good results. Throughout this field I find the people very kind, and I enjoy my labours among them very much. I hope and pray that the coming year may be one of unprecedented success in this and every other part of the Master's vineyard.

I must tell you now of an agreeable surprise I received on Monday morning the 4th inst. I was presented with the sum of \$20.00 by Mr. D. W. Mesereau on behalf of the young men of Fredericton Junction. I wish to hereby gratefully acknowledge the same. May God's blessing rest upon the donors. This is only one of many evidences of kindness I have received from the people of my circuit.

GEO. W. FOSTER.

DEER ISLAND.—Since I came to this parish I have preached in nearly all the churches on this Island, and the general interest has been good. A number have already expressed a desire to start in the path which leads to Heaven. I baptized a very promising young man recently at Northern Harbour, and we are expecting others to follow. The social meeting at the different churches have been very interesting, and the outlook for successful work is encouraging.

A warm and cordial reception has been given me, and also about \$25.00 by friends at Northern Harbour, soon after my arrival. My regular work is with the churches at Chocolate Cove, Fair Haven and Northern Harbour, preaching for them each Sabbath. In addition to this I preached a few times on Campobello and also at Lambert's Cove. At the last named place they are building a church, and I have no doubt but we will be able to report good news from this field in the near future. I also preached twice for the church of Disciples at Lord's Cove and Leonardville. The congregations were large, and at the social meeting at Leonardville between twenty and twenty five took part. What is needed in all the churches is more energy and zeal, more piety and devotion. I now send the names of five subscribers for the INTELLIGENCER, intending to send twenty more before the close of the present year. In faith, hope and love.

HOME MISSION EXECUTIVE REQUEST. At a recent meeting of the H. M. Executive held in St. John the following resolution was adopted:

Resolved that the Corresponding Secretary seek, through the INTELLIGENCER, information as to the churches, now without pastors, that are desirous of having ministerial care.

In accordance with this resolution, and as instructed by the executive, the following questions are asked of each such church:

1.—To what pastorate, if any, the church belongs?

2.—About how much it can raise for the support of a minister?

3.—The P. O. address of the Clerk of the church?

And such other information as will enable the Executive to form a fairly correct idea of the condition, spiritual, financially and otherwise of the church.

The Secretary was also instructed to ask all the ministers who have no engagements, or engagements for only part of the time, to correspond with him, informing him whether their services can be secured to supply some of the destitute churches, and under what circumstances and on what terms they can give themselves entirely to the work.

It is hoped that both churches and ministers concerned in this notice will promptly respond to the request, giving fullest information.

Address the undersigned, at St. John.

J. T. PARSONS,  
Cor. Sec.

CARLETON.—Since General Conference quite an increase of interest has been seen in our church work. The attendance at the meetings is larger, and a deepening of spiritual life in the hearts of several of the members is encouraging. Earnest prayers are being offered for more spiritual power, and hopes are cherished that God's abounding grace will soon give us to see a time of refreshing and reformation. The pastor is going over his visiting list, having to this date, read the Scriptures and prayed with sixty seven families since Conference. More than sixty other families remain to be visited, all of whom he hopes to see by this time in the next month. Pastoral work of this kind is by no means light or unimportant. All calls made on his people by a pastor are not pastoral calls. Going into the homes, and talking about the common-place every day affairs of the world may be socially pleasant, but such visiting, without personal inquiries and direct conversation about religious matters, with scripture reading and prayer, is not helpful to the spiritual life and the best interests of the church. Faithfulness to his Master and to the people

under his care demand of the pastor, in his house to house work, honest scriptural teaching as to the responsibilities and duties as well as the privileges of church membership. He needs to be wise as well as faithful in dealing with the unconverted members of the households. A real, not an assumed love for all—parents and children, richer and poorer, white and black, with tender and sympathetic care for the afflicted and discouraged, is beyond all price. This face to face, heart to heart contact, is a most blessed work. Pastors need to know their people, and to weep as well as to rejoice with them, before they can do them lasting good. His people would not belong to the same race with himself if he did not find amongst them some peculiar persons and peculiar things to deal with.

Our day for fasting and prayer was well and, we believe, profitably observed. An early prayer meeting, from 7.30 to 8.15 a. m., was a blessed season. All the time was spent in earnest prayers to God. At the noon hour from 12 to 1 o'clock, a good number met again, when the whole hour was spent on our knees in importunate prayer, interspersed with an occasional verse sung. What a blessed hour! Some of us will long remember it. In the evening we had another meeting, the most of the time being spent in prayer. The ministers, from the old veterans down to the young brethren, were remembered. The Lord of the harvest was plead with to lay his hand upon other young men and thrust them into the whitened harvest fields. The Mission work, Sabbath School work, Educational work and all the churches and interests of the denomination were remembered. Neither food nor drink was tasted by some during the day. It was a good day.

Our first quarterly mission sermon was preached last Sabbath. Although it was a rainy day, the attendance was fair and the collection quite satisfactory.

In compliance with the request from the Y. M. C. A. I expect to preach next Lord's day to young men.

Have you heard that Bro. Burr is getting on nicely on Deer Island?

Letters from himself and others, report good being done. One young man has been baptized, others have expressed their desires to become Christians, with other good fruits cheer him and the people. He preaches three times each Sunday and has a meeting somewhere nearly every evening during the week.

G. A. HARTLEY.

Nov. 7th, 1889.

PERSONAL.—We are sorry to have to say that Mrs. Wm. Downey is still in a very weak and precarious condition. We bespeak in her behalf the prayers of the many friends of herself and Bro. Downey.

