

News of the Week.

NEW BRUNSWICK

Theodore White, the Salvationist, who stole eggs and rings, in Fredericton has been sent to jail for six months.

On Tuesday afternoon last a horse with wagon attached backed over the steep embankment at the foot of Acadia street, Portland, into Holly's pond. A large number of men were working near the scene of the accident, and quickly rescued the horse, none the worse of his fall. The wagon was slightly damaged.

The department of customs are investigating the case of an American tug which has been illegally towing boats, etc., between Grand Manan and Eastport.

Michael Shaw, a prominent trader of Hartland, died very suddenly Thursday.

Sir Leonard Tilley, accompanied by Gov. and Mrs. McLellan of Nova Scotia, came up to Fredericton from St. John by boat on Wednesday and registered at the Barker. The distinguished strangers were driven to Marysville and other interesting points by Sir Leonard Tilley and returned to St. John by train.

A young man named William Hallet, of Gibson, had three of the fingers of his right hand taken off in Edgewood's carriage factory on Thursday. He was working at the planer when his hand was caught and drawn into the machine.

The Moncton temperance committee charge the town police with lax enforcement of the Scott Act. The officers deny the charge.

A man named Melaney, 82 years of age, an inmate of the Fredericton almshouse, had his thigh badly broken on Monday last. He was removed to the hospital. It is thought he will not recover.

Work on the Short Line railway is progressing very rapidly. Rails have been laid between Greenville, at the foot of Moosehead lake, to Lake Megantic, and there is now through connection by the use of the Bangor and Piscataquis railway to Montreal. In three months time the line will be completed to Mattawamkeag, and the C. P. R. will no doubt run through trains from St. John to the Pacific coast.

Evangelist Moody has decided not to visit the provinces this year. He leaves for California shortly.

Work has been commenced on the Tobique Railway. A number of men are at work clearing out and making ready for the graders. It is expected that Hon. John Costigan will arrive at Andover to-day and turn the first sod for the railway, after which the contractors will have a large force of men at work and push the work on to completion as soon as possible.

It is stated that a syndicate, one of whom is a wealthy New York tanner, have about completed negotiations with the firm of Shaw Bros. for the purchase of the Pokioh extract works and that the property will change hands very soon. About 4000 cords of bark is piled near the mills ready for use. The new company will repair the mill at once and be ready to start inside of two months at the latest.

Mr. Henry B. Rainsford of Fredericton has been appointed to the office of clerk of the Assembly, made vacant by the death of Mr. Geo. J. Bliss.

At a meeting of the government in St. John on Saturday, H. V. B. Bridges, second master in the collegiate school, Fredericton, and brother of Dr. Bridges of the university, was appointed inspector of schools for York and Carleton counties, vice Mr. Oakes resigned. Inspector Bridges is a native of Sheffield, Sunbury county, and is a distinguished graduate of the university.

The opening of the Temiscouata railway will be delayed till about the 1st of October, by the giving way of some temporary crib-work owing to land slide on the bank of Lake Temiscouata, where filling and ballasting were in progress.

His Lordship, the Metropolitan of Canada, and Rev. Canon Medley his son, arrived at Sussex on Saturday, by special train, looking well after their somewhat extended visit to England.

While some boys at North Shore, Port Elgin, were playing with a revolver on Wednesday, the revolver was accidentally discharged and a sixteen-year-old son of Job Fields was shot in the leg. The bullet inflicted a very painful wound, which was dressed by Dr. Carter, and the lad is now doing as well as can be expected. — [Transcript.]

The following new equipments have made to the New Brunswick road during the past year: Combination cars, 2; freight and saloon cars, 4; stock cars (20 tons capacity), 60 flat cars (20 tons capacity), 100; ballast cars, 40; snow plows, 4; section cars, 52; baggage car 1; steam shovel, 1; turntables, 2. The present equipment of the road consists of 46 locomotives, 32 passenger cars, 17 combination cars 6 baggage cars, 12 conductors' vans, 384 box cars, 736 flat cars, 10 hay cars, 60 stock cars, 74 ballast cars, 1 derrick, 1 tool car, 4 flangers, 204 hand cars, 16 snow plows and 1 steam shovel.

The case of Carney vs. the Caraque Railway Co. was seven days before the Gloucester circuit. It resulted in a verdict of \$1000 for the plaintiff. The case arose out of an accident at Little River bridge last December, and aroused much interest.

