

—There is at Halifax, England, a training-school for female evangelists. It is under the auspices of Mr. Clegg, a Wesleyan Methodist, but has no connection with the Conference. Some of the ladies in this school are visitors and some are evangelists, in the now commonly accepted sense of the word. They go where they are invited to hold services in churches, and preach much as evangelists do in this country. The institution is in its infancy, and is being scrutinized as an experiment. It somewhat resembles the Missionary Training School in Chicago.

—CARDINAL MANNING recently delivered a remarkable discourse, in which he gave a very gloomy picture of London and disintegration of human society in these latter days: "London is a desolation beyond that of any city in the Christian world. Four millions of human beings, of whom 2,000,000 have never set their foot in any place of Christian worship; and among these 2,000,000 God only knows how few have been baptized, how few have been born again of water and the Holy Ghost. London is a wilderness. It is like Rome of old—a pool into which all the nations of the world stream together and all the sins of all the nations of the world were continually flowing. Such is London at this very day."

SEVENTH DISTRICT MEETING.—We held the twenty-sixth annual meeting of the Seventh District on Friday, Saturday and Sunday the 24th, 25th and 26th of August, with the church at Seal Cove, Grand Manan. The place, is one of the most distant, if indeed, it is not the most distant, from the St. John end of the district, in which we could meet. But it is a pretty place, and no people could make us more welcome, or do more for the comfort of the many strangers present, than did our friends of Seal Cove. We have disadvantages in working this district, that our brethren of the other districts have not. Crossing the water takes time, and is instinctively dreaded by those who are liable to sea-sickness. Nevertheless, we usually have large gatherings and very enjoyable seasons. This year the water was considerably rough, making it rather unpleasant for some of our friends, but we had an unusually good time and an excellent district meeting. Going by steamer from St. John we reached Eastport at noon on Wednesday, thence some of the brethren went to Deer Island, and had a meeting that evening, in which Bro. Parsons preached; others went to Campbell where Bro. G. E. Currie preached to a large congregation. We had a grand meeting. The next day we were reinforced by a good number of brethren and sisters from these islands, and left Eastport, on the steamer *Flushing*, with about as whole hearted and happy a band of Christians as one could desire to travel with. This stretch of our water travel was smooth. Under the leadership of the pastor of St. John Church, some six or eight good voices made it very enjoyable. North Head was soon reached. Here we found the wharf covered with happy-faced friends, amongst them Bro. Bonnell, the pastor, who gave us a hearty welcome to Grand Manan. Carriages were all ready to convey us down the island to the place of meeting.

In a few minutes the greater number were on our way and about fourteen miles of the best road in our country was soon gone over. It was my good lot to be one of ten passengers grati-

