Norman Hanson of Nashwaak has a four-year-old colt that tips the beam at 1665 lbs. This it is claimed, is the biggest stallion colt ever raised in York county.

A malignant kind of croup is prevalent at Haynesville, York Co., and several deaths have occurred from the disease.

The lad Bennett tried for shooting another lad named Hawkes in St. John in the summer, was acquitted, the shooting being believed to be accidental.

Two lads in Sackville confessed to setting fire to the barn of Mr. C. Faucett.

Coal from the Grand Lake is being sold all along the line of the Central and I. C. R. from Sussex to St. John.

The laying of rails was commenced last week on the Tobique Valley railway, and there are hopes that by Christmas the whole fourteen miles will be laid.

The steamer Oscar Wilde closed her season's work on the river, Thursday, by striking the rocks near Robinson's point and suddenly sinking. Her crew and passengers escaped. The steamer's machinery and steering gear were badly rattled, hence the accident. The boat will be raised.

A. J. Clark, of Grand Manan, has been appointed sub-collector of customs.

The value of goods entered for consumption at the port of Fredericton last month was \$52,680 and the duty paid thereon was \$5,747.45. For the corresponding month of last year the value of goods imported amounted to \$30,575 and the duty \$1,378.33.

Thursday afternoon the barn adjoining Mr. Robert McIntosh's house, near the junction of Watson street and the New Brunswick railway, Carleton, was burned.

Mr. Lewis Perley had his hand quite badly jammed by being caught in some of the belting at Risteen's factory, Friday morning.

Mr. Geo. W. Brown, was dangerously injured in his mill at Upper Southampton on Tuesday. The emery wheel bursting, one of the pieces struck him in the chest and another a glancing blow on the face, inflicting a cut over an inch deep, extending up and cutting through the eyeball into the eyelid, discharging the contents of the eye.

The bartenders of the Brunswick and Royal hotels were each fined fifty dollars for violation of the Scott Act, to-day.

Grand Manan herring this fall are the best that has been caught in that vicinity for years. The catch is good, and the fish are large and fat. Prices are \$4.00 to \$5.00 per barrel. Quoddy \$2.50 and Rippings \$2.00 half barrel.

On Thursday morning Judge Botsford sentenced young Murray and McFee, charged with burglary at Steeves' jewelry store, Petitediac, to two years in the penitentiary.

NOVA SCOTIA.

A Halifax boy 12 years of age has been complained of in court by his father for breaking a pane of glass in the house, in the absence of the parent, and entering to eat bread and other articles of food there. The father goes away to his work in the morning and does not return until late.

Four divorce cases come before the court in Halifax early next month. In three of the cases the husbands are the petitioners.

A country correspondent of the Parrsboro Leader writes to that paper: Grumblers about poor markets have hung their harps on the hemlocks this autumn. While butter blushes at 20 and 22 cents, geese fly at 80, and general produce ranges high in the market mercury, where can complaint come in?

Truro is in a great state of excitement over the prosecution of the liquor dealers, and a number of prominent hotelkeepers have left the town owing to pending convictions. Cases have been instituted against the expropriators of leading houses and the extent to which the prosecutors are carrying affairs has appalled the fellows.

A man named James Tuckett, 67 years of age and weighing 300 pounds, was buried in Halifax last week.

The gold returns in N. S. for October show that \$2,621,340 was obtained. Thirteen mills have not yet reported.

Mr. William Mosher of Mosherville, Hants Co., N. S., has an ancient powder horn which bears evidence of having played its part in the early history of America. It bears the inscription to the effect that it was the property of Isa Carle and it was made at Lake George, New York, in 1759. Its owner was killed in battle and the horn was brought to this country by Daniel Greeno, in 1762.

A carload of rails from the manufactory at Round Hill, Annapolis Co., were sent to Montreal last week. Two other carloads are to follow immediately.

Stipendiary Magistrate of Halifax has given an order to the police to arrest all boys found smoking on the streets. In issuing the order, he remarked, that there was too much juvenile smoking going on and he was bound to put a stop to it if possible.

Mr. Gideon Prescott, now at Shulee, N. S., shot a large moose the other day, which when dressed, weighed seven hundred and fifty pounds.

