At the residence of Capt. George Erb, Portland, N. B., July 9th, after an illness of some six weeks. Emeline, beloved wife of George Reicker, of Bellis le, in the 72nd year of her age, leaving a husband, two sons, and four daughters to mourn their loss.

Sister Reicker left her home on the Bellisle to spend a few weeks visiting her daughter, Mrs. George Erb. Soon after her arrival she was taken sick. No one at medied at once, or disastrous consequences are likely to follow. Incipient dyspepsia, slight costiveness, a tendency to biliousness, should be promptly counteracted with Northrop & Lyman's Vegetable Discovery the great blood purifier, and the system thus yielded from worse consequences.

Soon after her arrival she was taken sick. No one at first considered her dangerous. The writer visited her a few times, and found her rejoicing in the pardoning love of Jesus. Her hope was bright, her faith strong, she rested trustingly in the one who said, "I will never leave the, nor forsake thee." When called upon to pass "through the valley of the shadow of death she feared no evil, for the rod and the staff of the Chief Shepherd of the flock supported her.

Some twenty-eight years ago, Sister Reicker professed faith in Christ under the labours of the Revs. Mr. Springer, and the late Mr. Corey, and united with the F. C. Baptist Church on the Bellisle, her husband being missed by her relatives and friends, especially by her companion, who has been left to finish the journey of life alone. # AYER'S Hair Vigor

youth, faded or gray hair to a natural, rich brown color, or deep black, as may be desired. By its use light or red hair may be darkened, thin hair thickened, and baldness often, though not always, cured.

It checks falling of the hair, and stimulates a weak and sickly growth to vigor. It prevents and cures scurf and danuruff, and heals nearly every disease peculiar to the scalp. As a Ladies' Hair Dressing, the Vigor is unequalled; it contains neither oil nor dye, renders the hair soft, glossy, and silken in appearance, and imparts a delicate, agrecable, and lasting perfume.

MR. C. P. BRICHER writes from Kirby, O., July 3, 1882: "Last fall my hair commenced falling out, and in a short time I became nearly bald. I used part of a bottle of AvER's HAIR VIGOR, which stopped the falling of the hair, and started a new growth. I have now a full head of hair growing vigorously, and am convinced that but for the use of your preparation I should have been entirely bald."

'J. W. Bowen, proprietor of the McArthur (Ohio) Enquirer, says: "Aver's Hair Vigor is a most excellent preparation for the hair. I speak of it from my own experience. Its use promotes the growth of new hair, and makes it glossy and soft. The Vigor is also a sure cure for dandruif. Not within my knowledge has the preparation ever failed to give entire satisfaction."

Mr. Anous Fairbairn, leader of the celebrated "Fairbairn Family" of Scottish Vocalists, writes from Boston, Mass., Feb. 6, 1889: "Ever since my hair began to give silvery evidence of the change which neeting time procureth, I have used Aver's Hair Vious, and so have been able to maintain an appearance of youthfulness—a matter of considerable consequence to ministers, orstors, actors, and in fact every one who lives in the eyes of the public." MRS. O. A. PRESCOTT, writing from 18 Elm Sl., Charlestown, Mass., April 14, 1882, says: "Two years ago about two-thirds of my hair came off." It thinned very rapidiy, and I was fast growing bald. On using AYER'S HAIR VIOOR the falling stopped and a new growth commenced, and in about a month my head was completely covered with short hair. It has continued to grow, and is now as good as before it fell. I regularly used but one bottle of the Vioon, but now use it occasionally as a dressing."

We have hundreds of similar testimonials to the efficacy of AVER's HAIR VIGOR. It needs but a trial to convince the most skeptical of its value.
