## IT DON'T MATTER.

HOWEVER old, obstinate or chronic your case may be Burdock Blood Bitters has cured so many seemingly incurable cases that it is well worth a trial in yours. Cases of Dyspepsia, scrofula, liver complaints, etc., of twenty-five years' standing have been cured by B. B. B.

Mr. John McCarthy, Toronto, writes: "I can unhesitatingly say that Northrop & Lyman's Vegetable Discovery is the best medicine in the world. It cured me of Heartburn that troubled me for over thirty years. During that time I tried a great many different medicines, but this wonderful medicine was the only one that took hold and rooted out the disease."

JAMES PYLE'S PEARLINE is considered the best Washing Compound of the day by all who once give it a trial. It cleanses the most delicate fabric without injuring it. Sold by all grocers.

## THOROUGHLY TRIED.

HAVING given Dr. Fowler's Extract of Wild Strawberry a thorough trial, I do not hesitate to say that I believe it is the best remedy in existence for all summer complaints, diarrhoea, dysentery, colic, etc.

Mrs. R. S. Waite, Springfield, Ont.

Joseph Ruson, Percy, writes:—"I was induced to try Dr. Thomas' Electric Oil for a lameness which troubled me for three or four years, and I found it the best article I ever tried. It has been a great blessing to me."

More cases of sick headache, biliousness, constipation, can be cured in less time, with less medicine, and for less money, by using Carter's Little Liver Pills, than by any other means.

"It is a Great Public Benefit."—These significant words were used in relation to Dr. Thomas' Electric Oil by a gentleman who had thoroughly tested its merits in his own case—having been cured by it of lameness of the knee, of three or four years' standing. It never fails to remove soreness as well as lameness.

THE MOST EXQUISITE handkerchief perfume—"Lotus of the Nile."

Minard's Liniment Cures Distemper.

For Children Starving to Death.

On account of their inability to digest ordinary food, Scott's Emulsion can be digested and give strength and flesh when all other food fails. See what Dr. A. H. Peck, Penn. Med. College, Petiscodiac, says: "I have used and prescribed Scott's Emulsion of Cod Liver Oil, and find it an excellent preparation, agreeing well with the stomach, and its continued use adding greatly to the strength and comfort of the patient." Put up in 50c. and \$1 size.

## A CORRUPT SYSTEM.

BAD blood may corrupt the entire system and cause scrofula's sores, swellings, ulcers, salt rheum, erysipelas, sore eyes and skin diseases, as shingles, tetter, etc. Burdock Blood Bitters purifies the blood and cleanses, tones and strengthens the entire system.

Messrs. C. C. Richards & Co. Gentls.—I have used your MINARD'S LINIMENT successfully in a serious case of croup in my family. In fact I consider it a remedy no home should be without.

J. F. CUNNINGHAM.

Cape Island.

So SAY ALL.—That MINARD'S LINIMENT is the standard liniment of the day, as it does just what it is represented to do.

## CONSTANT CARE.

CONSTANT care is necessary against unexpected attacks of summer complaints. No remedy is so well known or so successful in this class of diseases as Dr. Fowler's Extract of Wild Strawberry. Keep it in the house as a safeguard.

A distressing cough or cold not only deprives one of rest and sleep, but, if allowed to continue, is liable to develop more serious trouble in the way of Congestion or Laryngitis, or perhaps Consumption. Use Baird's Balsam of Horehound.

Among the many remedies for Worms, McLean's Vegetable Worm Syrup takes the lead; it is the original and only genuine.—Pleasant to take and sure in effect. Purely Vegetable.

## RELY ON THIS.

DEAR SIRS.—I have used Dr. Fowler's Extract of Wild Strawberry for the last three years, and can always rely upon it as a speedy cure for diarrhoea and all summer complaints. I can recommend it highly and I wish you every success.

Mrs. W. Fowler, 12 Oxford St., Toronto.

Dyspepsia and Indigestion.—C. W. Snow & Co., Syracuse, N. Y., writes: "please send us ten gross of pills. We are selling more of Parmelee's Pills than any other pill we keep. They have a great reputation for the cure of Dyspepsia and Liver Complaint." Mr. Chas. A. Smith, Lindsay, writes: "Parmelee's Pills are an excellent medicine. My sister has been troubled with severe headache, but these pills have cured her."

They make one feel as though life was worth living. Take one of Carter's Little Liver Pills after eating; it will relieve Dyspepsia, aid digestion, give tone and vigor to the system.

## A GOOD REGULATION.

DISORDERED kidneys give rise to rheumatism, dropsy, pain in the back and loins, etc., besides many dangerous complaints affecting the kidneys themselves, as Bright's disease, uræmia, etc. Regulate the kidneys with Burdock Blood Bitters, the best diuretic and kidney remedy ever devised.

So rapidly does lung irritation spread and deepen, that often in a few weeks a simple cough culminates in tubercular consumption. Give heed to a cough, there is always danger in delay, get a bottle of Bickie's Anti-Consumptive Syrup, and cure yourself. It is a medicine unsurpassed for all throat and lung troubles. It is compounded from several herbs, each one of which stands at the head of the list as exerting a wonderful influence in curing consumption and all lung diseases.

If you are nervous or dyspeptic try Carter's little Nerve Pills. Dyspepsia makes you nervous, and nervousness renders you dyspeptic; either one renders you miserable, and these little pills cure both.