Bro. D. himself injured his leg by a fall the other day, and moves about with much difficulty.

Jacob G. Downey, Esq., of Kars, brother of Rev. Wm. Downey, who was so low with fever is now on his way to full recovery, but his wife is now very ill with typhoid.

Miss Whitlock, the Christian Scientist of this city, is quite ill.

Mr. J. A. Vanwart, whose health has been poor for some weeks, is going south for the winter.

Mr. Ezekiel McLeod, a former Fredericton boy, is visiting his brother, Rev. Dr. McLeod, after an absence of eighteen years in the west. Mr. McLeod's home is in Wisconsin, where for some years he has been engaged in newspaper work.—Gleaner.

The treatment of other physicians, celebrated for curing catarrh were procured, and so on till these incomparable cures now include disease of the lungs, kidneys, female weakness, rheumatism and nervous debility. Ask your druggist for them. Those who cannot procure these remedies from their druggist may remit the price to Hospital Remedy Co., 303½ West King St., Toronto, and the remedy will be shipped to them direct. (The price is one dollar each.) Descriptive catalogue sent on receipt of stamp to pay postage.

## Deaths.

JEFFS.—At Dover, New Hampshire, on the 12th October, Anna May, aged 24 years, 7 months and 22 days, beloved wife of Frank M. Jeffs of the peace, and only daughter of Jacob I. Perry of West Glassville, Carleton Co., N. B., leaving a sorrowful husband, an infant daughter, father and mother, three brothers, numerous relatives and friends, to mourn their great loss, deeply regretted by all who knew her. She now sleeps in death to rest with God.

REPORT.—On the 5th inst., Mrs. Hester A. wife of Nathaniel Rideout of Somerville, C. C. aged 68 years. She leaves a sorrowful husband and children, besides a large circle of relatives and friends to mourn their loss. Sister Rideout was a faithful wife and mother, very kind to the poor and an obliging neighbour. She died trusting in the merits of Christ whom she trusted for nearly half a century. Her funeral was largely attended, conducted by the writer, assisted by Revs. Sippell and Shaw and Brother A. McVinch.

T. S. VANWART,

PHILLIPS.—On the 30th ult., at Bath, C. C., of paralysis, Matthew Lee Phillips Esq., in the 81st year of his age. Brother T. was a kind and generous christian gentleman. His godly wife, who passed on to the better land just 16 weeks before him was one of the very best of women. They had lived nearly 53 years together. Some two years ago they celebrated the 50th year of their married life. One feature of that gathering was that W. J. Boyer and wife of Somerville, who were groomsmen and bridesmaid at their marriage, were present on the latter occasion, all hale and hearty. Brother Phillips and wife publicly professed faith in the Saviour about 50 years ago, and united with the F. C. B. church, and died members of the same. He leaves to children and a large number of relatives and friends to mourn their loss. His funeral was largely attended, conducted by the writer, assisted by Revs. Rideout and Palmer (Methodist).

T. S. VANWART,

FREEZE.—On the 5th inst., at the residence of her brother, Brougham H. Freeze, Petitediac, Caroline A. Freeze, beloved wife of Elias Freeze Esq., of Penobscus, Kings Co., in the 57th year of her age, leaving a husband, 2 children, 3 brothers, 6 sisters, 1 grandchild, other relatives and a large circle of friends to mourn their loss. But what was loss to them, was everlasting gain to her, for she died peacefully trusting in Jesus her Saviour. For over 6 years she had been in failing health, but during the past year her decline has been more marked, the insidious spinal disease, complicated with paralysis, stubbornly refusing to let go its hold. Early in July of this year, at the solicitation of her brother residing here who was hopeful that a change of air and surroundings would be beneficial to her, she came to Petitediac. But it soon became apparent that she was past human aid, and slowly but surely she sank away. Her brother and his companion were assiduous in their attention to her, and everything that loving, thoughtful care could suggest was done for her by her devoted friends and relatives. In 1875, under the labours of Rev. C. T. Phillips, she experienced religion, and by him was united to the Methodist F. C. B. Church, of which she continued a member, loved and respected, up to her death. In my visits to her during her sojourn in Petitediac, she very often gave expression of her unwavering trust, and holy confidence in the Saviour. To know her was to love her, as she so peacefully, without murmuring or repining, resigned herself to the will of the Lord, whom she so devoutly loved and trusted, realizing that although she was walking through the valley of the shadow of death she feared no evil, for Jesus was with her. The funeral, on the 7th, at Penobscus was very largely attended. The text used was Rev. 14:13.

An Awful Sore Limb  
Skin entirely gone. Flesh a mass of disease. Leg diminished one third in size. Condition hopeless. Cured by Cuticura Remedies in two months.  
Cured by Cuticura

For three years I was almost crippled with an awful sore leg from my knee down to my ankle; the skin was entirely gone, and the flesh was a mass of disease. Some physicians pronounced it incurable. It had diminished about one third the size of the other, and I was in a hopeless condition. After trying all kinds of remedies and spending hundreds of dollars, from which I got no relief whatever, I was persuaded to try your CUTICURA REMEDIES, and the result was as follows: After three days I noticed a decided change for the better, and at the end of two months I was completely cured. My flesh was purified, and the bone which had been exposed for over a year got sound. The flesh began to grow, and to-day, and for nearly two years past, my leg is as well as ever it was, sound in every respect, and not a sign of the disease to be seen.

I feel it my duty to you and the public to state the above case.
