

We join with them in hoping it may be in contributions to the funds and in the spread and strengthening of missionary interest better than any of its predecessors.

GENERAL RELIGIOUS NEWS.

—A YOUNG LAYMAN, an earl's son, and an accomplished Oriental scholar, proposes to establish a mission at his own expense among Mohammedans in Arabia and to be director of it in person. He is an elder in the Free Church of Scotland.

—THE METHODIST denomination is said to build a church a day. The Baptists do as much. Probably not less than five million dollars a year are expended for churches. The notable thing about this expenditure is that it is not made at all for selfish individual purposes, but wholly for the benefit of the public.

—THE REV. GEORGE MULLER, of Bristol, England, who is now in Australia doing the work of an Evangelist, is, perhaps, doing the best work of his life. He has reached his 82nd year in vigorous health and strength. He was wrongly reported to have died in Australia a few weeks since.

—BROOKLYN is growing famous for its long pastorate. Rev. Dr. R. S. Storrs has been pastor of the Congregational Church of the Pilgrims since it was founded forty years ago. Rev. Henry Ward Beecher has been with his people thirty-nine years. Rev. Dr. Samuel M. Haskins, rector of St. Mark's Episcopal Church, began his ministry with his present charge forty-seven years ago, while Rev. Sylvester Malone of the Roman Catholic Church of Saints Peter and Paul, has served in his present charge over forty years.

—SEVERAL reasons have been assigned for the recent disturbances and mobbiings of the missionaries in China. One of the alleged reasons is the mobbing of Chinese laborers in America; another is the rivalry and jealous machinations of Catholic and Protestant missionaries against each other; another is the alarm and resentment felt over foreign aggressions and invasions; and it is now said that one disturbance at least was caused by the Roman Catholic bishop's obstinacy in putting brick into his cathedral of a yellow color—the sacred color of the people—after he had been warned not to do so. Even if this charge is true, although it does not argue much for the wisdom of the bishop, it indicates that it was rather a pretext on the part of the mob than a cause of the massacre.

Denominational News.

NEW BRUNSWICK.

REV. G. W. McDONALD has been having a vacation of about ten days. He went up river as far as Woodstock.

REV. J. E. REUD has been quite unwell for some time. He is not yet able to attend to all his work. The doctor has advised him to rest as much as possible. He hopes to be all right soon.

REV. T. O. DEWITT writes that his health is better. He says: "I never felt better in my life. I feel like work; and the prospect is very fair for good, honest labor and revival to follow."

REV. E. B. GRAY who has been laboring in Kings County for two or three years has now returned to his old home near Centreville, C. Co. He moved up last week. His plans of work for the present year are not yet determined.

CONGRATULATION. At a meeting of the Union Baptist Conference, of this city, on Monday, 24th inst., the following resolution was moved by Rev. C. Goodspeed, seconded by Rev. J. A. Gordon, and unanimously carried: Resolved, That this conference learns with extreme pleasure that our dear brother, Rev. J. T. Parsons has consented to withdraw his resignation of the pastorate of Waterloo F. C. B. Church, and that we are still to have his presence with us at our Conference meetings. We also take this opportunity to extend to him assurance of our warmest personal esteem and confidence, and hope that he may be abundantly blessed in his way.

JOURNALISTIC. —The North-West Baptist is the name of a small monthly published in Winnipeg under the direction of the Baptist Convention of Manitoba and the N. W. Territories. It is now in its second year. Probably before many years it will develop into a weekly. We hope so. Rev. A. A. Cameron, Pastor of the Baptist Church in Winnipeg, is the editor. He does his work well. We heard him preach one Sabbath morning in September, and he did that well too. Success to the little paper.

PERSONAL.—We congratulate our young friend Lewis on his success as indicated in the following which we clip from the Moncton Times: Ernest Lewis, of Moncton, who studied in the Fredericton Normal School, stands ninth among the four-teen prize winners for the junior Munro bursaries, Dalhousie College, Halifax. He takes the nice little sum of \$300. Mr. Lewis is a son of Mr. William J. Lewis, of this town, and taught school here for about two years. He has been in Dalhousie but a very short time, and deserves a great deal of credit for his achievement.

