

DENOMINATIONAL NEWS.

REV. T. O. DEWITT writes: "I baptized four converts on the 22nd. The prospect is good; there are more to follow."

ACKNOWLEDGEMENT.—I beg to acknowledge in your valuable paper the receipt of a valuable present to me from the people of this (North Head) community. Last Sabbath (8th inst) at the close of the Sunday School Session Elder H. H. Cosman gave us a brief address and presented to me in behalf of the people and pupils a beautiful copy of Young's "Analytical Concordance" to the Bible, unabridged, and also seventeen dollars in cash as a token of respect, and for which I wish to publicly record my sincere thanks. My prayer is that God's rich blessing may descend upon this place more abundantly. We are having good times; we know what the Bible means when it says, "happy is that people whose God is the Lord." The special meetings, are mostly discontinued on account of business, but our regular meetings on Sundays and Wednesdays still hold the power, and we have real Spiritual Meetings. Glory be to God. His treasury is always full, and He loves to bestow; we cannot ask too much. The "Salvation Army" is still working for the Lord. MAGNUS GREEN.

A few days ago, when a lady was collecting in the East of Scotland for the Queen's Jubilee testimonial, she called on a woman who said she understood the Queen was going to put up a monument to "her man" with this money and she herself had two men in the Kirk-yard, and no headstone to any of them; and she didn't see the use of giving the Queen money to do that.

Bro. Merritt was baptized a few years ago by Rev. B. Colpitts and became a member of the Hampstead church. The writer visited him once in his sickness, and found him trusting in his Redeemer. Among a number of the last words he spoke to us on leaving his room were, "Though he slay me yet will I trust in him." The disease, cancer, gradually drew him to the close of his earthly life. He died in the Gospel's triumph.—N.

Backache, stitches in the side, inflammation and soreness of the bowels are symptoms of a disordered state of the digestive and assimilative organs, which can be corrected by the use of Ayer's Cathartic Pills.

A sound body and a contented mind are necessary to perfect happiness. If you wish to possess these, cleanse your blood with Ayer's Sarsaparilla. It is perfectly safe to take, and is a thoroughly reliable, highly concentrated, and powerful blood purifier.

Mr. R. C. Winlow, Toronto, writes: "Northrop & Lyman's Vegetable Discovery is a valuable medicine to all who are troubled with indigestion. I tried a bottle of it after suffering for some ten years, and the results are certainly beyond my expectations. It assists digestion wonderfully. I digest my food with no apparent effort, and am now entirely free from that sensation, which every dyspeptic well knows, of unpleasant fullness after each meal."

Mrs. E. H. Perkins, Greek Centre, Warren Co. N. Y., writes: She has been troubled with asthma for four years, had to sit up night after night with it. She has taken two bottles of Dr. Thomas' Electric Oil, and is perfectly cured. She strongly recommends it, and wishes to act as agent among her neighbors.

A. Maybe, Merchant, Warkworth, writes: I have sold some hundreds of bottles of Dr. Thomas' Electric Oil, and it is pronounced by the public "one of the best medicines they have ever used." It has done wonders in healing and relieving pain, sore throats, &c., and is worthy of the greatest confidence.

There are so many cough medicines in the market, that it is sometimes difficult to tell which to buy; but if we had a cough, a cold or any affliction of the throat or lungs, we would use Bickel's Anti-Consumptive Syrup. Those who have used it think it is far ahead of all other preparations recommended for such complaints. The little folks like it as it is as pleasant as syrup.

A physician of large practice says of Ridge's food: "I can say of this preparation of food that it has never failed me, or failed to agree when given strictly according to my directions. With scrupulous care, there need be very little trouble from bowel complaints; and to this I ascribe the fact that I have never lost a child with any form of diarrhoea or cholera infantum." This is the testimony of thousands who have successfully reared their little ones on it. Give it a test.

JAMES PYLE'S PEARLINE is universally approved by those who use it for its admirable cleansing properties and the relief it affords in washing clothes. Sold by grocers everywhere.

TRY IT.

"What shall I do for this distressing Cough?" Try Hagyard's Pectoral Balm; it is soothing and healing to the throat and lungs, and loosens the tough mucus that renders breathing difficult or painful.

B. B. B. STOOD THE TEST.

"I tried every known remedy I could think of for rheumatism, without giving me any relief, until I tried Burdock Blood Bitters, which remedy I can highly recommend to all afflicted as I was." Henry Smith, Milvont, Ont.

WEATHER PROBABILITIES.

It is probable that in the breaking up of winter we shall have much damp sloppy weather, when rheumatism, neuralgia, sore throat and other painful complaints will prevail. Hagyard's Yellow Oil is the popular household remedy for external and internal use. Its curative power is truly wonderful.

WORTH REMEMBERING.

Mrs. T. Doan, of Harrietsville, Ont., was for a long time troubled with neuralgia of the stomach. Failing to find benefit from physicians, she tried Burdock Blood Bitters, from which she found speedy relief, to which she testifies, hoping it may prove beneficial to others. Many physicians recommend B. B. B.

