus, of souls were saved from sin. The success of the Prophyry, Julian, Voltaire, Volney, and Tom one and the failure of the other point, not to the Paine. These men-each in his turn-have utterly difference in the ability of the men, but to the fact destroyed the religion of Christ from the earth. that there is power in the doctrines of the cross, And now comes Ingersoll to beat it to pieces again and that other things that ignore Jesus are miserand scatter its dust to the winds. (Psalms 37 : able weakness. The concurrent testimony of the 12, 13.") two men is wisely summed up by the Times, thus :

said to have been a highwayman at one time, the land with an explanation of their reasons for so the land with an explanation of their reasons for so the land. Journal and Messenger makes the following appro- doing ; and those reasons tend singularly to the priate remarks :-- "We do not believe that foot- same conclusion, concerning the spiritual atmospads make the best evangelists, nor that the great- phere of the country thus turned away from. The ANOTHER STORY OF SUFFERING. black, and we had rather trust to the usefulness of the young man trained in a Christian home, at the frequented chapel, where Dean Stanley, looking in knee of a praying mother, than to that of a boy upon it, said he found "three persons and no God." from the Reform Farm."

IN SESSION.

His will to pass in them all and by them.

A CONTRAST.

The Sunday School Times has been looking into
