Mr. J. Haddon Balcom tells us that one day last week he killed a snake from whose body he took fifty young snakes. He did not appear much astonished when we informed him that in 1846 he killed one near Lawrence-town in which we found no less than eighty-two young ones—the late John Ross, J. P., of that town, being a witness of our statement.—Bridgetown Monitor.

The supposed Italian, murdered near Amherst, turns out to be George Barrow of Halifax. London has been extraordinarily unhealthy for the last three weeks, and typhoid fever, with a kind of kindred blood poisoning, has been very prevalent. This state of affairs is said to have been caused by the great rush of water from the heavy rains into the drains, coming after the great drouth which drove out great deals of sewerage gas and poisoned those who happened to be in a delicate or susceptible condition.

W. S. Caine, member of Parliament, who has been travelling in Japan reports that the area of that country is 148,000 square miles, with a population of 37,000,000. Great Britain, on the contrary, with 122,000 square miles has upwards of a million paupers. But in Great Britain millions of the people are besotted with beer, ale and whiskey.

## IT DON'T MATTER.

Five years ago I had a constant cough, night sweats, was greatly reduced in flesh, and had been given up by my physicians. I began to take Ayer's Cherry Pectoral, and after using two bottles of this medicine, was completely cured."—Anga A. Lewis, Ricard, N. Y.

## THOROUGHLY TRIED.

HAVING given Dr. Fowler's Extract of Wild Strawberry a thorough trial, I do not hesitate to say that I believe it is the best remedy in existence for all summer complaints, diarrhoea, dysentery, colic, etc.

Springfield, Ont.

MRS. W. FOWLER,

## MONOPOLIES AND COMBINES

are a source of menace to the public welfare, and should be stamped out. So should catarrh. Mr. J. Duncan, Maple Creek, N. W. T., says: "Nasal Balm has done my catarrh good, more than all the numerous remedies I had previously tried combined. I have improved so much that I believe one more bottle will completely cure me."

Mr. T. C. Wells, Chemist and Druggist, Port Colborne, Ont., writes: "Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure sells well, and gives the best of satisfaction for all diseases of the blood." It never fails to root out diseases of the system, cures Dyspepsia, Liver Complaint, etc., purifies the blood, and will make you look the picture of health and happiness.

## CONSTANT CARE.

CONSTANT care is necessary against unexpected attacks of summer complaints. No remedy is so well known or so successful in this class of diseases as Dr. Fowler's Extract of Wild Strawberry. Keep it in the house as a safeguard.

A. D. Noyce, Michigan, writes: "I have enquired at the drug stores for Dr. Thomas' Electric Oil, but have failed to find it. We brought a bottle with us from Quebec, but it is nearly gone and we do not want to be without it, as my wife is troubled with a pain in the shoulder, and nothing else gives relief. Can you send us some."