There was quite a scene around the I. C. R. yard at St. John on Friday morning, the railway people having their hands pretty full to attend to six car loads of about 1300 sheep that were being sent to various parts of Massachusetts by dealer in New Brunswick and P. E. Island.

NOVA SCOTIA

The action of the Minister of Fisheries in permitting the American schooner Gifford, to sell her cargo at Halifax, is generally commended in view of the fact that they possessed a license under the *modus vivendi*. If the treaty had been ratified this would have been secured as a right to American vessels.

Contracts have been made with Mr. Fred. A. Peters, of St. John, to repair and improve the organs in Wesley Church, Milton, N.S., and the Temple Baptist Church, Yarmouth.

The society for the prevention of cruelty at Halifax have received two letters from Caledonia, Queens Co., which give the facts that a woman was held firmly while thirteen teeth were extracted. When the twelfth had been pulled she fainted, but she was not released till the thirteenth had been extracted. She suffered great pain, was given morphine, went to sleep and never awoke. The body is much bruised.

The Halifax Herald says that William Peeper and Mrs. Doyle, whose trial for the murder of Doyle recently resulted in conviction, but whose case is to be re-considered by the court, are now in the best of health and spirits and are looking forward to the decision of the judges with confidence.

The Halifax cotton factory is being sued by J. C. Ashton, the late manager, for \$2,500 for breach of contract and \$250 for salary due.

The dwelling house of Mrs. J. K. Ritchie of Lawrencetown, N. S., was burned last week.

Meigs & Corbett's store, in Five Islands, N. S., was entered by burglars on the night of the 11th inst. and robbed of a case of gold and silver watches, value at three or four hundred dollars.

The will of the late Mrs. Judge Wilmot has not yet been probated, in consequence of the witnesses. It is understood that Edward (half brother of the late Judge Wilmot) is sole executor. The estate is valued at about \$40,000. Mrs. Wilmot leaves \$200 each to her eighteen nieces, and \$100 to her nephew, son of Dr. Lewis. She also leaves \$8,000 in charities, principally in New Brunswick. — [Halifax Recorder.]

Mrs. Gaetz, wife of the Rev. Joseph Gaetz, died at the Charles Street Methodist Parsonage, Halifax, on Wednesday last.

A contract for the supply of 10,000 axes for the C. P. R. has been awarded to the Nova Scotia Steel Co. They are being delivered at the rate of 2,500 per month.

Says the *Gazette*: Chief Engineer Schreiber has been at Pugwash inspecting the work on the Short Line railway from Oxford to New Glasgow. He expressed his satisfaction at the rapidity with which the work is progressing.

Says the *Amherst Sentinel*: Salt has been extracted from the salt springs in this county for some years, but until now there has been no special effort made to prosecute this industry to any extent. J. S. Hickman and others, who own the springs, leased them to Mr. Leadbetter and others, who have set up necessary machinery for extracting the salt, and expect when they have their preparations complete to be able to turn out about 500 bushels per day. For dairy use the salt obtained from these springs is considered of first quality as it contains a considerable percentage of saltpetre.

Mrs. Purdy, of Amhurst, widow of the late James Purdy, fell, a few days since, dislocating her hip and breaking her thigh bone. She is at the residence of her son, Mr. George Purdy, where she makes her home. The accident is a very serious one for a lady of her advanced age.

15,870 of the 50 cent shares of the Acadia college jubilee fund have been paid up. In addition to the above, Dr. Saunders has received \$3324.95, so that the total amount paid in up to the time of making up the report to the Convention was \$11,260.00. With this amount the floating debts have been paid off, and five thousand paid on the College mortgage, and upwards of two thousand is now on hand to pay the remaining \$5000 on the College mortgage, when the College will be entirely free from debt. It is hoped to receive a total of 100,000 shares, equal to \$50,000.

OTHER PROVINCES.

The local elections in Elgin, Northumberland, Frontenac and Lunenburg will be held on October eleventh.

The annual report of the Fisheries Department for 1887 shows that the value of the fisheries yield of the Dominion last year was \$293,184 less than the preceding year. There was an increase in the catch in British Columbia, Ontario and Quebec, but a falling off in other provinces in mackerel and lobsters, and in fur seals their there is a considerable decline.

This year's industrial exhibition at Toronto promises to eclipse all its predecessors. For the first three days the gate receipts were \$2,270 ahead of the first three days last year. On Thursday last aeronaut Williams of Cincinnati dropped from a balloon when over a half mile in the air holding his parachute over his head. He alighted about a mile out on the lake and was rescued by a tug.

