from China who had given the condition of heathen

- " CHURCH LOYALTY" is the title of a tract by Dr. Vincent. Amongst many good things he writes the following true and earnest words :

"I do assert that when a man leaves one church and joins another for 'society' reasons, and to joy bells were being and cresywhere because of the church which his father and mother leved, of the joy-bells had not died before charges of canwhose doctrines he cannot deny, and to whose he has-I say that this man commits a great wrong,

preciative reference to Miss Hooper. Writing of members of the party have been interviewed and characters as the Costigan lot, and when they can long before the end of the conference is gained, the

- A SPECIAL MEETING of the Union Baptist Education Society is to be held in the Seminary Building, in this city, on Thursday of next week, August 28th. This meeting is called in accordance with a resolution of the meeting held on the 31st July, and is for the purpose of determining the location of the buildings of the Society. The cominto and report upon the different locations suggested will, probably, be ready with their report. It is desirable that the meeting be a full one fairly representing the denominations concerned. The question to be settled is one of large importance, is far from being complete. The Dean of Canter-The success of the Seminary depends in no small Mayor of London, the Rev. William Arthur, and

- Frederictor has a small church sensation. Charges of ritualistic practices have been made Dr. Cattell, Prof. Welch, Dr. John Hall, Prof. against Rev.
