

News of the Week.

NEW BRUNSWICK.

The Florenceville has discontinued her trips between Fredericton and Woodstock on account of low water.

Mr. John Cleveland is about establishing a mill on the fire grant settlement a few miles from Newcastle, Queens Co., for sawing spool wood. The mill will be well equipped with machinery, and will give employment to pine hands and will open about the first of December.

A fire at Forest City, York county, on Saturday morning destroyed John L. Veysey's hotel and Samuel Patterson's blacksmith shop with a considerable quantity of grain owned by W. H. Vose. The loss on Veysey's buildings is estimated at \$2,000 with \$1,000 insurance. Samuel Patterson's loss is about \$600 with no insurance.

Growing corn for the canning factories is now assuming extensive proportions in our province. The factory at Cape Tormentine packed this season 450 cases of 5 doz. cans each. The factories on the St. John river and elsewhere report exceptionally favorable seasons. The farmers who tried the experiment of raising corn for the factories are well satisfied with the results.

While men were digging around the lighthouse at the mouth of the Petitcodiac river recently they came across three rifles and a number of coins which had evidently been deposited there some years ago.

John Hammond's house at Temperance Vale was burned with most of the household and personal effects. A trunk containing upwards of \$40 in cash, besides several valuables, went up in the flames.

Thursday morning the buildings owned by J. E. Miller and A. E. Alexander, situated on Water Street Campbellton, were totally destroyed by fire.

Brakesman Gallagher on Crockett's west bound special had three fingers taken off while coupling cars at Pollet River Wednesday night. Gallagher has only been on the road a short time.

John Frost, a peddler well known in York shot himself very dangerously a short time since. He was driving along in his cart on one of the roads leading to the Harvey Station, and had a loaded gun on the seat behind him, when in some way the trigger came in contact with one of the wheels. The shot entered below the knee of the left leg and lodged.

Daniel Crowley, of Cork Settlement, York county, who has been working on the Canadian Pacific telegraph line, was seriously injured recently by falling into a culvert near Amherst. He died on Wednesday.

Carey and Foster, were found guilty of damaging a Grand Manan church, and were sentenced to six months each in the county jail.

There are a number of cases of typhoid fever at Hartland, Carleton Co. Jas. Sutton, a brakesman on the I. C. R. fell from the train (a special) near New Mills, R. Co., Saturday, and was instantly killed. He was making his first trip as brakesman.

McIntee, accused of setting fire to the St. Croix cotton mill last February, on his second trial, Friday, was acquitted.

At St. Andrews Sunday morning Wm. Hartley was found dead. His head was resting in a pool of blood. Foul play is suspected.

Moncton water famine is ended. The reservoir is filling up rapidly. Where on Thursday there was a stream a man could jump across, there is now a body of water more than a hundred feet wide and several feet deep. It is estimated the present supply could stand a steady drain in case of fire for forty-eight hours, but rain is badly needed.

NOVA SCOTIA.

Judge Graham has made new rules for the Nova Scotia divorce court. Hereafter the parties and their witnesses will be required to give testimony in open court before the judge, instead of before an examiner especially appointed to take evidence.

Jeddore Gould of Nappan took hold of the muzzle of a heavily loaded gun and hauled it towards him. The gun discharged and its whole contents were lodged in Gould's bowels, resulting fatally.

The gold mines of Nova Scotia produced \$21,661 worth of the precious metal in September.

Speculators are buying up potatoes in Nova Scotia for the American market. They are anxious to make shipments as rapidly as possible for a single carload of frosted potatoes will spoil a whole cargo.

Another effort is being made to secure the release of Wm. Peeper, who is in Dorchester penitentiary on a life sentence for the murder of Peter Doyle.

One of our Halifax exchanges inform us that about 15,000 barrels of potatoes have lately been shipped to the West Indies, where it is said latest quotations show the price to be about \$9 a barrel.

Agents for English dealers are buying up all the prime apples in Nova Scotia, which accounts for the scarcity of the best grades in this market. Says the Kentville Star: Immense quantities of apples are being shipped to England, where Ribston are said to be bringing as high as 50s. per barrel, and other varieties in proportion. There are agents in the county who are also offering good prices for the U. S. shipments. One well known firm of shippers to the English market expects to clear \$15,000 from apple shipments alone.