Five Scott Act cases were before the Charlottetown police court on Tuesday. One man was fined \$50, one case dismissed and the rest adjourned.

At a meeting of conservatives of Cardwell held on Thursday at Mono Mills R. S. White, son of the late Hon. Thos. White, was selected as the choice of the party.

The Montreal jury in case of Pitcher, absconding bank teller of Providence, Rhode Island on the 13th returned a verdict of guilty against the prisoner. His counsel immediately gave notice that he would move for a reserved case for the full bench on various points.

UNITED STATES.

A train load of refugees consisting of more than five hundred people arrived at Hendersonville N. C., from Jacksonville on the 13th. The scenes en route beggar description. Crowds which were gathered at the stations fled as frightened sheep when the train stopped and it was learned that the passengers were from Jacksonville. The train was so guarded that no one was allowed to get on or off. One man escaped by jumping through the window of a moving car. The train was stopped and two officers sent back who succeeded in capturing him.

A despatch of Thursday last says it was the saddest day in the history of Jacksonville's epidemic. The number of new cases was 43 and deaths 12, the largest record of mortality yet.

A premature explosion of a blast in the south face of Wick's tunnel on the Montana Central railway, south of Helena, on the 11th inst. killed ten men and seriously wounded five.

Reports are to hand of serious damage by the recent rains in Mexico. Many lives were lost. Crops are ruined, and cattle and houses carried away. In Arizabel, 44 persons were drowned, and \$200,000 worth of property destroyed.

The Baltimore and Ohio north-bound passenger train, was derailed by a switch at Annapolis siding, twenty-five miles south of Mansfield, Ohio, on the 14th, and collided with a freight train on the siding. The mail car followed by the express car and two day coaches struck the engine and rolled over on their sides, completely wrecked. Almost immediately the freight engine's boiler exploded, throwing the wreckage in all directions. Two men were killed, one woman and one man fatally injured and 32 others slightly injured.

Fire on Thursday last at Washburn Wis., wiped out the business part of the place, destroying 30 buildings. The loss is nearly \$150,000, with small insurance.

Charles Perry, who went through the whirlpool rapids on August 28th, 1887, in a life boat, attempted the same feat on the afternoon of the 16th. The boat passed the whirlpool rapids, and out of the whirlpool safely, but when about half a mile below the whirlpool the waves dashed in the manhole door, forcing him out into the boat. Being thrown overboard he swam through the dangerous rapids to Lewiston, a distance of three miles, where fishermen picked him up in an exhausted condition.

BRITISH AND FOREIGN

News of the murder in Africa of Major Bartelott, leader of the expedition in search of Henry M. Stanley has given rise to speculation regarding the fate of the explorer himself. London newspapers are unanimously of the opinion that Major Bartelott was betrayed by Tippoo Tip, who organized the native portion of the expedition, and the question is asked why may not Stanley have been also a victim of his treachery.

Eighty-one passengers, mostly emigrants, and six members of the steamer Sud America, from Montevideo, which was smk on the evening of the 13th are reported lost. The steamer which collided with her is named La France and is badly damaged.

A despatch from Afghanistan says the Amer reports that his troops have captured Fort Kanard from the rebels, together with many prisoners.

The London *Star* reports that W. H. Smith will be raised to the peerage with the title of Viscount Henley, and that Goshen will become conservative leader in the House of Commons.

Reports from Athens say that there have been further shocks of earthquake at Vostizza.

Wm. Redmond, M. P. for Fermanagh, has been convicted at Wexford of offences under the crimes act, and sentenced to three months' imprisonment without hard labor.

The German press hails the betrothal of Princess Sophie to the crown prince of Greece with the greatest pleasure. The North German *Gazette*, of Berlin, says that the marriage will certainly contribute to the strengthening of the friendly relations between the German imperial house and the dynasties related to it.

The property of the late Prince John Adolph of Schwartzberg has been valued at \$10,000,000.

Timothy Healy has accepted a brief from the Parnell commission. The Times has entered an appearance in the Edinburgh court of session, the leading counsel for the defense being the dean of faculty and solicitor general.