Edmund Grace was skylarking with two girls at Bridgeport, C. B. One girl said "Look out, or I'll shoot you," and pointed a self-cocking bulldog at him. It went off and the bullet struck Grace behind the ear. She "didn't think it would go off." He may recover.

In Annsbury, Freeman Martin (colored) was sentenced by Judge Morse to four years in the penitentiary for stealing books from J. F. Robinson of Spring Hill.

In taking salmon out of the Margaree river lately for the Sydney Hatchery, a 43-pound salmon was netted. This is the largest salmon ever seen in Cape Breton. It measured one foot across the tip of the tail.

It is estimated that there are 5,000 men and 1,000 horses working in the woods along the shore from River Herbert to Five Islands in Cumberland county, N. S.

Nicholas Davis, of Walton, Hants Co., N. S., measures 6 feet 8½ inches in height.

OTHER PROVINCES.

The Quebec legislature will meet on the 7th of January.

The grand total of the shipments from Summerside, E. I. for the season is \$623,367, of which \$335,451 went to the Dominion and \$287,916 to foreign ports. Of the latter amount \$209,080 went to the United States, \$66,876 to the West Indies and \$11,960 to Europe.

The storm of last week was very severe on the P. E. Island coasts. The Lunenburg schooner Jewel, Capt. Hebb, and the Chertook schooner Scotian, Capt. Smith, were both wrecked near Georgetown. The crews were saved.

In Newfoundland, the Whiteway government will have 28 supporters in a house of 36 members.

In Toronto, Friday night, fire broke out in the building occupied by the Truth Publishing Company and a number of other firms, and damage to the amount of \$90,000 was done to the building and contents. Frank Wilson, owner of the building and proprietor of Truth sustained a loss of \$35,000.

Harvey, the murderer of his wife and two daughters, was hanged at Guelph on Friday.

Last week a great storm swept over the Upper Provinces. Snow was sixteen inches deep in Quebec. There was a terrific wind with it. Considerable damage was done to small vessels and other property.

UNITED STATES.

In Ayer, Mass., William Hodgman, a farmer, shot his wife on Thursday. He attended a rifle and upon his return had an altercation with his wife, whereupon he took a loaded shotgun and chased her from room to room, and finally shot her, inflicting fatal wounds.

In Dayton, Ohio, the two-story brick building of Scott Hawthorne was blown in atoms by an explosion of natural gas. Hawthorne's two children were killed, himself, wife and father were terribly and probably fatally injured.

On Friday, a man ran through the business portion of Burlington, Iowa, with a sledge-hammer and before he could be arrested had smashed a dozen large show windows.

Typhoid fever has broken out among the inmates of St. Peter's orphan asylum, at Newark, N. J., and nine of 70 orphans are stricken.

A cyclone passed over Buford county, N. C., blowing down houses and tearing up trees. The residence of a farmer near Washington was blown to pieces and the family of six persons killed. A factory was blown down, two people killed and many others injured.

On Thursday Boston suffered a loss of several millions by fire. It was the most disastrous fire in that city since '72. It began about 8 A. M. in the six-story granite building owned by Jordan, Marsh & Co., and occupied by Brown, Durrell & Co., dealers in fancy goods, on Bedford street, corner of Kingston street. It raged for six hours and burned over two acres of territory covered by magnificent structures.

There are about 200 firms burned out, and 100 agents of New York and western firms had their headquarters destroyed. The 79 insurance companies known to be interested carry aggregate insurance of \$2,600,000 on the burned property.

John C. Paige's insurance agency estimates the loss will total ten million dollars; other estimates are lower. The individual losers, as a rule, are men abundantly able to stand it.

The insurance companies will likely profit by the fire in the long run, as the demonstration that so called fire proof buildings are not fire proof is likely to result in property being insured more nearly up to its full value.

The fire at Lynn, Mass., on Tuesday, of last week, devastated a square mile of the business section of the city. The loss is estimated at ten millions. The fire started in Mower's wooden building on Almont street over the boiler. Aid was sent in from Boston, Salem, Marblehead and surrounding towns. Four daily newspapers were burned out; three national banks and the Lynn Institute for savings were wiped out. Twelve of the finest shoe blocks in the city are in ruins and about twenty-five stores. It is impossible to state how many dwelling houses were burned. They were mostly occupied by the poorer classes. There were many narrow escapes from accidents, but no fatalities are reported. Dynamite and powder were used at frequent intervals to blow up wooden buildings with little effect. The central station of the Boston & Maine railroad was burned flat. A hopeful feeling prevails.