ously taken by a worthy son of our sainted brother Deacon James Small, whom we missed so much. The people at Seal Cove were more than ordinarily busy, just in the midst of haying, and with a good catch of herring they had their hands full. But we found open doors and noble and open hearts all ready to make all feel at home. Our thoughtful Bro. Babcock, the pastor, had everything arranged admirably. In the evening a fine congregation greeted us, when Bro. French preached. On Friday morning we meet in our annual conference meeting. The attendance was large, and the spirit of the people was glorious. Every thing ran like oil. One faith and one spirit. The time for closing seemed to come all too soon. A score or more for whom we could not find time to speak, had to be satisfied with giving merely a silent standing testimony. The afternoon meeting was largely attended, many ladies being present. Bro. Parsons, the chairman, presided. Our faithful clerk of many years service, Bro. Peters, was in his place. Now comes, what is to those who are the most interested in knowing how the churches prosper, the most important exercise of the whole session, the reading of the reports of the churches. This district has thirteen churches, all of which were reported by letter, and nearly all by delegates. The delegates of two churches were unable to reach the place of meeting. Besides reading the letters themselves, about all the delegates spoke in connection with the state of the cause. Perhaps want of time would not permit this in the larger districts, but we find it gives life and interest to our meetings. The state of the churches upon the whole is not so healthy and prosperous as we could desire, and yet there is much for which we do thank God. Several of the churches reported small accessions by baptism, but not so large a number as usual. The church at Carleton had the greatest number added during the year. As usual those churches that had the most pastoral care are in the best spiritual standing. The total membership of the thirteen churches is 2118. I regret that I have not the full statistics to give, but I remember that, while the additions were not large, the money raised for denominational purposes was as much as usual, if not more. A committee was appointed to summarize the reports and submit a report on Saturday morning, making such recommendations and the like, as might be suggested by careful going over the letters from the churches. That evening Rev. G. E. Currie preached. Roll Call on Saturday morning showed that we had a good list of ministers and delegates. Of ministers there were present, Rev. Wm. Downey, Moderator of Gen. Conference, Rev. Wm. DeWare, chairman of the Sixth District, Rev. F. Babcock, pastor of the church, Revs. R. French, Joseph Noble, J. N. Barnes, J. T. Parsons, G. E. Currie, G. A. Hartley, and Licentiates Irvine D. Harvey, C. W. Rogers and F. C. Hartley, also Rev. Mr. Hinkley a visitor. Rev. G. A. Hartley was elected chairman and Rev. F. Babcock assistant. The Moderator of Gen. Conference was welcomed to the meeting, and invited to an associate chair. Visiting ministers were voted seats and cordially invited to participate in the deliberations of the meetings. The Report of the Committee on the letters from the churches, contained several recommendations and suggestions that afforded an excellent opportunity for a full and free discussion of several matters affecting the prosperity of our beloved Zion. Lasting good must result from that meeting. Three Licentiates were before the meeting for hearing and examination. Irvine D. Harvey, who formerly held a license, which he was compelled to relinquish on account of ill health, was again granted a D. Meeting License. He came from White Head Church. Charles W. Rogers and Fred C. Hartley had licenses from Carleton Church. After careful examinations they were granted D. M. License. Four delegates to Gen. Conference were appointed, the meeting for next year located with the St. John Church, and the business of this session closed, with the best feeling I ever saw on a like occasion. Frequent and tender references were made to the deaths of our lamented Bros. Taylor and Reud, both of whom were so well known and beloved by the people of the Island Churches. Saturday evening was occupied with the usual Foreign Mission Meeting, at which Sister Babcock presided with marked ability. The Secretary Miss Fullerton, read an excellent report. The adoption of the report was moved by Bro. A. C. Smith, who made appropriate remarks as did other brethren. A good collection was taken.

The pulpits were supplied on Sabbath as follows: At Seal Cove the Annual Doctrinal Sermon was preached

in the morning by Rev. J. T. Parsons; at 3 p. m. Rev. G. A. Hartley; in the evening F. C. Hartley; at Grand Harbour, F. C. Hartley and Rev. J. N. Barnes; At Castalia, Rev. G. F. Currie; at North Head, Revs. Wm. Downey, J. Noble, and J. T. Parsons. The Lord's Supper was administered at Seal Cove and at North Head. On Monday morning our party met at North Head and boarded the Steamer *Flushing* homeward bound. After we had left those belonging to the Island at Eastport, we steamed for St. John reaching home that p. m.

CORRESPONDENTS sending matter for publication should remember that their names are required, not necessarily, for publication but as a guarantee that the matter sent is all right. It is not enough to say "for one of our subscribers," as is sometimes done. Communications, not accompanied by the writer's name, never get insertion.

A HERMIT'S ESTATE.—Frazier Lee, a hermit who died at Plainfield, N. J., last week, left an estate valued at \$500,000, all of which, except \$7,250 left to relatives, goes to the Scotch Plains Baptist Church, first for the payment of its debts and the balance to be used by said church in spreading the Gospel. The will is not likely to be contested.

FEW LEFT.—Of the more eminent generals in the late American war few are left. Since 1880 Burnside, Garfield, Grant, Hancock, McLellan, Logan and now Sheridan of the federal army have passed away. Generals Meade, Thomas and others died before that date.

AN EXCURSION.—Two hundred members of Dr. Talmage's church, of Brooklyn, N. Y., have gone on an excursion to the old world. They will visit England and the continent of Europe being absent about two months. The expense of the trip is about \$250 to each member of party. Dr. Talmage was prevented from accompanying his friends because of lecture engagements.

