## A few weeks ago we sent reminders

to those whose subscriptions are past due, asking for payment before the end of September. We have to thank those who have so readily responded.

The number of those from whom nothing has yet been heard is large. We are anxious to hear from them, we need to hear from them; and we are therefore compelled to repeat in this way the request that they will, with-A .. ments.

## News of the Week.

### NEW BRUNSWICK.

The collector of customs at the port of Moncton, on Saturday last, seized burne Co, by a majority over Mr. and confiscated a few copies of the Congdon. Police Gazette of New York, and the Illustrated Police News. The papers were forwarded through the mails. A heavy penalty attaches to the importation of such literature.

Frederick L. Dibblee, C. E. eldest son of the late George J. Dibblee, of Fredericton, died recently in Calcutta, India. He had been 24 years in the civi service of the British government.

Maggie Pierce, the young woman whose scalp was torn from her head several months ago in St John, is still an inmate of the hospital. The process of skin-grafting, which was begun on her head soon after she entered the institution, has not been as successful as the physicians would wish: a very small portion of the transferred skin has adhered, in consequence of the granulations having been so badly torn, and it begins to look doubtful whether the scalp can ever be covered by this

It is reported that the C. P. R. Company is endeavoring to secure a lease in perpetuity of the cantilever bridge across the Falls. Several attempts have been made to obstruct the track of the Central Railway near
