

News of the Week.

NEW BRUNSWICK.

Rev. J. A. Gordon, the general superintendent of the Union Baptist Education Society has, obtained three subscriptions of \$500 each, one of \$100, seven of \$50, and two of \$25, towards the work of the new seminary to be opened shortly at St. Martins. Other persons are contemplating giving large subscriptions. Applications are coming in daily from students desiring admission to the school.

A party of young men from this city including William Sutherland, Oliver Belyca, Duke Haines and Herbert Coulthard went out in a sail boat for a trip up river. When they were just above the scene of the previous Sunday's fatal drowning accident their boat upset. Two other boats happened to be within a short distance from where the accident happened, and all hands were rescued.

Mr. Taylor photographer of Fredericton has gone to the Renous to take photographic views of Messrs. Hartzog and Storey's fishing waters and camps. These New York sportsmen do not intend leaving the Renous for some weeks yet. Through their representations many other New Yorkers are interesting themselves in New Brunswick fishing waters.

Yacht Camilla, owned by Wm. Thompson, of Rothesay, filled and sank at the entrance to the Kennebecasis. The occupants were rescued by a passing boat. Results of Sunday pleasuring.

The customs receipts for the month of July show an increase of \$10,338.09 as compared with the same period of last year. The following is the statement:

1887.	1888.
Customs.....	\$50,295 36 \$60,714 54

Gauging Fees.....	21 50
	\$51,042 94 \$61,381 03

The death of Mr. William Isaac Stevens, for many years a resident of St. John, occurred in St. Stephen, on Saturday last. The deceased, when a young man, entered the employ of Harris & Co., and continued with them as clerk for a period of nearly 35 years. He was 82 years old when he died. When in his prime Mr. Stevens was one of our best known citizens in St. John.

Barque "C. E. Robinson," before reported put back to Wilmington, Del., in distress, has been surveyed and condemned. She is 531 tons register, and was built at Gardner's Creek, St. John Co., in 1876, and owned by Messrs. Fred. E. Sayre, A. Sinclair and others.

The Baptist mission hall, Marsh bridge, was dedicated by Rev. James Spencer in the presence of a large gathering. The collections, through the exertions of Rev. Mr. Gordon, netted \$325, leaving \$45 yet to be collected. The audience hall will seat about 350 persons and the building altogether is a fine one.

The residence of Isaac Snodgrass, Young's Cove, Grand Lake, was totally destroyed by fire, together with all its contents, on Sunday morning 29th ult. Four barns, all in the immediate vicinity of the house, had a narrow escape. Bruce Snodgrass, while assisting in helping to save one of the barns, fell from the roof of one and received severe injury.

Contractor Stewart is busily engaged getting everything in readiness to commence work on the Tobique Valley Railroad. All the plant and machinery have arrived, and Mr. Stewart is employing a large number of men. He expects that work will be begun in a week or two, when it will be pushed rapidly along.

It is reported that numerous trespasses are being made this season on crown lands by parties who haul short timber and then drive the same down stream during the autumn and thus escape the government scales. Two trespassing parties are now at work getting sleepers and shingles on the Pemwet, one of the branches of Green River, which empties into the St. John eight miles below Edmundston.

NOVA SCOTIA.

A cold spell struck Halifax on Saturday 28th ult., and developed into an Arctic wave Sunday, which was a bleak and dreary last-of-November day with heavy rain and high wind rather than a balmy hay day. The thermometer dropped as low as 41, and its highest point during the 24 hours was 61.

A St. John despatch to the Halifax Herald states that the Western Union has received from Judge Tuck an injunction restraining the erection of a telegraph line by the Canadian Pacific Company along the route of the New Brunswick railway, in this province.

Moir's grist mill and elevator and Mason's saw mill, at Bedford, N. S., were burned Sunday morning. The loss is estimated at \$30,000; no insurance.

The Yarmouth Times of Friday says: The Georgiana, Captain Hiliare LeBlanc, arrived last week with 225,000 lbs fish, and the Beatrice, Captain Goodwin, with 200,000. Both have sailed on a second trip. The Onyx, Captain Caleb Hines, landed 250,000 lbs. on Wednesday, and the Florence B. Parr, Captain Ryder, arrived yesterday with 170,000 lbs.

A. N. Greenfield of the Department of Railways was drowned in the Rideau canal at the exhibition grounds, while bathing. He was at his office as usual in the morning and after luncheon drove up to the canal with three companions for a dip. He and Chas. Kelly went in first, the others remaining on the bank. Greenfield, on entering the water, which is 18 feet deep, swam down about thirty yards and returned. Kelly was behind him at the time. They were splashing each other good naturedly when suddenly Greenfield appeared to have lost his strength and disappeared beneath the surface without a struggle. He formerly belonged to Amherst, Nova Scotia, where his body will be sent for burial.

A sad drowning accident happened in Halifax harbor on 30th ult. Garrett Roache, aged 50, keeper of a sailors' boarding house, accompanied by his only son, aged 13, and his nephew, Benjamin Wells, aged 13, son of the chief engineer of the Allan steamer Acadia, went out for a sail in a small whaler. One hundred yards off the Norwegian bark Odin the little craft was struck by a sudden squall and immediately sank. The captain of the Odin with his crew immediately rowed to the spot, but the only evidence of the catastrophe was the floating hats of the victims and rudder of the boat, which they brought ashore and delivered to the police.

