A Recent Cure of Scrofulous Sores. "Some months ago I was troubled with scrofulous sores (ulcers) on my legs. The limbs were badly swollen and inflamed, and the sores discharged large quantities of offensive matter. THOUSANDS HASTENED TO THEIR GRAVES.

Relying on testimonials written in vivid glowing lan-guage of some miraculou- cures made by some largely puffed up doctor or patent medicine has hastened thousands to their graves ; believing in their almost in-ane faith that the same miracle will be performed on them. and that these testimonials make the cures, while the so called medicine is all the time hastening them to their graves. A LOSING JOKE.

A prominent physician of Pittsburgh said to a lady patient who was complaining of her continued ill-health, and of his inability to cure her, jokingly said : "Try Hop Bitters!" The lady took it in earnest and used the Bitters the Bitters, from which she ebtained permanent health. She now laughs at the doctor for his joke, but he is not so well pleased with it, as it cost him a good patient.

FEES OF DOCTORS.

The fee of doctors is an item that very many persons are interested in. We believe the schedule for visits is \$3.00, which would tax a man confined to his bed for a year, and in need of a daily visit, over \$1,000 a year for medical attendance alone ! And one single bottle of Hop Bitters taken in time would save the \$1,000 and all the year's sickness.

A LADY'S WISH.

"Oh, how I do wish my skin was as clear and soft as yours," said a lady to her friend. "You can easily make it so," answered the friend. "How?" inquired the first lady. "By using Hop Bitters that makes pure, rich blood and blooming health. It did it for me, as you observe."

GIVEN UP BY THE DOCTORS.

"Is it possible that Mr. Godfrey is up and at work, and cured by so simple a remedy ?"

" I assure you it is true that he is entirely cured, and with nothing but Hop Bitters, and only ten days ago his doctors gave him up and said he must die, from Kidney and Liver trouble
