possible to construct from reeds, a model which proved almost equally cheap and superior in tone. Mason & Hamlin Company manufactures the **PIANO** which has the following characteristics:

PIANOS available in such a variety of tone and direction of tonal quality, tending to great purity and refinement in quality of tone, and in the perfect freedom of the action, and in the perfect freedom of the action, and in the perfect freedom of the action.

The **MAISON & HAMLIN CO.** has always been famous for the quality of its instruments that **VELLY HIGH EXCELLENCE** has always characterized them. The instruments are characterized by their perfect construction with illustrations, full description and accuracy.