The shareholders of the Halifax cotton factory yesterday resolved to borrow \$100,000 for working capital on 6 per cent. debentures. There was no dividend. Of the \$260,000 worth of goods sold last year, seventy-eight per cent. was sent to the provinces. There is \$80,000 worth of stock on hand.

Annapolis will seek legislation empowering the town to get a water supply from Allen's river at an estimated cost of \$22,500.

The Nova Scotia steel company, New Glasgow, have just finished a large addition to their works in consequence of the large number of orders they have to fill.

Two hundred and eighteen sheep were shipped from the port of Annapolis on Thursday last to Portland, Me. We understand that this is the first consignment of the kind ever shipped from Annapolis. If the venture pays, the same number, or thereabouts, will be shipped weekly until four thousand are transported. —[Spectator.

Jacob M. Croyley, a Nova Scotian, of the great boot and shoe manufacturing firm of J. M. Croyley & Brother, is insured for \$100,000. We believe Boston's insurance record is slightly ahead of that of Halifax, although Pictou can produce a man who carries \$90,000 on his life. —[Herald.

Labor day was celebrated in Halifax for the first time, Aug. 2nd by a procession through the city and a picnic at McNab's island. Eight hundred mechanics and laborers marched through the principal streets with two bands. Mayor O'Mullin, Stipendiary Motion and several of the city contractors occupied carriages during the procession. About 3,000 people attended the picnic. Taken all in all, the first celebration of labor day in Halifax was a great success and will be a fixture for the future.

OTHER PROVINCES.

A fireman on board the Parisian, named John Roberts, aged 33, a native of Liverpool, fell into the St. Lawrence, Saturday night and was drowned.

It is announced that W. D. Perley, of Eastern Assiniboia, has been called to the senate.

The water in the Ottawa river has fallen so much that lumbermen are afraid that it will shortly interfere with their operations in shipping.

It is reported that the prisoner Hill, one of the two men confined in jail awaiting trial in the supreme court for the burglary of Mr. D. McKay's store, has made a confession of the whole affair to Mr. McKay. Hill, however, says that his accomplice was not Fleming, but another person the dark man referred to in the evidence at the recent trial. The hiding place of the stolen cash box and papers was disclosed by Hill. —[Charlotte-town Examiner.

Wm. Hobbs, aged 18, a slab cutter, perished in the flames, and Wm. Stewart, a boy, is supposed to be fatally burned.

E. B. Eddy's lumber mills, situated at Birchton, three miles east of Ottawa, were burned, together with the entire season's cut, valued at \$420,000.

A number of workmen's houses and oilhouses were also destroyed. The loss will amount to \$500,000, on which there is an insurance of \$100,000; but the insurance is distributed over all the property and lumber in a pro rata manner, the policies being what are called blanket policies. It is said the heaviest losers will be the Merchants' Bank, which is said to have close relations with the Eddy company.

A special cable announces that the patent conferring the honor of knighthood on Dr. Daniel Wilson, president of the Toronto university, was issued today. Dr. Wilson refused the honor, but from this must have chanced his mind.

It is again reported that the cotton manufacturers will ask the dominion government to send a trade commissioner to Asia to promote closer trade relations.

UNITED STATES.

The Boston Globe sent a reporter, an athlete in perfect health, to ten of the leading physicians for advice. He told the same story of symptoms to each. All the doctors declared him a very sick man, though each one gave a different diagnosis and prescription. The Globe published the facts and the prescriptions but mercifully kept back the doctors' names.

W. F. Ganong, M. A. of Harvard, will arrive at Grand Manan this week to carry on Zoological research in the waters of our bay. He will endeavour to add to what is already known of our marine zoology. He will be accompanied by a Japanese government official of high rank named Myabi, who is a specialist in marine botany, also by Prof. Houghton, of Illinois, a biologist, who will collect specimens for the State university of Illinois. Mr. S. W. Kain of the St. John Customs, a member of the New Brunswick Natural History Society, will join the party and work in the interest of that society. The party will remain in Grand Manan two weeks, and will make Grand Harbour the centre of operations.

At one of the schools for negroes in the south the girls learn house-keeping practically by being placed four at a time, and for a month at a time, in a cottage, where they live and have complete control, under the oversight of a matron. They keep strict account of their expenditures, practice economy, and sweep, cook, wash, and iron.

The corn packing industry is one of most extensive enterprises engaged in by Portland business men. Last year there were packed by Portland, Me., firms over 14,000,000 cans of corn, and this year, if August and September are favorable corn growing months, there will be canned almost as much. The present outlook, notwithstanding the unfavorable weather of the early part of the season, is far from discouraging.

The young ladies of Central Maine are making themselves useful in the hayfield. A correspondent of the Pittsfield Advertiser says that while driving from Skowhegan to Hartland the other day he counted nine ladies driving two-horse mowers and seventeen young ladies driving one horse rakes.

