PARLIAMENT.

Sir John laid on the table a copy of the agreement between the government and the Canadian Pacific for the performance of railway service in New Brunswick and for the benefit of Hali fax. It sets forth that the government agrees to acquire the necessary of the Harvey-Salisbury line had been land and to construct and complete brought down in 1886. It was estithereon a railway for fast frieght and mated the road would cost \$16,000 per passenger service between Harvey and mile. Salisbury the railway to be as short as | The supplementary estimates for the | the physical features of the country year 1889 were then considered in Hood, C. B. containing 14 head of will admit.
