THE NEWS OF THE WEEK

SAINT JOHN, N. B., MAY 23, 1884.

NEW BRUNSWICK. Burglars are busy in Moncton.

The Moncton Cotton Mill has resumed operations and on Tuesday shipped 10 bales of cotton. Ten steamships have been chartered to load deals at this port, six of which are expected next week. Two barns owned by S. Hayden, on Tupper's Island, Carleton Co., were burned on Monday night.

Insured for \$1,000. Frazer Winslow, a little son of E. Byron Winslow, accidentally broke one of his arms by falling from a wood pile.

In Edgecombe's carriage factory yesterday afternoon, Michael Granuen lost a portion of one of his fingers in a planing machine.

Mark Upton, seventy years old and deaf, was run over on the Grand Southern Railroad Thursday morning, in the outskirts of St. Stephen, and killed. Edwd. H. Blakeney's house, on the Petitcodiac road, about two miles from Havelock, was burned to the ground on Wednesday last. He saved most Polish Society (for the liberation of Poland) in of our grandmothers to prepare decoctions of Bur-

William E. Turper's unoccupied and uninsured house at Blissville, Sunbury County, was burned on the night of the 14th inst. The fire was of incendiary origin.

Wm. Richards, lumberman, who recently arrived home from England had quite a serious illness while in London. He was confined to a hospital for nearly a week. Wm. Emery, an employe on the N. B. Railway,

had an arm broken while coupling cars on Monday. He came here Wednesday and placed himself under the care of Dr. Inches. John H. Wilson, of Elgin, an employe of D. J. McLauchlan, while steam driving on Pollet river,

last week, was caught in a gang of logs and drowned. He leaves a widow and eight children. At Morrison's mill on Tuesday, Samuel

tyre, colored, received a cut over the right eye from a piece of edging thrown from a circular saw, and in the same mill yesterday, a man named Maloney had his hand crushed in the trimmer. D. McLachlan & Sons has just turned out one of

the largest boilers built in the Province. It is for the steamer Empress and weighs a fraction over 25 tons. The steamer will be hauled to Fairweather's wharf and the boiler placed in position.

The following new post offices were opened 1st May: Bellefleur, Victoria county, A. DeVilliers, postmaster; Martin's Head, St. John. Samuel Voodbury; Walker's Settlement, Kings, Wm. Adair. The office at Baldhill, Queens, has been closed. At a meeting of the Directors of the Central Railway, held Thursday, in St. John, it was resolved to proceed at once with the survey of the line from the head of Grand Lake towards Gibson and Salisbury, with a branch to the Intercolonial at

Hayford & Stetson's mill has commenced operations, giving employment to about one hundred men and boys. All the mills except the one recently purchased by D. W. Clark will be running. Mr. Clark's mill, which is being repaired, will be running shortly. These mills employ about five

Timothy Knowles, while painting S. P. Osgood's house, Germain street, on Wednesday, fell from the stagging to the ground, breaking his right collar bone. The injured man was attended by Dr. Travers, who had him conveyed to the hospital, where he is doing as well as could be expected, although in June to construct a military railway across the

suffering great pain. The drives are all out of the streams on the South West Miramichi. The water in this river is now high and logs run well. It was thought at one time that a quantity of spruce logs on the Little South branch of Burnt Hill, would not come this season, as the dam by which they were to be driven

Fire which was discovered on the morning of the 16th inst., destroyed the carriage works of J. H. Marks and his warerooms; his mill, blacksmith Burmah, and an immense damage to property is shops, and an adjoining building occupied by Stewart & Day were consumed. A heavy stock of vehicles for summer trade was in the building. Those the peninsula of Cyzicus, Asia Minor. Several on the first floor were saved, but everything else | villages were damaged, many houses destroyed, and was lost. Stewart & Day lost everything and had | 20 persons killed. no insurance. Marks had \$2,000 on his stock and building. The entire loss is estimated at \$7,000.

department was badly managed. the pedlar down and were kicking him violently fully informed of the proceedings. about the head and face. Shortly afterwards both were arrested on a warrant, issued by Justice Mc-Naught, but Brittany escaped. Howard was brought over to jail tied in a carriage. Howard is already known by reputation. He was remanded till next Monday for examination. — Tel.

he grasped for it, but missed and was precipitated none of them would return. into the water. Soon afterwards the night-watchhausted, put forth every effort to keep biniself above water, and was eventually rescued by Mc-Carthy. Oo reaching the wharf West inquired if McCarthy had seen the salmon, and being answered in the negative bid his rescuer good night and

Advices reached the Sun office Tuesday evening of a serious affray near Hopewell Hill, Alcert County, in which Robert Hoyt, a married farmer that Charles Arsenault, the would-be-murderer, married, some time ago, a girl named Steems, but of 35 or 40, was shot by a Frenchman. It appears ing for Mrs. Steeves' personal safety, he made his hanged all three. way into the premises. As Hoyt crossed the threshold Arsenault drew a pistol and shot him in the

groin, inflicting a dangerous wound. Dr. Lewis was sent for as soon as possible, and the condition of the wounded man found to be most age has been done further east. the condition of the wounded man found to be most serious, as the bullet had penetrated the groin so Three tramps broke into the house of Michael vertisement of Northrop & Lyman's Emulsion of deeply that its removal was impossible and the patient now lies in a critical state.