BRITISH AND FOREIGN.

Later reports of fires at Port au Prince increase the horrors of the situation. Many murders were committed by the infuriated blacks. People have been leaving Hayti for Jamaica and Cuba in large numbers. A Spanish gunboat which arrived here yesterday from Kingston brought word that two royal mail steamers had reached that place filled with refugees.

The Yommed Turkomans in Ascabad district are in a state of revolt. They have raided several villages, plundering houses and killing many inhabitants. Troops are powerless to suppress them. Shops in Ascabad are closed and trade is at a standstill.

It is stated that some of the members of the Orange Grand Lodge intend introducing resolutions calling upon Sir John Macdonald to disallow the Jesuits' endowment bill lately passed in Quebec.

Emperor William, of Germany, left Stockholm, July 28th at 6 o'clock in the yacht "Hohenzollern." He is bound for Copenhagen.

A general holiday has been proclaimed throughout Russia in honor of the nine hundredth anniversary of the introduction of Christianity.

PERRY DAVIS' PAIN-KILLER as a Diarrhoea and Dysentery remedy seldom ever fails.

Why will you allow a cough to lacerate your throat or ungs and run the risk of filling a consumptive grave, when, by the timely use of Bickel's Anti-Consumptive Syrup the pain can be allayed and the danger avoided. This Syrup is pleasant to the taste, and unsurpassed for relieving, healing and curing all affections of the throat and lungs, coughs, colds, bronchitis, etc., etc.

CERTAIN CURE.

A cure for Cholera Morbus. A positive cure for this dangerous complaint, and for all acute or chronic forms of bowel complaint incident to summer and fall is found in Dr. Fowler's Extract of Wild Strawberry, to be procured from any druggist or medicine dealer.

MADE ON PURPOSE.

We are taught that everything is made to fill some purpose. The reason Burdock Blood Bitters has succeeded in being placed in the front rank of modern medicines is that it fills so well the purpose for which it was intended—that of curing diseases of the stomach, liver and blood.

Food For Consumptives

Scott's Emulsion of Cod Liver Oil, with Hypophosphites, is a most marvelous food and medicine. It heals the irritation of the throat and lungs, and gives flesh and strength quicker than any other remedy known. It is very palatable, having none of the disagreeable taste of the crude oil. Put up in 50c and \$1 size.

A CORRECT STATEMENT

is made by Miss Jane Rutherford, of Nelles Corners, Ont., who writes:—"I have used your Burdock Blood Bitters for Dyspepsia and find it to be the best remedy I ever tried." B. B. B. is sold by all dealers at one dollar per bottle.

EASILY UNDERSTOOD.

The causes of summer complaint, diarrhoea, dysentery, cholera morbus, etc., are the excessive heat, eating green fruit, impure water, over exertion and sudden chill. Dr. Fowler's Wild Strawberry is an infallible and prompt remedy for all bowel complaints from whatever cause.

ON AN AVERAGE.

It is said that during the lifetime of the average man he will endure about 500 days sickness. The best way to reduce your average is to use Burdock Blood Bitters whenever the system requires a tonic regulating and cleansing medicine.

THE MOST DELIGHTFUL Handkerchief Order is "Lotus of the Nile."

NEGLECTED COLDS, Pain in the Chest and all diseases of the Lungs, are cured by using Allen's Lung Balm.

THE "ROYAL" FLAVORING EXTRACTS are absolutely pure.

FOR BILLIOUS DISORDERS and Acid Stomach, Campbell's Cathartic Compound is very effective.

THERE IS NO CASE OF disease among Horses and cattle where "Mand S." Powders are not called for, and by their timely administration will save the lives of many valuable animals.

SUMMER TRAVEL

is usually subject to dangerous and sudden attacks of bowel complaints, diarrhoea, dysentery, etc., caused by change of food and water. The sovereign remedy and surest safeguard against all such troubles is Dr. Fowler's Extract of Wild Strawberry. Never travel without it.

Pope & Bitleau, druggists, Cedar Rapids, Iowa, writes: "We have never sold any medicine that gives such satisfaction to the consumer and pleasure to the seller as Dr. Thomas' Eclectic Oil. We can refer you to numbers that have used it for diphtheria with entire satisfaction and success."

Robert Lubbeck, Cedar Rapids, writes: "I have used, Dr. Thomas' Eclectic Oil both for myself and family for diphtheria, with the very best results. I regard it as the best remedy for this disease, and would use no other."

The Progress of Medical Enlightenment has led to the abandonment of many antiquated remedies of questionable value, and the adoption of newer and more rational ones. Prominent among the latter is Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, the justly celebrated Blood Purifier, a comprehensive family remedy for liver complaint constipation, indigestion, loss of physical energy, and female complaints.

As Parnelee's Vegetable Pills contain Mandrake and Dandelion, they cure Liver and Kidney Complaints with unerring certainty. They also contain Roots and Herbs which have specific virtues truly wonderful in their action on the stomach and bowels. Mr. E. A. Cairncross, Shakespeare, writes: "I consider Parnelee's Pills an excellent remedy for Biliousness and Derangement of the Liver, having used them myself for some time."
