

done good work and should be continued if possible.

Rev. Mr. Kinghorn asked if a good deal of money had not been subscribed when the society was formed. The chairman answered that there was between four and five thousand dollars of unsubscribed stock to be paid up yet.

Prof. Wortman said that there was no doubt that if they had the pupils they could run the school successfully, but there was an uncertainty about the school which was hurting it. They must not decide in a doubtful manner—they must go into it with a heartiness. There should not be the element of experiment about it for the denominations were not willing to give their money for an experiment.

Rev. Mr. Gordon had always had profound interest in the seminary in St. John. The first question to his mind was, whether they needed the institution or not? If they did, there should be no difficulty in raising the money to run it, in this province. There was no use of talking about closing up. If they once closed it up they might preach an eternal funeral sermon over it.

Rev. Mr. Parsons said it would be a disgrace if the school was closed; there was a constituency of 100,000 behind them, and they should not talk of closing it.

Mr. Peters said in moving the original motion he only wished to start the ball.

The amendment was put and carried by a standing vote, one voting in the negative. A committee consisting of Rev. Messrs. Goodspeed, Hartley, Hopper and McLeod and Messrs. Vince, Bostwick and McFarlane was appointed to consider what further should be done.

AFTERNOON SESSION.—The convention came to order at 3 o'clock, Dr. McFarlane in the chair. The first business was the report of the committee as to future movements. Major Vince, on behalf of the committee, submitted the following report, which was taken up section by section. The recommendations adopted were as follows:—

That an effort be made to raise the \$1,000 to liquidate the Jewett claim in St. John if possible, failing which to have the directors may deem fit.

That the school continue as heretofore.

That an agent be appointed to canvass the country for subscriptions, stock, students, etc.

After the report was adopted several gentlemen offered to subscribe certain sums to help raise the \$1,000 and their offer was followed by others until the amount promised amounted to \$500. The convention then adjourned.

Denominational News.

NEW BRUNSWICK.

FREDERICTON.—Last Sabbath three converts were baptized. There is a good interest in the church, and more accessions are expected.

LOWER QUEENSBURY, YORK CO.—A sociable held at the residence of Mr. Geo. Slipp, Christmas evening, yielded \$90, which is to be used in making some repairs on the Free Baptist Church in that place.

WATCH SERVICE.—The Baptist and Free Baptist churches in Fredericton had a union watch service on Thursday evening. Rev. Mr. Crawley read the hymns and the Scripture lesson and offered prayer. The sermon was by Rev. Jos. McLeod. Mr. Crawley spoke after the sermon. Just before the midnight hour the congregation knelt in silent prayer, continuing so till the opening of the New Year. It was the first watch meeting held by either of the churches, and was interesting and impressive.

WOODSTOCK.—In the F. C. B. Sabbath-school, Mr. Simon McLeod is superintendent, Miss Mamie Clark secretary, and Miss Jessie McLeod organist. There have been 190 names enrolled during the year, with an average attendance of 114. At the festival, on New Year's eve, there was a good programme of music and recitations carried out. At the conclusion of the programme the superintendent, on behalf of the young ladies of Mr. C. R. Watson's class, presented him with a costly gold pencil. Mrs. John A. Shea, organist of the church, was presented by the congregation with a large and elegant silver fruit dish, silver spoon, and a \$10 gold piece. The superintendent was completely taken by surprise by being presented by Rev. C. T. Phillips, on the part of the school, with a handsome easy chair.—Cor. Telegraph.

DEER ISLAND.—Rev. A. Taylor has gone to Deer Island by appointment of the Home Mission Society. We hope to hear of blessing attending his labours.

JERUSALEM.—Our meetings in Jerusalem are still encouraging. Last Friday evening there was a very powerful meeting. One spoke for the first time, others came out for prayer. Saturday was the monthly Conference. About forty spoke of the Lord's dealings with them; it was a great contrast with the four or five years of the past, when five or six or seven would meet in Conference. It was a joyful day to those brethren who had been holding on. Sabbath day I administered the Lord's Supper; between 40 and 50 partook; it was a time of deep feeling. The ordinance had not been administered for seven years before. The Methodist ministers held meetings last week and

intend to this week, so I will only attend the regular meetings.

J. NOBLE.

* December 21st.

