THE UTMOST PARTS OF THE EARTH PRAISE

## WARNER'S "SAFE" CURE!

## Merit wins!

In the past decade H. H. Warner, who was restored to health from an "incurable Kidney disease" by what is now known as Warner's Safe Cure, and made a vow that he would spread its merits before the entire world of sufferers - has seen the most signal proof of the world's need of a Scientific Kidney Specific. All nations recognize and welcome Warner's Safe Remedies as standards of the highest excellence because their curative effects are PERMANENT - a sure proof of power and merit. Read a few of their voluntary testimonials. They speak a varied language, but tell a common story:

**FRANK STUART**, 28 Free School Street, CALCUTTA, INDIA. "In 1875 was prostrated with a sudden attack of liver trouble. From 75 to 81 I had twenty of these terrible attacks. On the way to Yarnmouth, Capt. Connor of the 'Geukai Maru' recommended me to use Warner's Safe Cure. After using 15 bottles, I had a sound, hearty appetite, thorough enjoyment of life, things to which I had been a stranger for six long years."

**GEORGE BICKNELL**, Editor, Daily Telegraph, MELBOURNE, AUS., the great Australian Daily, March 30, 1888, wrote: "Work of a sedentary character for 20 years developed unpleasant symptoms of illness, of the Liver and Kidneys. I used Warner's Safe Cure, which speedily relieved me of the unpleasant symptoms, remedied my Dyspepsia, bettered my appetite, increased my enjoyment of life and work. It is a most valuable medicine and I have no hesitation in recommending it."

**DR. GUSTAV WEBER**, of Dessau, Duchy of Anhalt, GERMANY, May 30, 1887, writes: "For several years I have suffered with inflammation of the Kidneys, Rheumatic Pains, etc., for which I go every summer to Carlsbad, and find a little relief. To this suffering is added a Diabetes Mellitus (sugar diabetes), which appears alternately with Rheumatism. With the use of the 15th bottle of Warner's Safe Cure I have completed my cure, for which I am greatly indebted to you. My general health has apparently been restored. I repeat with this my sincere gratitude."

**REV. HENRY PLUME**, M. A., Archdeacon, Townsville, NORTH QUEENSLAND, Oct. 15, 1887, writes: "During my long bush tours I have come across many wonderful cures effected by Warner's Safe Cure. For fever, so prevalent in the bush, it seems to be a certain cure. From what I have seen on my late trip, I should never start on a journey without my pack being furnished with a bottle."

**GEO. THORNE**, Ex-Premier, QUEENSLAND, at Ipswich, Sept. 2, 1887, writes: "I have recommended Warner's Safe Cure to many people who have suffered from different complaints, and in every case a cure has been effected. Personally I have used the medicine and derived the greatest benefit from it."

H. H. Warner & Co. point with pride to the World-Round Fame of Warner's Safe Cure. They offer the above as genuine in all respects and is true so far as they know, with \$5,000 for proof to the contrary.
