CALEDONIA, N. S .- I have recently concluded my labours with the F. B. church at Caledonia, Queens County, where I have spent about five months. I went to that place, not enjoying good health, but the Lord, who never forgets his trusting children, was pleased to raise up kind frlends to minister to my comfort, which has resulted in the restoration of my health by the various means employed.

The brethren were anxious for F. B. preaching to sustain the interest in this temporally prosperous locality. And the chief object of my efforts and prayers was to deepen and establish inward godliness among professors of religion, in order that true piety might have its rightful effect.

A few special meetings were lately held in conjunction with the Methodist and Baptist churches. It is hoped that some spiritual benefit has been derived; but the apparent result was not what we desired.

I am now on my way to Pittsfield, Maine, where I expect to resume my studies for the winter. I hope that some faithful servants of God may be employed with the church which I and affection. have left.

Thus are busy visiting the sick and attending the Foreign and Home Missions, Edufunerals, and then (as you know) I was for two weeks unable to do anything. The firs t Sabbath the pulpit was not all of them to be sustained by the occupied: the second Sabbath Bro. Clark very kindly came to our help, and his visit was helpful to the church as well as myself. I don't think the church enjoys my being sick, but they certainly enjoyed the opportunity of hearing Bro. Clark. I have not known a season of so much sickness since I came to the town as the last Summer and Autumn. Our own church, with others, has lost valuable members. In the death of Mrs. F. H. Hale the church lost a useful member, and the pastor and his family a faithful, thoughtful friend. Bro. G. F. Atherton lost a promising son, and he, himself has been for months unable to attend any of the meetings.

Our Sabbath congregations are quite as large as when I first came here, but the prayer meetings are smaller, although they are growing, steadily but surely, both in number and interest. Last Sabbath I baptized one, and expected to baptize others before the winter passes away.

comes of your victory in Fredericton, and I rejoice with you. More again. C. T. PHILLIPS.

STANLEY AND KINGSLEY .- As promised to let you hear from me when I got to Stanley I now write. I left Kingsley on Monday the 25th inst drove out to Woodland where I visited some friends and had meeting in the school house on Tuesday evening. There was quite a large congregation present, and eighteen spoke after the preaching service; the Spirit of God was in the hearts of the people and we spent an enjoyable evening praiseing the Lord. Wednesday morning I left for Bro. Jonah's at Maple Grove; the roads were very bad so I was all day making 17 miles. Thursday it snowed all day, so I have not been to visit any of the friends in this place yet. On Sunday I will be in Ward Settlement at 10.30, and at Green Hill at 3 p. m. Pray for me that God will help me, as He has ever since I began to work for Him. I expect to labour with the people here part of the time.

In Kirgsley the Lord helped me, the church there was revived and the young folks got started in the right way, and my prayer is that they may be kept there. We had to close the meetings on account of so many going to the woods, but I expect to go back there next year and labour for a while as there is a good chance to bring precious souls into the fold of Christ, and to help the church. I will hold some meetings here during the winter for the benefit of the church. May the God of all grace bless us all and keep us near Him is my earnest prayer.

WATERLOO ST., ST. JOHN.-Although we have no special revival interest here to report, I know it will be gratifying to friends to know that the old church on "Vinegar Hill" has in it to announce, slowly improving in still the elements of vitality and spirit- ! health.

We are constantly experiencing "how good and pleasant it is for brethren to dwell together in unity."

One of our Deacons, Bro. T. Graham, and his estimable wife, have purchased a farm at Hoyt Station, and removed there to live. We miss them much, but they go from us, carrying with them the best wishes and earnest new home they may manifest the same zeal for God, the same earnestness of purpose in carrying forward the interests of His cause, and the same denominational loyalty and fidelity to characterized them in the years they have been associated with us.