DOMESTIC ECONOMY.

As a matter of economy it will pay every household to keep a bottle of Yellow Oil on hand for accidents and emergencies, in case of pain as a handy relief, and for wounds, burns, bruises and injuries. Rheumatism, neuralgia, quinsy and many painful diseases treated internally and externally by it often save large medical bills.

A REMARKABLE CURE OF DEAFNESS.

Parkman, Me.
Messrs. I. Johnson & Co.,—Gentlemen,—I am going to tell you about my case in part. Some thirty years ago I used to be troubled with cough, and threw up mucus, junk of hard matter. People said it was catarrh. I took Dr. Marshall's Snuff. It would make me sneeze, and give relief for a short time; but the trouble grew worse. Some fifteen years ago it got so bad that I had to breathe out of my mouth. Ten years ago it caused partial deafness, which increased, and for the last six or eight years I have been stone deaf in my right ear, and very hard of hearing in my left ear. I have taken doses of physic powders, and pills, from various physicians, and applied blisters, with only temporary relief. But of late I am getting permanent benefit—for I have been taking Johnson's Anodyne Liniment for the last five months. In a short time after I commenced taking it and applying it to the ear according to the directions, there appeared to be a large round substance in my right ear got loosed from its fastening, and would move round as my head was in different positions. It continued to grow smaller; and, about forty days since it was all dissolved and gone, and I can hear as well as ever I could. Your liniment was the cause of my recovering my hearing; and it has done more for me than anything else. I will make oath to the truth of these statements any time. Dr. Stevens of this place advised me to write and tell you what the liniment had done for me; and I concluded to write, for it might do somebody some good. Yours gratefully.

E. M. HANES.

HAS EFFECTED AN ENTIRE CURE.

Brooklyn, N. Y.

Dear Sirs,—I have pleasure in stating that Johnson's Anodyne Liniment, of your store, has effected an entire cure of my deafness when other previous remedies failed.

Your Children

Are constantly exposed to danger from Colds, Whooping Cough, Croup, and diseases peculiar to the throat and lungs. For such ailments, Ayer's Cherry Pectoral, promptly administered, affords speedy relief and cure.

As a remedy for Whooping Cough, with which many of our children were afflicted, we used, during the past winter, with much satisfaction, Ayer's Cherry Pectoral. For this affection, we consider this preparation the most efficacious of all the medicines which have come to our knowledge.—Mary Parkhurst, Preceptress, Home for Little Wanderers, Doncaster, Md.

My children have been peculiarly subject to attacks of Croup, and I failed to find any effective remedy until I commenced administering Ayer's Cherry Pectoral. This preparation relieves the difficulty of breathing and invariably cures the complaint.—David G. Starks, Chatham, Columbia Co., N. Y.

I have used Ayer's Cherry Pectoral in my family for many years, and have found it especially valuable in Whooping Cough. This medicine allays all irritation, prevents inflammation from extending to the lungs, and quickly subdues any tendency to Lung Complaint.—J. B. Wellington, Plainville, Mich.

I find no medicine so effective, for Croup and Whooping Cough, as Ayer's Cherry Pectoral. It was the means of saving the life of my little boy, only six months old, carrying him safely through the worst case of Whooping Cough I ever saw.—Jane Malone, Piney Flats, Tenn.

On his last observation trip, Mr. McFarlane stopped over at Gananoque, Ontario. He will tell you many interesting, and to us satisfactory, things of what he saw there, if you ask him. This is what he gave us for publication:—

ST. MARY'S YORK CO., N. B.,

MESSRS. JOHNSTON & CO.,
Fredericton, N. B.

DEAR SIRS:—

In answer to your inquiries about the Gananoque Carriage Co., I beg to say that I spent two days at Gananoque last October, and was quite surprised at the magnitude of their factory, and the very thorough and skillful way in which all work is done there.

Before visiting the place I was prejudiced against their carriages, but now I am satisfied that no concern turns out carriages made of better stock, or that are better put up and finished. I looked over their stock of materials and pronounced it first class. Very severe tests of the wheels were made by me and others with samples taken at hazard out of a big stock, but we could not find any weakness or defects. I can heartily recommend the Gananoque Co's carriages to everybody.

Yours truly,
WALTER MCFARLANE.

MESSRS. C. GATES, SON & CO.:

GENTLEMEN,—This is to certify that about a year ago I was suffering with what the Doctors said was Liver Complaint, and had tried medical treatment all to no purpose, but continued growing worse, and thought I should never be well again. A friend persuaded me to try your medicines, and I felt so badly that I knew something must be done, so I purchased a bottle of your No. 2 BITTERS and one of your No. 1 SYRUP, and before I had taken half I felt like a new being and when I had finished them I felt as well as ever.

I would recommend them to the public as an invaluable remedy.
