Indulgence and Excesses.

Whether over eating or drinking are made harmless by using Hop Bitters freely, giving elegant appetite and enjoyment by using them before and removing all dullness, pains and distress afterwards, leaving the head clear, nerves steady, and all the feelings buoyant, elastic and more harmy than before. GREEN B. RAUM, U. S. Com. In. Rev.

My liver became hard like wood: my limbs were puffed up and filled with water. All the best physicians agreed that nothing could cure me. I resolved to try Hop Bitters; I have used seven bottles; the hardness has all gone from my liver the 300 BARRELS REFINED SUGARS.

Me. I resolved to try Hop Bitters; I have used seven bottles; the hardness has all gone from my liver, the swelling from my limbs, and it has worked a miracle in my case; otherwise I would have been now in my grave.

Poverty and Suffering.

" I was dragged down with debt, poverty and suffering Allison.

I was dragged down with debt, poverty and suffering for years, caused by a sick family and large bills for doctoring. I was completely discouraged, until one year ago, by the advice of my pastor, I commenced using Hop Bitters, and in one month we were all well, and none of us have seen a sick day since, and I want to say to all poor men, you can keep your families well a year with Hop Bitters for less than one doctor's visit will cost, I know it,"