IF THE SUFFERS FROM CONSUMPTION, Scrofula and General Debility, will try Scott's Emulsion of Cod Liver Oil, with hypophosphites, they will find immediate relief and a permanent benefit. Dr. H. V. Mott, Bentwood, Cal., writes: "I have used Scott's Emulsion with great advantage in cases of Phthisis, Scrofula and Wasting Diseases. It is very palatable. Put up in 50c. and \$1 size."

PERFECTLY CHARMING is what the ladies say about "Lotus of the Nile" Perfume.

COUGH AND THROAT AND LUNG Troubles are treated successfully with Allen's Lung Balsam.

If you wish to please your family, flavor your puddings, pies, Jellies, &c., with the "Royal" Extracts.

PAIN-KILLER as a liniment is unequalled for Chills, Burns, Bruises, Cuts, Sprains, &c.

TRY CAMPBELL'S CATHARTIC COMPOUND for Constipation or Costiveness.

USE "MAUD S." CONDITION POWDERS for loss of appetite in your Horses and Cattle.

Mr. C. E. Riggins, Beamsville, writes: "A customer who tried a bottle of Northrop & Lyman's Vegetable Discovery says it is the best thing he ever used; to quote his own words, 'It just seems to touch the spot affected.' About a year ago he had an attack of bilious fever, and was afraid he was in for another, when I recommended this valuable medicine with such happy results."

Do not despair of curing your sick headache when you can so easily obtain Carter's Little Liver Pills. They will effect a prompt and permanent cure. Their action is mild and natural.

The action of Carter's Little Liver Pills is pleasant, mild and natural. They gently stimulate the liver, and regulate the bowels, but do not purge. They are sure to please. Try them.

For any case of nervousness, sleeplessness, weak stomach, indigestion, dyspepsia, try Carter's Little Liver Pills. Relief is sure. The only nerve medicine for the price in market.

How to Cure Headache.—Some people suffer untold misery day after day with Headache. There is rest neither day nor night until the nerves are all unstrung. The cause is generally a disordered stomach, and a cure can be effected by using Parnelee's Vegetable Pills, containing Mandrake and Dandelion. Mr. Finlay Wark, Lysander, P. Q., writes: "I find Parnelee's Pills a first-class article for Bilious Headache."

It is astonishing how rapidly the feeble and debilitated gain strength and vigor when taking Ayer's Sarsaparilla. For what are called "broken-down constitutions," nothing else has proved so effective as this powerful but perfectly safe medicine.

The use of calomel for derangements of the liver has ruined many a fine constitution. Those who for similar troubles have tried Ayer's Pills testify to their efficacy in thoroughly remedying the malady, without injury to the system.

JAMES PYLE'S PEARLINE. This preparation advertised elsewhere is really an excellent article for saving labor in washing. It takes the place of soap, sal-soda and other chemical preparations.

A letter from P. O. Sharpless, Drug-gist, Marion, Ohio, in writing of Dr. Thomas' Electric Oil, says: "One man was cured of sore throat of 8 years' standing with one bottle. We have a number of cases of rheumatism that have been cured when other remedies have failed. We consider it the best medicine sold."

Mr. J. Leist, warehouseman for Lautz Bros., Buffalo, N. Y., says he had a swelling on the foot which he attributed to chilblains. He used Dr. Thomas' Electric Oil, and is troubled no longer.

Free and easy expectoration immediately relieves and frees the throat and lungs from viscid phlegm, and a medicine that promotes this is the best medicine to use for coughs, colds, inflammation of the lungs and all affections of the throat and chest. This is precisely what Bickle's Anti-Consumptive Syrup is a specific for, and wherever used it has given unbounded satisfaction. Children like it because it is pleasant, adults like it because it relieves and cures the disease.

A DOUBLE RECOMMENDATION.

"We have used Dr. Fowler's Extract of Wild Strawberry, and find that for diarrhoea it cannot be equalled. We cannot speak too highly of it." Ernest Clare Cross and Roy Neil Cross Jasper, Ont., April 29th, 1888.

THE DOUBLE LIABILITY.

A weak and low constitution, impure blood, etc., causes a double liability to contract disease, purify the blood and remove all worn out matter and disease-breeding impurities from the body by using Burdock Blood Bitters which thoroughly cleanses, regulates and tones the entire system.

IS CHOLERA COMING?

When symptoms of cholera appear, prompt remedies should be restored to. Miss Mary E. Davis, of Luskville, Ont., says:—"My brother was bad with cholera morbus and after using one bottle of Dr. Fowler's Extract of Wild Strawberry, it cured him entirely."