The survey of the proposed Street railway in Yarmouth has been completed. The actual distance from Milton foundry to Moody's Corner was found to be a mile and three quarters. The road is reported as very easy to build. Estimates are now being prepared, as to the relative cost of running horse and electric cars.—Times.

In the Halifax poorhouse there were last year in all 540 inmates. The largest number at one time was 344. The smallest 255.

In Halifax a man named Bishop narrowly escaped death the other day by poisoning. He drank the liquid of stramonium leaves as a cure for asthma, instead of smoking them as directed. The doctors worked with him all night and saved his life.

The Merchants Bank of Halifax intends increasing its capital by \$100,000.

A valuable deposit of moulding sand has been discovered in Hants County, which is said by experts to be equal to the best moulding sand for brass work obtainable in any part of the world. Two or three cargoes have already been shipped to Boston, worth \$7 per ton landed in that city.

A biscuit factory, 80x58, with a basement is to be erected at Pictou.

A discovery has just been made of an iron deposit at Sunny Brae, Pictou County. The lode is not only vast, but the quality of the ore is said to be excellent.

A heavy thunderstorm passed over Parrsboro on Sunday last, destroying some of the telephone wires and poles at Whitehall, and passed through the roof of a house, doing no other injury than stunning some boys at play near by.

Says the Island Reporter: Last week the sheriff collected Scott Act fines of \$50 each from Robt. Newton and Patrick Dowling of Bras d'Or. Six cases were tried at the police office yesterday and fines imposed in four of \$50 each.

Schooner Kestrel, Capt. McDonald, from Cow Bay, bound to Halifax, laden with coal and pickled fish, struck near the lighthouse at the entrance of Louisbourg, C. B. harbor Friday morning. The vessel sank mid channel. Only about three feet of her topmast is out of water.

A Halifax despatch says the people of Current Island and in the vicinity of the Straits of Belle Isle, are starving owing to the failure of local fisheries, and Halifax merchants are appealing for immediate relief. Captain Farquar, of the steamer Harlow, running to the west coast Newfoundland, personally testifies to the dire distress of the people, and says food is of the most urgent necessity.

OTHER PROVINCES.

The Quebec government has sent down provisions to the value of \$9000 to the suffering fishermen of Esqui-maux Point.

The legislative assembly of the North-west territories has adopted resolutions in favor of the abolition of separate schools and the French language in the territories.

C. H. Crickmore, a well known, Windsor, Ont., lawyer, is missing. He sold his extensive law library, and in fact, everything else in his office to Deputy Judge Ellis for \$250. With this money he left the office and was seen afterwards on the same day at the Crawford House, but did not go to the boarding house at Sandwich, nor has he been there since.

In Montreal, off Thursday, an explosion of dynamite cartridges took place. One person lost his life. Five were injured and many houses in the neighborhood were badly damaged.

Wheat, of the growth of Manitoba and the North West Territories, is now being sent east at the rate of 100 carloads per day. There is a large surplus for exportation from these sections of Canada this year.

A general election will take place in Newfoundland on the 6th of November. Annexation to the Dominion is not an issue. Manhood suffrage and the ballot come into operation for the first time in this election, which render the result somewhat problematical.

The weather in Manitoba this fall has been no exception to that of the same season in former years—clear, bright days and cool nights for three weeks or more, followed by steady rain for a day or two, just the weather for fall ploughing. Farmers have been able to do more ploughing and breaking than has ever been done in the province before, and 25 per cent. more land will be put under crop next spring than last. Threshing is almost finished and the yield of wheat very satisfactory.

The Ottawa lumber kings expect that there will be more square timber taken out during the ensuing winter than for many years past.

UNITED STATES.

In the village of Woodville, Ohio, nearly one-third of 800 people are victims of typhoid fever and diphtheria. Last week there were 10 deaths from typhoid fever and nearly that number from diphtheria. Business is entirely suspended.

The complete jury has been secured in the Cronin case.

Typhoid fever is raging throughout the upper peninsula of Michigan. At Negaunee there are 150 cases, and many deaths are reported.

A letter from Rear Admiral J. H. Gillis, dated Montevideo, Uruguay, Sept. 11, 1889, just received says reports of a most reliable character show that yellow fever is breaking out in various parts of Brazil besides the city of Rio Janeiro. Commencing so early it would indicate an unusually sickly season.

Chicago despatches report the opening of a vein of natural gas as opened up by men sinking a shaft for the water tunnel two miles out in the lake. It took fire and burned five workmen severely.