MINISTERS' MEETING.—Monday, Dec. 14th, a Baptist Ministers' Conference was organized in St. John, composed of all ordained ministers of the Baptist and F. C. Baptist churches resident in St. John, Portland, and vicinity. The Conference is to meet fortnightly in the Baptist F. M. Room, 85 Germain St., kindly offered by Mr. J. March.

The object of the Conference is the consideration and discussion of all questions of interest to us as ministers of Christ. There is an executive of four members, whose duty it is to provide for the presentation of sermons, essays, criticisms of books, discussion of practical questions, etc., etc., for the criticism of the members.

Monday, Dec. 28th, the Seminary question was under consideration. The discussion was opened by Dr. Hopper. It is expected that each member will give a brief report of the spiritual condition of his church. The reports from the churches at the last meeting were full of hope, some having accessions, others expecting soon to experience a work of grace. Such a Conference has long been felt by some to be a necessity. Now that we have it, we hope it will prove to be all we anticipated.

The subject for discussion Monday, Jan. 11, is *The Salvation Army*, to be opened by Rev. J. A. Cahill, of Carleton.

If any of the ministers of either denomination chance to be in the city on the day of meeting, we trust they will come in among us. They will be welcome.

W. J. H.

CARLETON.—Rev. T. Connor spent last Sabbath with the church in Carleton, preaching in the morning. His excellent Gospel sermon was greatly appreciated. Our brother is standing in the light and power of the Gospel.

H.

NOVA SCOTIA.

REV. WM. MILLER, who for a number of years has been pastor of the Lower Argyle circuit, has accepted a call to Shag Harbour, Shelburne Co., and has entered upon his labours. We trust Bro. Miller may have success in his new charge as in former ones.

DEDICATION.—The new Free Baptist church at (Hegoggin, Yarmouth Co., was dedicated on Sabbath, the 20th December. The order of exercises was as follows:—The dedicatory sermon by Rev. Wm. M. Knollin, at 10.30 A. M.; prayer by Rev. J. I. Porter; Rev. W. C. Weston also took part in the exercises. At 2.30 P. M., Rev. E. Crowell preached; after which Deacon Nelson Corning, jr., spoke, extending a cordial welcome to all to come and enjoy the privileges of Divine worship, as the sittings are free. In behalf of the Church, and all interested friends, he extended thanks to all who have aided so willingly and liberally in building the house. At 6.30 P. M., Rev. J. I. Porter preached.

The services throughout the day were deeply impressive. The well arranged choir performed their part in a praiseworthy manner, adding much to the interest of the occasion. Mrs. Rufus Corning presided at the organ most efficiently. The weather was favorable. The meetings were largely attended. Much sympathy was shown. Good collections were taken for the building fund. The house is well adapted, being tastefully finished, substantially built, and of convenient size. Those who have had this work in charge have performed their part most successfully.

J. I. PORTER.

CHRISTMAS PRESENTS.—Rev. Jos. McLeod, pastor of Fredericton Free Baptist church, received a Christmas present of a fine fur cap and a fur-trimmed overcoat from members of his congregation. Of course he is as thankful as he ought to be. The young ladies of the Fredericton Methodist church showed their esteem for the pastor, Rev. Wm. Tippet, with a set of china. Postmaster McPeake, of Fredericton, was the recipient of a very handsome silver ice pitcher suitably engraved from his staff in the Post Office. Mr. B. C. Foster, who was for some time a teacher in the University, was presented with a handsome writing case by the students. Chief of Police Marshall was presented with a handsome fur set and a complimentary address by the men of the force. An elegant conch coat, made to order in Montreal, was presented to the Rev. J. K. King, by the Methodist congregation at Centerville, Carleton Co., N. B. Rev. Mr. Strothard, of Yarmouth, received a gold watch from his congregation. Rev. Mr. McKeel (Episcopal), of Keswick, was presented with a fur coat by friends in his parish.

Rev. W. W. Brewer was donated \$42.00 by his Newtown friends. The Douglas, York Co., friends of Rev. Mr. Seller (Methodist), made him a present of \$25.00. The Rev. E. D. Miller (Presbyterian) Lunenburg, was, after service on Christmas day, the recipient of a purse containing one hundred dollars, the gift of an anonymous friend. Rev. J. A. MacKenzie's (Presbyterian), friends in Victoria, a section of St. Matthew's congregation, Pugwash, on Xmas day, presented him with a very handsome fur coat, as a token of their respect and appreciation of his services. The friends at White's Cove, Q. Co., of Rev. Mr. Comben (Methodist), made him a present of \$60.00.