We tender our congratulations to the editor of the Telegraph on the happy event noticed in another column.

SUNDRIES.—The sales of cut flowers in New York City in 1885 amounted to \$3,000,000. The Emperor of Russia has sent M. Pasteur the sum of \$20,000 for his hydrophobia hospital. Some things are more valuable when they are upside down. A figure six, for instance. There are about 300,000 school teachers in the United States. The Empress of Japan has determined to wear European dress on certain ceremonial occasions.

LITERARY NOTES.

COMING TO THE KING is the title of a volume of hymns, by Frances Ridley Havergal and others, issued by the Willard Tract Depository, Toronto. Everything Miss Havergal ever gave to the public, whether in poetry or prose, is pure, sweet, helpful, elevating. The selections in this volume are well chosen; and those from other writers do not mar the book. The book is beautifully arranged, and handsomely printed in several colours and gold. It is just the thing for a gift book. Price \$1.00. S. R. Briggs, Toronto, publisher.

Readings from Milton, with an introduction by Bishop Henry White Warren; a diagram and explanation of Milton's Cosmogony; and a biographical sketch. Boston: Chautauqua Press (Rand, Avery & Co.) 1 vol. 16 mo. 75 cents.

This is the first volume of the second quartette of books composing the Garnet Series of supplementary readings for the Chautauqua course. Almost every one knows something of this great Chautauqua movement, a university of 50,000 scholars, all studying at their homes, in every state of the Union, a line of prescribed themes, simultaneously, and unified in aim and system by an efficient and active central board of administration. Thousands of these earnest students are men and women close upon or even beyond the prime of life, whose engagement upon a four years' course of study is significant of strong determination of character and thirst for learning.

The first group of the Garnet Series, published last year, included four volumes: "Readings from Ruskin," "Readings from Macaulay," "Art, and the Formation of Taste," and "Michel Angelo." These met with such high success with the public in general as well as Chautauquians, that the Chautauqua press has arranged another group of four for the present year, as supplementary readings for the English literature course, which will be the chief feature of the C. L. S. C. for 1886-7.

They present the best and choicest work of five great authors—Milton, Roger Ascham, Thomas Arnold, Goldsmith, and Addison,—selected and to some extent annotated by well-known American scholars.

"Readings from Milton" is a handy and handsome book of over 300 pages, including the whole of "Paradise Lost," the "Hymn of the Nativity," "Lycidas," "L'Allegro," "Il Penseroso," and a cluster of Milton's incomparably beautiful sonnets. It is safe to say, that whoever reads carefully this volume will have a clear idea of the greatest English poet, and will have enriched his mind with some of the grandest and most exalted ideas in our language.

Besides issuing only the best books, the Chautauqua Press aims to issue them in exceptionally good style and at low prices, so that this Garnet Series of books at 75c. per vol. are to be commended to all who are seeking the best books for libraries or gifts.

Deaths.

GOOD.—At Millstream, Lottie M., youngest child of J. E. and Anne M. Good, fifteen months old, after a short and violent illness.

FULTON.—At Knoxford, Carleton Co., October 12th, after a lingering illness, Sarah E., beloved wife of Deacon Thomas Fulton. Her end was peace. Sister Fulton professed the religion of Jesus some years ago under the labors of Rev. G. W. McDonald, was baptized by him and united with the F. C. Baptist Church at Knoxford, and remarried a worthy member until her death. She passed quietly away and fell asleep in Jesus. She leaves an aged husband and a number of children, to mourn her removal; but their loss is her eternal gain. May this dispensation of Divine Providence be blessed to the good of all concerned. Especially may our dear brother, the husband, be comforted in this hour of his affliction and bereavement.

As the pastor of the church was absent, the funeral was attended on the 23rd ult., by Rev. A. Taylor, and a sermon was preached to a large and respectable audience from Prov. 14 chap. last clause of the 32 verse, "But the righteous hath hope in his death."