Advices from Western Montana say that thousands of head of cattle have been starved to death from want of grass and water.

The ranchmen are paying as high as twenty-five dollars for hay and in a week or two it will be impossible to get it at any price. Water is being hauled in some cases a distance of twenty miles.

A case calculated to awaken the liveliest sympathy of a community, is reported from Portsmouth, N. H. A short time ago Langdon Brooks, a farmer, had his house, outbuildings and contents destroyed by fire, losing everything. Shortly after the fire one of his children was taken ill and died, and the family consisting of nine persons, five are seriously ill with diphtheria.

Aid is sought for drought sufferers in South Dakota where the crops have failed and the people are in a destitute condition, with a long cold winter before them. Many of the farmers are without the means to purchase fuel, provisions, clothing or any of the absolute necessities of life, and unless help from outside is procured, there must be great suffering between now and spring.

A cable despatch has been received from Captain Wissmann stating that reliable news has been received concerning Henry M. Stanley, Emin Pasha, Signor Casati and six Englishmen. All are expected to arrive at Myawpa the latter part of November. Captain Wissmann says that he defeated a force of insurgents near Somewhere and killed 70 of them.

BRITISH AND FOREIGN.

Cholera is still raging in the valleys of the Tigris and Euphrates. During the past three months there were 7,000 deaths from the disease.

A return just issued of shipping casualties which occurred on or near the coasts or in rivers or harbors of the United Kingdom from the 1st of July, 1887, to the 30th of June, 1888, shows that the total number of sea casualties during the period was 6,806. The number of total losses at sea was 573 (tonnage 201,519).

A company has been formed in London for the purpose of erecting a tower in London on the Eiffel plan. The tower is to be 1,250 feet high. Five hundred pounds is offered as a prize for the best design for the proposed tower, and £250 for the second best design.

The Zanzibar agent of the London mission reports that the Jesuit missionaries have been expelled from Unjanebo and their mission destroyed. The Nyassa and Tanganika missions have not thus far been molested. The missionaries, although in a trying position are in good spirits.

Russia seems to have determined on the construction of the proposed Siberian railway to extend from St. Petersburg east to Vladivostok on the Pacific ocean, with the possibility of a branch at Peking. The line will be about 4,500 miles in length. When completed it will reduce the time of travel between London and Peking from 48 days via Suez and from 38 days via the Canadian Pacific Railway to about 18 days. The proposed Pacific terminus is located nearly opposite San Francisco and about 4,000 miles distant.

Mitylene Lighthouse was wrecked by an earthquake to-day. Slight damage was done in Constantinople. Shocks in Italy caused serious damage and some loss of life in Gallipoli.

Le Figaro publishes an account of an interview said to have taken place between the emperor of Austria and Prince of Lichtenstein. The emperor said as Boulangerism was defeated in France Austria no longer had reason to oppose that country. The prince reminded the emperor of the treaty of alliance between Austria and Italy. To this reminder the emperor replied that the alliance was merely temporary, the future had many surprises in store.

Jos. Beaudin, M. D., Hull, P. Q., writes:—Dr. Thomas' Electric Oil commands a large and increasing sale, which it richly merits. I have always found it exceedingly helpful; I use it in all cases of Rheumatism as well as fractures and dislocations. I made use of it myself to calm the pains of a broken leg with dislocation of the foot, and in two days I was entirely relieved from pain.

THE GREAT NORTHWEST.

joins the other parts of the Dominion in its praises of the wonderful virtues of Nasal Balm. Mr. Wm. H. Sharp, Trebene, Man., says—I am delighted to be in a position to say that Nasal Balm is helping me wonderfully, although I have been using it but a very short time. It speedily cleared out the head and stopped the disagreeable droppings into the throat. For some time I have suffered severely from catarrhal head ache, Nasal Balm has removed every trace of it. I have every confidence in its completely curing me. It is deserving of all you claim for it: "A Positive Cure for Catarrh. Easy and Pleasant to use." I hope it will soon be for sale in every town and village in Manitoba.

If you once try Carter's Little Liver Pills for sick headache, biliousness or constipation, you will never be without them. They are purely vegetable, and easy to take. Don't forget this.

If you are tired taking the large old fashioned griping pills, try Carter's Little Liver Pills and take some comfort. A man can't stand everything. One pill a dose. Try them.

