Macrae came to her death from eating candy upon which or in which strychnine had been placed, which candy had been sent through the post addressed to Rev. Donald Macrae and received at the residence on Wednesday morning, October 2nd, 1889.

And furthermore, from the evidence which is before us, we are of the opinion that the said candy was sent by William J. McDonald.

THE "ROYAL FLAVOURING EXTRACTS" are made of great purity and strength. Take no other.

A BOTTLE of the "Lotus of the Nile" is a most acceptable present to a lady.

THE "MAUD S." CONDITION POWDER is as far in advance of its rivals, as Mr. Vanderbilt's celebrated mare is ahead of her rivals in the estimation of the public.

ATTACKED THREE TIMES.

C. C. RICHARDS & Co.
Gents.—I took a severe cold, which settled in my throat and lungs and caused me to entirely lose my voice. For six weeks I suffered great pain. My wife advised me to try MINARD'S LINIMENT and the effect was magical, for, after only three doses and an outward application, my voice returned, and I was able to speak in the Army that night, a privilege I had been unable to enjoy for six weeks.

ALMOST DRIVEN INSANE.

MISS LIZZIE DOUGLAS,
Rednerville, Ont.

There is no one article in the line of medicine that gives so large a return for the money as a good porous strengthening plaster. Such as Carter's Smart Weed and Belladonna Backache Plasters.

There's danger in neglecting a cold. Many who have died of consumption dated their troubles from exposure, followed by a cold which settled on their lungs, and in a short time were beyond the skill of the best physician. Had they used Bickel's Anti-Consumptive Syrup, before it was too late, their lives would have been spared. This medicine has no equal for curing coughs, colds and all affections of the throat and lungs.
