By a simple calculation it will be seen that the cheese industry, just in its infancy, has put \$1,968.17 cash into the pockets of the patrons over and above what they would have received in trade, if the same milk had been manufactured into butter."

Before the Parnell commission, Wednesday, Dennis Tooin deposed that he was a member of Kileonely band of moonlighters. He said when members of the band were sworn, the leader told them that by an order of the league tenants who paid rents were to be raided. Moonlighters were ranged in divisions, each division receiving orders from a captain, who also furnished the men with arms. The moonlighters were paid for committing outrages. Witness said they received £5 for making a raid on cattle of an obnoxious farmer, and seven shilling sixpence each for slaughtering cattle on Miss Thompson's farm. A Dinner Pill.—Many persons suffer excruciating agony after partaking of a hearty dinner. The food partaken of is like a ball of lead upon the stomach, and instead of being a healthy nutriment it becomes a poison to the system. Dr. Parmelee's Vegetable Pills are wonderful correctives of such troubles. They correct acidity, open the secretions and convert the food partaken of into healthy nutriment. They are just the medicine to take if troubled with Indigestion or Dyspepsia.

What enhances the beauty of fine features more than a clear skin? Even plain features are made attractive by a good complexion. To secure this, purify your blood with Ayer's Sarsaparilla. It has no equal. Price \$1. Six bottles, \$5. Worth \$5 a bottle.

Do no violence to the liver and general system by repeated doses of mercury in the shape of calomel and blue pill. Many persons thus dose themselves even without the advice of a physician. The best substitute for such pernicious drugs, and the use of which is never followed by disastrous effects upon the general health, is Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, which permanently tones the stomach, regulates the bowels, purifies the blood, and gives a healthful glow to the cheek.

A. D. Noyes, Newark, Michigan, writes: "I have enquired at the drug stores for Dr. Thomas' Electric Oil, but have failed to find it. We brought a bottle with us from Quebec, but it is nearly gone and we do not want to be without it, as my wife is troubled with a pain in her shoulder, and nothing else gives it relief. Can you send us some?"

Jacob H. Bloomer, of Virgil, N. Y., writes: "Dr. Thomas' Electric Oil cured a badly swelled neck and throat on my son in forty-eight hours; one application also removed the pain from a sore toe; my wife's foot was also much inflamed—so much so that she could not walk about the house; she applied the Oil, and in twenty-four hours was entirely cured."
