WARNER'S SAFE CURE

CURES LAME BACK.

friends as formerly.

HAWKSBURY, Ont., March 27, 1887.—I International R. R. Dining Saloon, Amhave been terribly afflicted with chronic Bright's disease. My body swelled so I could be to be Bright's disease. My body swelled so I could scarcely move about and my eyesight was affected so that I could hardly distinguish objects across the room. I had a discressing cough from the pressure of water on ing cough from the pressure of water on the pressure of water of water on the pressure of water or the pressure of water or the pressure of water or the pressure ing cough from the pressure of water on my lungs, and was in danger of suffocation my lungs, and was in danger of suffocation. My whenever I attempted to lie down. My limbs were so swollen that I could not bend limbs were swollength. my joints or sit on a chair. The valves of my heart refused their office. At times and about the 10th of December the bleedmy near refused their office. At times ing began to get less, and in two or three circulation seemed entirely suspended so that I was incapable of moving a limb, and days the dropsy began to set in my legs at others the increased action of my heart would cause such a pain in my head as words are inadequate to describe. Then again my stomach refused all nourishment again my stomach refused all nourishment again my stomach refused all nourishment of white uppelished markle cold and no and I was growing weaker every day. The physician who attended me said there was physician who attended me said there was no hope; he could do no more for me and that I did not take any of "Warner's Safe

Great Blood Purifier.

ure" from the 20th of December until March following. They tried all they could to check the dropsy, but had to resort to tapping at last, which was done every thirteen or fourteen days until the that a few days would see the end. At this stage I resorted to "Warner's Safe Cure" and "Warner's Safe Pills," and with 23rd of March. Then I was given up as hopeless, my spiritual director giving me the last dying rites of my church. I told the n, fear not, I would, with the help of most satisfactory results, although it was some two or three weeks after I commencall right. I then began taking "Warner's ed their use before much decided improve-ment was manifested. My recovery then Safe Cure" every three hours, night and day, and "Warner's Safe Pills" also, and was very rapid My weight from dropsical dieted as directed, and to the surprise of swelling was then 132 lbs, and is now rethe doctors, my family, friends and the public, I was able to get out by the first of duced to 107, about my normal weight. Analysis showed 90 per cent. albumen with May for a short walk or a drive. I still continue to take "Warner's Safe Cure" and now I feel as well in health as I ever a quantity of tube casts, and is now reduced to 10 per cent. I am so far recovered as to be able to attend my domestic duties, taking moderately long walks and visit cramps, hiccoughing, or kidneys, and consfder myself a sound man again. The catarrh in the head, of which I was so Nervine" has so far corrected the action of my heart that the severe pain in my head has entirely left.

affected, also disappeared. are all the facts of my case, as hundreds can tell who know how low I was. As a reference I will mention the name of Mr. J, Rogers, with the firm of Evanson & Mason, of Montreal, who know my case in full.

Coccurred only 48 hours previous to Crocker's death and on the same post.
