We are authorized by advice received from I. S. Johnson and Co., Boston, to say that they have for three years offered poultry raisers, premiums payable in gold coin, for the best result obtained from using Sheridan's Powder to make hens lay. Their object has been to satisfiy themselves beyond the shadow of a doubt, that the claim made by them that "Nothing on earth'will make hens lay like Sheridan's Powder," was positively true. The hundreds of testimonials sent them from people who have used the Powder, proved the statement; so that it seems folly to again offer premiums; but so many persons, especially women who keep a few hens, have made such good showing in former trials, and been beaten by some one else by slight fraction in average, that in justice they ought to have another trial. Johnson and Co. have devised a plan cash and six times as many Gold Coin Premiums as last year. The larger It was once supposed that scrofula preminm is \$50.00. It is well worth trying for.