LIFE WAS A BURDEN.
UNTIL lately I suffered from headache, always preceded by constipation, making my life a burden. A friend advised Burdock Blood Bitters. I took three bottles, and now feel myself a new man, and my headaches are things of the past. A. R. JULLIEN, Ottawa, Ont.

If the Sufferers from Consumption, Scrofula and General Debility, will try Scott's Emulsion of Cod Liver Oil, with hypophosphites, they will find immediate relief and a permanent benefit. Dr. H. V. Mott, Brentwood, Cal., writes: "I have used Scott's Emulsion with great advantage in cases of Phthisis, Scrofula and Wasting Diseases. It is very palatable. Put up in 60c. and \$1 size.

ATTACKED THREE TIMES.
"HAVING been attacked for the third time with Inflammatory Rheumatism, which kept me in bed six weeks under medical care, without relief, I resolved to try Burdock Blood Bitters, and before I had finished the third bottle I was able to work again."

C. C. RICHARDS & Co.
Gents.—I took a severe cold, which settled in my throat and lungs and caused me to entirely lose my voice. For six weeks I suffered great pain. My wife advised me to try MINARD'S LINIMENT and the effect was magical, for, after only three doses and an outward application, my voice returned, and I was able to speak in the Army that night, a privilege I had been unable to enjoy for six weeks. CHARLES PLUMMER, Yarmouth.

A PLEASING DISCOVERY.
I SUFFERED with neuralgia and obtained no relief until advised to try Hagyard's Yellow Oil. Since then I have found it to be an admirable remedy also for burns, sore throat and Rheumatism.

MRS. F. CAMERON, 137 Richmond St. W., Toronto, Ont.

THE "ROYAL FLAVOURING EXTRACTS" are made of great purity and strength. Take no other.

THE "MAUD S." CONDITION POWDER is as far in advance of its rivals, as Mr. Vanderbilt's celebrated mare is ahead of her rivals in the estimation of the public.

THE ALERT WATCHMAN.
WARNS us of approaching danger, a hacking cough warns of coming consumption. Take time by the forelock and use Hagyard's Pectoral Balm! the surest, safest and best cure for coughs, colds, asthma, hoarseness, bronchitis, and all throat and lung troubles.

Many diseases of the skin are not only annoying but are hard to cure. You will not be disappointed if you try Baird's French Ointment. It also cures insect stings, piles, chapped hands, &c. Sold by all dealers.

For Cramps, Cholera, Diarrhoea, Summer complaint, use Kendrick's Mixture. Kendrick's Mixture, a positive cure in nearly every case. Sold by all dealers. 25 cents.

Mr. Thomas Ballard, Syracuse, N. Y., writes: "I have been afflicted for nearly a year with that most-to-be-dreaded disease Dyspepsia, and at times worn out with pain and loss of sleep, and after having tried almost everything recommended, I tried one box of Parmelee's Pills. I am now nearly well, and believe they will cure me. I would not be without them for any money."

The great demand for a pleasant safe and reliable antidote for all affections of the throat and lungs is fully met with in Bickle's Anti-Consumptive Syrup. It is a purely Vegetable Compound, and acts promptly and magically in subduing all coughs, colds, bronchitis, inflammation of the lungs, etc. It is so palatable that a child will not refuse it, and it is put at a price that will not exclude the poor from its benefits.

ALMOST DRIVEN INSANE.
"I HAD such distress in my stomach and head that I thought I would lose my reason, but on trying Burdock Blood Bitters I derived great benefit. I have used three bottles and am now as well as ever I was in my life. Thanks to your medicine." MISS LIZZIE DOUGLAS, Rednerville, Ont.

Those unhappy persons who suffer from nervousness and dyspepsia should use Carter's Little Liver Pills, which are made expressly for sleepless, nervous dyspeptic sufferers. Price 25 cents.

STEAM SAW MILL

FOR SALE AT

Victoria Corner, C. Co.

THE Subscriber offers for sale his Steam Saw Mill, situated on the bank of the St. John river, at Victoria Corner, C. Co., consisting of Rotary Mill and Edger, Shingle Machine and Lath Machine, with good steam power sufficient to run the above machinery; also power for a grist mill. There being a good opening for a grist mill in the locality, their being no mill on the west side of the river for a distance of twenty-three miles. Any person wishing to engage in the milling and lumber business, this is a good opening, as the property will be sold at a bargain and on easy terms.
JAMES W. BOYER.
Victoria Corner, C. Co., Sept. 6, '88.
