The disease has now made its appearance in the country adjacent to the city, and it is feared that it may spread throughout the country. The physicians have been unable to check or give a cause for the terrible epidemic.

## BRITISH AND FOREIGN.

Parnell is sick. A St. Petersburg despatch says that all the inhabitants, numbering 40, of a small village in Kursk province, are under arrest for burning the entire village to obtain insurance money. The peasants made no secret of their plans and collected their effects in a safe place before applying the torch. They seem perfectly unconscious of having done any wrong, and say their houses were old and they wished to improve the town by building new ones with the insurance. They cannot understand why they should be arrested.

A memorial to the government on behalf of Mrs. Maybrick has been signed by most of the barristers and solicitors of the Liverpool circuit. A similar petition is being circulated among the merchants and brokers and is receiving many signatures. There is a general feeling throughout the country against the verdict.

## A BABY IN DANGER.

My baby was taken very bad with diarrhoea, nothing did any good until I tried Dr. Fowler's Extract of Wild Strawberry. I am certain nothing equals it, and could not do without it in time of summer complaint and diarrhoea.

Shell River, Man.

## MYSTIC WORDS.

I can recommend Dr. Fowler's Extract of Wild Strawberry for chronic diarrhoea, as I have used it for two years and can get nothing else that helps me like it. JANE TAYLOR, Mystic, P. Q. This medicine cures all summer complaints.

No medicine in the world is better reputed or more widely known than Ayer's Sarsaparilla. As a safe and certain remedy for all manner of blood disorders, leading physicians and druggists everywhere recommend it in preference to any other.

Much injury is done by the use of irritating, gripping compounds taken as purgatives. In Ayer's Pills, the patient has a mild but effective cathartic, that can be confidently recommended alike for the most delicate patients as well as the most robust.

## EXCELS ALL OTHERS.

I used one bottle of Burdock Blood Bitters for constipation and loss of appetite and it cured me. I would not do without it at six times the price for it excels all others.

WILLIAM WALTON,  
Galt, Ont.

## Food for Consumptives.

Scott's Emulsion of Cod Liver Oil, with Hypophosphites, is a most marvelous food and medicine. It heals the irritation of the throat and lungs, and gives flesh and strength quicker than any other remedy known. It is very palatable, having none of the disagreeable taste of the crude oil. Put up in 50c. and \$1 size.

## ON THE INCREASE.

The Proprietors of Parmelee's Pills are constantly receiving letters similar to the following, which explains itself. Mr. John A. ## AN OLD FAVORITE.

That has been popular with the people for thirty years is Dr. Fowler's Extract of Wild Strawberry for all varieties of summer complaints of children or adults. It seldom or ever fails to cure cholera morbus, diarrhoea and dysentery.

"THAT TOUNS OF THE SOUL, THE DINNER BELL," as Byron calls it, suggests no pleasing reflections to the dyspeptic, bilious sufferer. He partakes, of course, but the subsequent torment is egregiously out of proportion to the quantity of food he eats, which lie undigested, a weight like lead in his unhappy stomach. There is a remedy, however, and its name is Northop & Lyman's Vegetable Discovery and Dispeptic Cure. No case is entirely hopeless.
