Beauty

Is desired and admired by all. Among the things which may best be done to enhance personal beauty is the daily use of Ayer's Hair Vigor. No matter what the color of tre and pliancy that adds greatly to its dry, or turning gray,

the hair, this preparation gives it a luscharm. Should the hair be thin, harsh, Ayer's Hair Vigor will restore the color, bring out a

new growth, and render the old soft and shiny. For keeping the scalp clean, cool, and healthy, there is no better preparation in the market.

"I am free to confess that a trial of Ayer's Hair Vigor has convinced me that it is a genuine article. Its use has not only caused the hair of my wife and laughter to be

Abundant and Glossy,

but it has given my rather stunted mustache a respectable length and appearance."—R. Britton, Oakland, Ohio.

"My hair was coming out (without any assistance from my wife, either). I tried Ayer's Hair Vigor, using only one bottle, and I now have as fine a head of hair as any one could wish for." -R. T. Schmittou, Dickson, Tenn.

"I have used Ayer's Hair Vigor in my family for a number of years, and regard it as the best hair preparation I know of. It keeps the scalp clean, the hair soft and lively, and preserves the original color. My wife has used it for a long time with most satisfactory results."—Benjamin M. Johnson, M. INTERNATIONAL LESSON

Third Quarter-Lesson XIII-Sept, 23 DEATH AND BURIAL OF MOSES .-Deut. 34: 1-12.

GOLDEN TEXT .- The path of the just is as the shining light, that shineth more and more unto the perfect day .-- Prov. 4:18.

Moses died on Mount Pisgah, the highest peak of Nebo. It is northeast of the head of the Dead Sea. Moses was 120 years old.

THE BOOK OF DEUTERONOMY WAS probably written for the most part by Moses. The series of addresses, of which it chiefly consists, was delivered during the last few weeks of his life. Deuteronomy means the second law, the repetition of the law. It consists of three discourses, to which are added three appendices, in the shape of the song of Moses, the blessings pronounced by him on the tribes, and the narrative of his death.

A BRIEF REVIEW OF MOSES' LIFE.

Moses was b rn B. C. 1571, in Egypt. His father's name was Amram, his mother's Jochebed, both of the tribe of Levi. He had an older sister Miriam, and an older brother Aaron. The story of his being hidden in an ark of bulrushes, saved by Pharaoh's daughter and adopted by her, is familiar to all. He was trained for a few years by his mother in the religion of his fathers, and then was taken to the court of Pharaoh, and taught "al the learning of the Egyptians," and became "mighty in words and deeds." This continued till he was forty years old. Then began the second period of Moses' life. He made his great choice to give up his rank and hopes among the Egyptians, and to cast in his lot with his own people, and lead them out from their hard bondage. His first efforts were wrong in kind and premature in time. He was compelled to leave Egypt, and in the wilderness of Arabia spent another forty years,—years of communion with from the top of Nebo; nor were the God, years of preparation for his Israelites going to be what he hoped great work.