BROOKS.—On the 18th ult., at Southampton, York Co., suddenly, of a severe affection of the brain, Mr. Rankin D. Brooks, Esq., Coroner, son of the late Dow Brooks. He was sick only three days. At first no danger was apprehended, but in a few hours it was apparent that he must die. He leaves a widowed mother, three sisters, two brothers and a large circle of relatives and friends to mourn their loss. He was a loving, dutiful son, an affectionate brother and an obliging and kind neighbor and a worthy citizen. He is a man that will be much missed in the community.

His funeral was attended by a very large concourse of people, and the Rev. Wm. Downey preached an appropriate sermon from a part of the second verse of the sixty-first psalm, "When my heart is overwhelmed, lead me to the Rock that is higher than I." Revs. A. H. Traflet, Trafton, and S. A. Baker (Free Baptist) and Rev. Launders Young (Baptist) were present and took part in the services.—Com.

GORHAM.—At Greenwich, Oct. 22nd, Deacon Daniel E. Gorham, aged sixty-seven (67) years, departed this life after a short but severe illness.

Our deceased Bro. professed the religion of Christ thirty-seven (37) years ago, and was baptized by the late Rev. B. Merritt, and united with the F. C. Baptist Church. After seven (7) years of Christian experience he was elected deacon, which office he faithfully filled until death. Of him it may be said that he was a good man and walked with God, earnestly desiring to prove himself an exemplary Christian. He was respected by all who knew him, and looked upon as a man of God, whose respect was evidenced by more than mere words. He was always ready to take his part in the social and public worship in God's house. A pillar of the church has passed away whose loss will be severely felt. He was loyal to his church, but yet he loved all who loved the Lord Jesus Christ. He leaves a sorrowing widow, three sons and two daughters to mourn their dear loss.

The funeral, which was largely attended—attested to the fact that he was a man beloved and respected by all—took place on the Sabbath, 24th ult. The services were conducted by Licentiate Gideon Swin, who preached a very appropriate sermon on the occasion. The text was II. Tim. iv, chap. vi, verse, "I have finished my course." He was assisted by the writer.

BELEYA.—On the 12th ult., at his residence, Windsor, Carleton Co., Mr. Lorenzo Beleya, in the 36th year of his age, youngest son of Deacon John Beleya and brother of the wife of T. O. DeWitt. For two years or upwards he suffered as much pain, perhaps, as any man could endure in that length of time; while working in the woods loading logs one fell on him, and before he sufficiently recovered he went to work again and was caught out in a heavy rain and snow storm and took cold. It settled in his back and hip, which was still an enormous size. Two years ago last winter, when the writer was laboring in a revival at Rockland, he experienced religion and was baptized. I visited him frequently on his sick bed and never witnessed such an example of patience; he was engaged with me in prayer and thanked the Lord that it was as well with him as it was, and so passed away trusting alone in the blood and righteousness of the Lord Jesus Christ.

His funeral was attended by a large congregation; sermon by Elder Perry, pastor of the F. C. B. Church, of which deceased was a member. He leaves to mourn his loss a sorrowing wife, two children, an aged father, one brother, one sister, and a large circle of relatives and friends.

THE REBELLION

In the Northwest has been suppressed and our citizens can now devote reasonable attention to their corns. The only sure, safe, and painless remedy is Putnam's Painless Corn Extractor. It never fails; never makes sore spots worse than the original discomfort. See that you get "Putnam's" and take none other.

The price of the photograph of ministers referred to last week is \$1.

ADVICE TO MOTHERS.—Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of Cutting Teeth? If so send at once and get a bottle of "Mrs. Winslow's Soothing Syrup" for Children Teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it mothers; there is no mistake about it. It cures Dysentery and Diarrhoea, regulates the Stomach and Bowels, cures Wind Colic, softens the Gums, reduces Inflammation, and gives tone and energy to the whole system. "Mrs. Winslow's Soothing Syrup" for children teething is pleasant to the taste and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price twenty-five cents a bottle. Be sure and ask for "MRS. WINSLOW'S SOOTHING SYRUP," and take no other kind.

TRY IT.

