Beauty

Is desired and admired by all. Among the things which may best be done to enhance personal

beauty is the daily use of Aver's Hair Vigor. No matter what the color of the hair, this preparation gives it a lustre and pliancy that adds greatly to its charm. Should the hair be thin, harsh, dry, or turning gray, Ayer's Hair Vigor will restore the color, bring out a

new growth, and render the old soft and shiny. For eping the scalp clean, cool, and ealthy, there is no better preparation n the market.

'I am free to confess that a trial of ver's Hair Vigor has convinced me at it is a genuine article. Its use has ot only caused the hair of my wife and laughter to be

amily for a number of years, and regard it as the best hair preparation I know of. It keeps the scalp clean, the hair soft and lively, and preserves the riginal color. My wife has used it for long time with most satisfactory re-ults." - Benjamin M. Johnson, M. D., Thomas Hill, Mo.

## On the Threshold.

Once more upon Time's Threshold, With its doubly swinging doors, -Once beckons onward to the New. One swings towards fading shore ..

The New Year peering inwardly, Right cheerily greets the Day, The Old Year, with his feeb e steps, Goes onward--creeps away,

The New, all full of promise, Of hope, resolve, delight, -The Old, weighed down and weary, Bids sad and faint "Good Night."

So come and go the seasons. So come and go the years; Enter all smiles and gladness, Exis amid sighs and tears.

The years-a weaver's shuttle, With but a brittle thread-A New Year, then an Old Year, Flies, forward, backward- dead.

Life differs - has two thresholds, -One with beginning Time, The other at the doorway Of Eternity, sublime.

One forward leads to earthly days, With passing, fleeting breath; The other leading forward still, Where swing the gates of death -Cark W. Bryan.