PERSONAL.—Hon. Edward Blake has returned from England. His health is evidently much better for the trip. Bishop Medley (Episcopal) passed his 81st birthday on Wednesday of last week. He is still well and active. It is stated that Hon. Alex. MacKenzie has so far recovered his health that he will be able to attend the coming session of parliament. This intelligence will be hailed with satisfaction by his many friends throughout the Dominion. Mr. Chas. L. Hartt, a well-known citizen of Fredericton, died last week. In the old stage days he was proprietor of a line between St. John and Fredericton, and he became widely known and popular. He was a man of integrity, a member of the Baptist church. He was brother of the late Rev. Samuel Hartt. Mr. Wm. Paisley, for many years chief clerk in the Post Office Inspector's Department, died on Tuesday of last week. Mr. Paisley was a good officer and deservedly esteemed. He was but 54 years of age. Hon. Adam Crooks, for years Minister of Education in Ontario, died on the 28th in a Lunatic Asylum at Hartford, Conn. He was 58 years of age, and was much esteemed as a worthy citizen and a faithful public officer, until disabled by disease.

POLITICAL NEWS.—The election in Kings County, on the 31st ult., resulted in the return of Hon. Geo. E. Foster by a majority of 381 over Mr. Donville. Mr. Foster's majority in June, '82, was 71; in Nov., '82, it was 282, and now it is 381. It is reported that T. W. Anglin will be invited by the Liberals of North Renfrew, Ont., to contest that seat for the Commons.

LITERARY NOTES.

THE HOMILETIC REVIEW for January begins the Eleventh Volume of this Magazine, and gives promise of a year of interest. It begins a symposium on the topic, "Has Modern Criticism Affected Unfavorably any of the Essential Doctrines of Christianity?" and Dr. Van Dyke, of Brooklyn, opens the discussion in an able paper. Dr. J. M. Ludlow contributes the first article to the Symposium on the "New Theology." Dr. Howard Crosby gives the first of a series of brief papers, "On the Advantages of Greek to the Average Clergyman." Dr. D. S. Gregory gives the last of his valuable series on Sabbath-school Bible Study. Prof. Alex. Winchell, LL. D., furnishes a scholarly paper, the fruit of great labor, entitled "Modern Writings Bearing on the Relation between Intelligence and Religion." Dr. Pierson gives the first of a series of brief articles called, "Seed Thoughts for Sermons." The "Three New Departments," "Homiletics," "Pastoral Theology," and "Study Table," will give increased value to THE REVIEW. The Sermon Section is quite up to the high standard. The Prayer-Meeting Service is fully sustained, and so of all the Editorial Departments. Published by Funk & Wagnalls, 10 and 12 Dea Street, New York. \$3.00 per year; 30 cents per single number.

STUCK WITH LIGHTNING. Neatly describes the position of a hard or soft corn when Putnam's Painless Corn Extractor is applied. It does its work so quickly and without pain that it seems magical in action. Try it. Recollect the name—Putnam's Painless Corn Extractor. Sold by all druggists and dealers everywhere.

SORE THROAT. To cure this oft-occurring trouble use Haygard's Yellow Oil internally and externally. Yellow Oil cures Croup, Asthma, Pain in the Side, Rheumatism, Neuralgia, Ear Ache, Deafness and all sore and painful complaints.

BILIOUSNESS. When the Liver does not act promptly the bile accumulates to excess in the blood, causing yellow eyes, sallow skin, sick stomach, diarrhoea, etc., and the sufferer is termed Bilious. Burdock Blood Bitters regulates the Liver, Stomach, Bowels and Blood, curing Biliousness.

A VICTORY SCORED.—Every time when Haygard's Yellow Oil is used for Rheumatism, Neuralgia, Aches and Pains, Sore Throat or Deafness, Frost Bites or Burns, a certain victory is the natural result.

The great lung healer is found in that excellent medicine sold as Bickle's Anti-Consumptive Syrup. It soothes and diminishes the sensibility of the membrane of the throat and air passages, and is a sovereign remedy for all coughs, colds, hoarseness, pain or soreness in the chest, bronchitis, etc. It has cured many when supposed to be far advanced in consumption.

