This command implies that Son of God, the Saviour of the Christianity is a universal religion, world. not merely one of the religions of the world; that it is adapted to all nations and all classes (Rom. 1:16), a claim which history has abundantly justified; that not a natural development, but obedience to the principles inculcated by Jesus Christ, constitutes the secret of true civilization among all nations, and thus that Christian missions are the mother of civilization; that from all nations the members of Christ's church triumphant are to be gathered to God by obedience to this commission (Rom. 10:1113). The very soul of our religion is missionary, progressive, worldembracing : it would cease to exist

f it ceased to be missionary. (1) This is the command of Christ. The church cannot be obedient, and let one nation be without the Gospel. The duty is obligatory upon the whole church. This commission was given, not to the apostles only, but 10 the whole body of five hundred disciples.

(2) This command includes home missions as well as foreign ; our own neighborhood as well as more distant p'aces. But missionary effort must not be confined to the home field.

(3) It is the nature of a living Chris ianity to be missionary. Max Muller says that of all religions, only the missionary religions are living. That church is dead which is not anxious to preach the Gospel to every creature. (4) This is the only way the church will keep pure. Nothing without this can keep the doctrine

PRACTICAL HINTS. We have a living Saviour, almighty in power, as he is infinite in love.

Where Jesus appoints, there will we meet him and be blessed. It is our duty to make disciples

of all nations, near and far. The missionary spirit is the spirit of Christianity.

It is our duty to baptize those who are believers, in a public profession of religion.

It is the duty of all to be baptized, and publicly profess Christ. It is the duty of Christians to teach all the doctrines and precepts

of Jesus, and train all converts in the truths and practice of the words of Jesus.

All men need the Gospel as much as we do.

God-the Father, the Son, and the Holy Spirit-is engaged in the redemption of man, so difficult and so important is the work.

Jesus, with all his power and love, is present with each and every disciple. He is a Saviour near at hand

All needful helps are given for the progress of the kingdom of Christ.

That church is most successful which is most earnest in both discipling and teaching all nations. The success of the Gospel in all lands, its proved adaptability to all ages and all nations, is one of the great and increasing proofs that it Dysentery, is divine.

Scrofula

Is one of the most fatal scourges which afflict mankind. It is often inherited, but may be the result of improper vaccination, mercurial poisoning, uncleanliness, and various other causes. Chronic Sores, Ulcers, Abscesses, Cancerous Humors, and, in some cases, Emaciation, and Consumption, result from a scrofulous condition of the blood. This disease can be cured by the use of Ayer's Sarsaparilla.

I inherited a scrofulous condition of the blood, which caused a derangement of my whole system. After taking less than four bottles of Ayer's Sarsaparilla I am

I was troubled with Scrofulous Sores for five years; but, after using a few bottles of Ayer's Sarsaparilla, the sores healed, and I have now good health.— Elizabeth Warnock, 54 Appleton street, Garden Seeds, &c.

Some months ago I was troubled with Scrofulous Sores on my leg. The limb was badly swollen and inflamed, and the sores discharged large quantities of offensive matter. Every remedy failed, until I used Ayer's Sarsaparilla. By taking three bottles of this medicine the sores have been entirely healed, and my health is fully restored. I am grateful for the good this medicine has done me. — Mrs. Ann O'Brian, 158 Sullivan st., New York.