In Minneapolis, the Tribune building, 10 stories high occupied by the Tribune, the Minneapolis department of the St. Paul Pioneer Press, and numerous business offices, was burned Saturday night. Eleven lives are believed to have been lost and the pecuniary damage is placed at a quarter of a million. There were but very meagre exits and when the fire broke out on the third floor those on the upper floors made a mad rush for the stairs and fire escapes, while many jumped from the windows. Among those killed are three compositors and two associated press operators.

BRITISH AND FOREIGN.

The Russians have persuaded the Ameer of Bolshara to impose a duty on all British merchandise in transit for the Caucasus. The intention of the government of St. Petersburg in doing this is to arrest all commerce if possible between British India and Russian Asia.

The Turkish Journal Saadet reports that the steamship India, with 500 Mohammedan pilgrims on board, sunk in the Aegean sea. Of all on board only the captain and two passengers survive.

By March Italy will have in stock 40,000,000 smokeless cartridges.

It is rumored in St. Petersburg that the Ameer of Afghanistan is dead.

An explosion took place in a colliery at Bochum, Germany, by which 14 persons were killed and four wounded.

The Times says it is assured by high authority that Stanley is not likely to reach home until the end of January, and that he will probably stay some time at Mombassi to give the benefit of his experience to McKenzie, who is organizing a government in British East Africa. "It is hoped," says the Times, "that Stanley may be induced to undertake the administration of the East African government. We believe he might be quite willing to become a British subject."

The Cambrian flannel factory at Llanidloes, Wales, has been burned. Loss \$250,000.

The three-masted French ship "Ville de Marseille," with a cargo of 3,000 bbls. of powder, shipped from Mozambique, caught fire. The fire soon reached the forehold, where were 1,000 bbls. of powder. A terrific explosion followed. All the windows for a mile around were shattered. Fragments of the ship were picked up 500 metres from the scene of disaster. No lives were lost.

An epidemic of influenza in St. Petersburg is spreading. Half of the population are suffering from the disease. Among the victims are the Czar and Czarina and two of their children.

Over 7,500 dockmen and lightmen are on the strike at Bristol. The trade of the port is paralyzed.

Hospital Remedies.

There is a new departure in the treatment of disease. It consists in the collection of the specific used by noted specialists of Europe, and America, and bringing them within the reach of all. For instance the treatment pursued by special physicians who treat indigestion, stomach and liver troubles only, was obtained and prepared. The treatment of other physicians, celebrated for curing catarrh were procured, and so on till these incomparable cures now include disease of the lungs, kidneys, female weakness, rheumatism and nervous debility. Ask your druggist for them. Those who cannot procure these remedies from their druggist may remit the price to Hospital Remedy Co., 303½ West King St., Toronto, and the remedy will be shipped to them direct. (The price is one dollar each.) Descriptive catalogue sent on receipt of stamp to pay postage.

To Our Subscribers.

The SPECIAL ANNOUNCEMENT which appeared in our columns some time since, announcing a special arrangement with Dr. B. J. KENDALL Co., of Enosburgh Falls, Vt., publishers of "A Treatise on the Horse and his Diseases," whereby our subscribers were enabled to obtain a copy of that valuable work FREE by sending their address to "B. J. KENDALL CO." (and enclosing a two-cent stamp for mailing same) is renewed for a limited period. We trust all will avail themselves of the opportunity of obtaining this valuable work. To every lover of the Horse it is indispensable, as it treats in a simple manner all the diseases which afflict this noble animal. Its phenomenal sale throughout the United States and Canada, make it standard authority. Mention this paper when sending for "Treatise."

One package of "Maud S." Condition Powder contains more real medicinal virtue than two packages of any other Powder.

Consumption Can Be Cured

By proper, healthful exercise, and the judicious use of Scott's Emulsion of Cod Liver Oil and Hypophosphites, which contains the healing and strength-giving virtues of these two valuable specifics in their fullest form. Dr. D. D. McDonald, Petitediac, N. B., says: "I have been prescribing Scott's Emulsion with good results. It is especially useful in persons with consumptive tendencies." Put up in 50c. and \$1 size.