Two of the most troublesome complaints to relieve are asthma and whooping cough, but Hagar's Pectoral Balsam seldom fails, either in those, or other prevailing throat and lung troubles. All dealers in medicine have this remedy for sale.

A cough or cold taken between now and Christmas frequently lasts all winter. This is certainly the case with people who have weak lungs. The most convenient, reliable and inexpensive remedy is Johnson's Anodyne Liniment. It is to be used internally and externally.

Mr. W. Maguire, merchant, at Franklin, writes: "I was affected with pain in my shoulder for eight years—almost helpless at times—have tried many remedies, but with no relief, until I used Dr. Thomas' Electric Oil. After a few applications the pain left me entirely, and I have had no pains since."

Messrs. Slott & Jury, Chemists, Bowmanville, write: "We would direct attention to Northrop & Lyman's Vegetable Discovery, which is giving perfect satisfaction to our numerous customers. All the preparations manufactured by this well-known house are among the most reliable in the market."

A RADICAL CHANGE.

Daniel Sullivan, of Malcolm, Ont., takes pleasure in recommending Burdock Blood Bitters for dyspepsia. It cured him after years of suffering. From being a sceptic he is now a confirmed believer in that medicine.

A WIDE RANGE.

A wide range of painful affections may be met with Hagar's Yellow Oil. James M. Lawson, of Woodville, Ont., speaks of it in high terms for rheumatism, lame back, sprains and many painful complaints too numerous to mention. It is used internally or externally.

It is a remarkable fact that Dr. Thomas' Electric Oil is as good for internal as external use. For disease of the lungs and throat, and for rheumatism, neuralgia, crick in the back, wounds and sores, it is the best known remedy, and much trouble is saved by having it always on hand.

Jacob Leockman, Buffalo, says he has been using it for rheumatism. He had such a lame back that he could do nothing; but one bottle entirely cured him.

Great results are speedily accomplished by the leading alterative, Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure. Indigestion ceases, biliousness disappears, constipation gives place to regularity of the bowels in consequence of taking it. Ladies suffering from complaints peculiar to their sex experience long wished for relief from it, and impurities in the circulation no longer trouble those who have sought its aid. Give it a trial and you will not regret it.

A CURE FOR CROUP.

It is a valuable fact for mothers to know that there is no better or more certain remedy for croup than Hagar's Yellow Oil used internally and externally. This handy household remedy may be had of any druggist.

No one need fear cholera or any summer complaint if they have a bottle of Dr. J. D. Kellogg's Dysentery Cordial ready for use. It corrects all looseness of the bowels promptly, and causes a healthy and natural action. This is a medicine adapted for the young and old, rich and poor, and is rapidly becoming the most popular medicine for cholera, dysentery, etc., in the market.

WORTH REMEMBERING.

There is probably no better relaxing remedy for stiff joints, contracted cords, and painful digestion, than Hagar's Yellow Oil. It cured Mrs. John Siddle, of Orton, Ont., who was affected for years with contraction of the bronchial pipes and tightness of the chest. It is the great remedy for internal or external pain.

Last winter we warned our readers against buying the large packs of worthless horse and cattle powders, and as it is now time to begin to use them, we again urge them not to throw away their money. Sheridan's Powders are strictly pure, but we know of no other that are.

THE SCOURGE OF AMERICA.

The one terrible blight of our country is scrofula—from impure blood—it causes consumption and many wasting, lingering and fatal diseases. Burdock Bitters cures scrofula if taken in time.

The most serious outcome of modern social life is the prevalence of Dyspepsia and Indigestion. No one is altogether free from one or the other of the manifold forms in which this scourge attacks the human body, and it would seem that no dietetic rules can be framed which would ensure deliverance from the insidious attacks of this foe, which, however mild, are liable to pass into the more confined or chronic state of the complaint particularly when they occur frequently or are neglected. Every person suffering from Indigestion, Dyspepsia, Stomach out of order, Costiveness, Sick Headache, Loss of Sleep, Wakefulness, Jaundice, Bilious Complaint, Bad Breath, Loss of Appetite, etc., should try