AN UNDOUBTED PROOF

Of the beneficial qualities of Burdock Blood Purifiers is found in the thousands of authentic testimonials published by the proprietors. The original letters being in their possessions, they can furnish proof positive as to their genuineness at any time.

Their gentle action and good effect on the system really make them a perfect little pill. They please those who use them. Carter's Little Liver Pills may well be termed "Perfection."

There are many forms of nervous debility in men that yield to the use of Carter's Iron Pills. Those who are troubled with nervous weakness, night sweats, etc., should try them.

DON'T KILL THE OLD HENS.

When hens are shedding feathers they often stop laying and grow fat. Most people consider fat, a sign of health. The fattening of moulting hens however as with some people produces debility rather than health. Many of the worst cases of roup are contracted, while the hens are moulting. The food of moulting hen, if largely vegetable is fat-forming, and not required for growing feathers. Therefore corn-fed hens get very fat. They need more nitrogen and phosphate elements in their food when moulting which if not supplied they stop laying, because the growing feathers have used all, and left no nitrogenous matter to form eggs. At this season, killing old hens and relying on young pullets is a great mistake; where people have a few hens and late pullets. Because, if properly fed the hens will have their new plumage and lay well all winter; while the pullets unless especially treated may not commence laying until spring, when high prices for eggs have fallen one-half. Again an old hen's egg will hatch a more vigorous chicken than a pullet's egg.

John R. Jones, Suffield, Conn., a breeder of prize winning Mottled Javas, says:

"I find Sheridan's Condition Powder fed once daily in the food, very valuable for moulting hens. I have used it two years for exhibition birds. It assists in growing new feathers, makes the combs a bright red, and gives a rich gloss to the plumage. It will also make hens lay and the eggs hatch well. I find when other egg-foods are used in quantities to force egg production the eggs do not hatch."

The above is the experience of many people in using Sheridan's Powder. If fed to young pullets now as directed, they will begin to lay before six months old. Commence at once using Sheridan's Powder. It helps old hens through moulting, and gets the pullets in laying trim before the season of high prices. Eggs will sell very high this fall and winter. Therefore be ready to get all you can.

I. S. Johnson & Co., 22 Custom House St., Boston Mass., sole makers of Sheridan's Condition Powder to make hens lay, will send to any address for one cent stamp, testimonials with full information how to make a few hens pay well; also how to obtain Sheridan's powder.

FROM MANITOBA.

"I have been cured of chronic diarrhoea by the use of Dr. Fowler's Extract of Wild Strawberry. I used about twelve bottles of it and am now entirely free from the disease, William McLaren, Clearwater, Man.

A DOZEN YEARS.

"Dear Sirs,—For twelve years I suffered from dyspepsia and liver complaint and was so weak I could not leave my bed for eight months, and had little hope of ever being cured. Three years ago I tried Burdock Blood Bitters, and am thankful to say I now enjoy good health, and I advise all who are afflicted to try B. B. B." Mrs. Harriett Hobbs, Muir Avenue, Brockton, Ont.

AN OLD FAVORITE

that has been popular with the people for thirty years is Dr. Fowler's Extract of Wild Strawberry for all varieties of summer complaints of children or adults. It seldom or ever fails to cure cholera morbus, diarrhoea and dysentery.

CONSUMPTIVE TENDENCIES

are often inherited, but the disease itself may gain a foothold through impure blood, bad diet, unventilated rooms, etc. Keep the blood pure and the circulation perfect by means of Burdock Blood Bitters, and thus ward off consumption, which is simply scrofula of the lungs.

PROMPT RESULTS.

"I was very sick with bowel complaint last summer. I tried other medicines but all was no use until I tried Dr. Fowler's Wild Strawberry. The next day I was like a different man." Geo. H. Peacock, Stroud, Ont.

THERE is being sold through the Country by special agents a cheap Paint Oil at 55 cents per gallon. In order to meet this article, I have imported a cheap Paint Oil, which will compare favorably with the Oil that is being sold. This Oil I will sell at 45 cents per Imperial Gallon. I also have a Fire Proof or Mineral Paint, suitable for painting Roofs of Houses, Barns and Outbuildings, which I will sell at 2 cents per pound. I simply call the attention of the Farmers and General Public also, to inform them that agents travelling through the country cannot sell any cheaper than the regular dealer.