Minard's Liniment is used by Physicians.

THE QUEEN OF PERFUMES.—"Lotus of the Nile."

Consumptives should try Allen's Lung Balm; it can be had of any Druggist.

THE NEW WORD.

EUPEPSIA is derived from the Greek, and means a condition of perfect digestion. This condition is always attained by those who use Burdock Blood Bitters, the only guaranteed medicine for all forms of dyspepsia, constipation, biliousness, rheumatism, scrofula and all blood diseases.

Pimples, pustules, rash, eczema, all humors and all diseases of the skin, piles, ulcers, sores and wounds, chapped hands, roughness of the skin, are quickly healed and cured by the use of Baird's French Ointment. Sold by all dealers.

C. C. RICHARDS & Co. Gent.—We consider MINARDS LINIMENT the best in the market and cheerfully recommend its use. J. H. HARRIS, M. D., Bellevue Hospital. F. U. ANDERSON, M. D., L. R. C. S., Edinburgh. M. R. C. S. England. H. D. WILSON, M. D., Uni. of Penn.

NOT ONLY FOR MAN.

I CAN say that your Hagyard's Yellow Oil is the best thing I ever saw for croup, coughs, colds, cuts, or burns, and it is good for man or beast. Miss E. M. HOPKINS, Claremont, Ont. Yellow Oil cures rheumatism, neuralgia and all pain.

PROMINENT PUBLIC MEN.

are not slow to give expression to their opinion where genuine merit is concerned. D. Derbyshire, president of the Ontario Creamery Association, says: "Nasal Balm beats the world for catarrh and cold in the head. In my case it effected relief from the first application."

A short road to health was opened to those suffering from chronic coughs, asthma, bronchitis, catarrh, lumbago, tumors, rheumatism, excoriated nipples or inflamed breast, and kidney complaints, by the introduction of the inexpensive and effective remedy, Dr. Thomas' Electric Oil.

A BIG NUGGET.

OF gold may make a man rich, but it cannot make him healthy. If afflicted with any form of dyspepsia, biliousness, constipation, scrofula, bad blood, kidney complaint or skin disease, the remedy that will make you well is Burdock Blood Bitters. It is the best blood cleanser known.

Mrs. Harry Pearson, Hawtreys, writes: For about three months I was troubled with fainting spells and dizziness which was growing worse, and would attack me three or four times a day. At last my husband purchased a bottle of Northrop & Lyman's Vegetable Discovery, from which I derived considerable benefit. I then procured another, and before it was used my affliction was completely gone, and I have not had an attack of it since.

VALUABLE TO KNOW.

CONSUMPTION may be more easily prevented than cured. The irritating and harassing cough will be greatly relieved by the use of Hagyard's Pectoral Balm that cures coughs, colds, bronchitis and pulmonary troubles.

A Dinner Pill.—Many persons suffer excruciating agony after partaking of a hearty dinner. The food partaken of is like a ball of lead upon the stomach, and instead of being a healthy nutriment it becomes a poison to the system. Dr. Parmelee's Vegetable Pills are wonderful correctives of such troubles. They correct acidity, open the secretions and convert the food partaken of into healthy nutriment. They are just the medicine to take if troubled with Indigestion or Dyspepsia.

A PLAIN STATEMENT.

ALL poisonous waste, and worn out matter ought to escape from the system through the secretions of the bowels, kidneys and skin. B. B. B. cleanses, opens and regulates these natural outlets for the removal of disease.

Why don't you try Carter's Little Liver Pills? They are a positive cure for sick headache, and the ills produced by a disordered liver. Only one pill a dose.

Backache is almost immediately relieved by wearing one of Carter's Smart Weed and Belladonna Backache Plasters. Try one and be free from pain. Price 25 cents.

A NIGHT ALARM.

I AWOKE last night to find my little boy so bad with croup that he could hardly breathe, but on giving him some Hagyard's Yellow Oil on sugar, and rubbing his chest, throat and back with it also, he soon was sleeping quietly and awoke next morning perfectly cured.