CONSTIPATION. This evil habit neglected, brings a multitude of miseries, and is the source of much illness. Burdock Blood Bitters cures Constipation by toning and regulating the Bowels to a natural action.

Mr. W. Maguire, merchant, at Franklin, writes: "I was afflicted with pain in my shoulder for eight years—almost helpless at times—have tried many remedies, but with no relief, until I used Dr. Thomas' Electric Oil. After a few applications the pain left me entirely, and I have had no pains since. Do not take Electric or Electron Oils, but see that you get Dr. Thomas' Electric Oil."

HAGYARD'S PECTORAL BALSAM Cures Throat, Bronchial and Lung Diseases that lead to Consumption; breaks up Coughs and Colds; cures Hoarseness and Sore Throat, hyloosening the cough, allaying irritation and removing the cause of distress.

MALADIES MULTIPLY ONE ANOTHER. A simple fit of digestion may—especially if the constitution is not naturally vigorous—throw the entire mechanism of the liver and bowels out of gear. Sick headache follows, poisoning of the blood by bile ensues, and there is grave and serious disturbance of the entire system. Check the threatened dangers at the outset with Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, the medicine that drives every impurity from the blood.

DISTRESS AFTER EATING, a feeling of weight in the stomach—often painful, gnawing, burning sensations, belching of wind, sour eructations of food, variable appetite, etc., indicate Dyspepsia, which Burdock Blood Bitters, taken in time, will relieve and cure.

RAYMOND.—At Middle Simonds, Carleton Co., on the 20th ult., of typhoid pneumonia, John H. Raymond, in the 48th year of his age, leaving a wife and seven children.

LOWRY.—On the 23rd ult., at Petitodiac, N. B., of congestion of the lungs, Ida, beloved wife of J. W. Lowry, in the 24th year of her age, leaving a sorrowing husband, two small children (one only four months old) and a large circle of friends to mourn their loss.

PALMER.—Alonzo Palmer was instantly killed the 9th of December by the falling of a tree, on the Tobique River, and was brought home to his parents the 12th. He left his father's home in Hampstead, in September, and went into the woods with Mr. Day, and drove teams. As the other men were felling a tree, he stood near, and was instantly killed. He was thirty-five years old. He professed religion young. In going into the woods he took his Bible with him, and he and another young man formed a Bible Class, and every evening as well as on the Sabbath, read the Bible until they read it through. These, with other hopes, should be a comfort to his sorrowing parents.

EBBERT—Elizabeth Greer, widow of the late Elijah Ebbert, of Houlton, Me., departed this life at the residence of her son, Sister Elzbe, Nov. 9th, aged 84 years. Sister Ebbert was a native of New Brunswick and moved into this County (Aroostook) many years ago, when the County was comparatively new, and experienced with her husband and children many peculiarities of pioneer life. She watched with interest the growth and development of the County, and noted its increasing advantages of each succeeding generation. In early life she professed faith in Christ and was baptized by the Rev. Sam'l Hart of blessed memory, during an extensive revival in Grandtown, Queen's Co., N. B., and united with the P. C. Baptist Church of that place. Her experiences were of a doubting character, but as the time of her departure drew near her soul was filled with the glory of God, and so triumphantly passed away. She had been an honored member of the Free Baptist Church, of Houlton, since its organization, and it was a touching sight on the Sunday evening following her burial to witness the reception of one of her daughters into the church, thus filling up the broken ranks.

WORDEN.—At Johnston, Queen's Co., on the 20th of Dec., Thomas C. Worden, Sr., aged 85 years and 4 months, leaving a widow and six surviving children, with a large number of grand and great-grand children, to mourn their loss. Bro. Worden professed religion upwards of fifty years ago, and when the third F. C. Baptist Church, at Johnston, was organized he became one of its members, and continued so until his death. For a number of the last years of his life he was a great sufferer, having lost both his eyesight and reason, but was often heard to say in his rational moments, with tears in his eyes, that he did believe the God who was precious to him in the days of his youth, would be with him in his grey hairs.—Com.

CLIFF.—In Fredericton, on the 23rd ult., after a lingering and painful illness, Jacob, aged 32 years, son of Mr. William Cliff, formerly of Lower Queensbury. He was a Christian, and died in the faith of the gospel.
