day evening the 2nd inst., the friends of Deacon (Councillor) G. H. Branscomb, of Corn Hill, made him a visitation, it being the 10th anniversary of his marriage. They came freighted with tin-ware of numerous sizes, shapes and kinds. After a remembrance of a humorous character, the tables were spread and upwards of 70 sat down to the bounteous repast provided. It was past 11 o'clock when the company dispersed, every one apparently being pleased with the visit, especially the host and hostess who now have plenty of tin-ware. The many friends of Deacon W. O. Dunfield will be grieved to hear that he has had a relapse, and is again a great sufferer.

FIFTH DISTRICT MEETING.—The Fortieth Session of the Fifth District Meeting was held with the 2nd Church Johnston, Narrows, Queens Co. on Wednesday 3rd inst. at 10 o'clock A. M. The Conference meeting was opened by moderator, Rev. J. G. McKenzie, and was in an especial manner blessed by the presence of the Master; an unusually large number gave expression of their love for and hope in a crucified Redeemer, and at the close nearly all in the house gave a silent testimony of their love for Jesus by rising on their feet. All felt it good to be there. The session for the reception of the Reports from churches opened at 2 A. M. when 14 of the 17 churches sent reports. Of the unreported one (2nd Church Hamstead) sent Delegate but failed to send report, the other two (3rd church Wickham and 2nd Greenwick) failed to send either delegate or report, although there was a report and delegate from a branch, lately organized, of the 2nd Greenwick church. Though there was no increase numerically, it was a cause of thankfulness that there was no decrease, and all spoke of determination to still hold on and hope for better days. Business was resumed at 9 A. M., on Thursday, when J. N. Barnes was chosen chairman for the next year, and Rev. T. W. Carpenter his assistant. Considerable routine business was done. The branch church at Browns Flat was received. Bro. — was before the Committee of the Whole and was recommended to be continued on his church license. T. W. Carpenter was added to the D. M. Executive which now stands as follows, —Revs. T. N. Carpenter, and O. N. Mott, and Bros. L. S. VanWart, James McCrea and G. J. Worden. Rev. G. A. Hartley was appointed to preach the next annual sermon. The Delegates appointed to attend the next General Conference, are T. Wm. Perry, Gabriel VanWart, Peleg Smith, and Samuel Vallis, and Bros. T. O'Donnel, Daniel Jones, Chas. L. Slipp, and Stephen E. Smith as substitutes, in the order named. The usual votes of thanks to the people of the Community, and Steamers and Railways were passed for their kindnesses. The following ministers were in attendance during the sessions Revs. J. G. McKenzie, G. A. Hartley, F. Babcock, O. N. Mott, J. N. Barnes, Dr. McLeod, T. W. Carpenter members of District, and Revs. John Perry, J. Noble, G. W. Foster and Wm. DeWare and Licentiate Rogers and Carpenter, with Rev. Lewis (Baptist visitor), who were invited to seats. The next session is to be held at Holderville, Kings Co., on 1st Wednesday in July next at 10 A. M. Thus closed one of the most interesting sessions ever held in this District. The absence of the Clerk and Treasurer was very much regretted, and it is to be hoped may not occur again. On Wednesday evening Rev. Dr. McLeod, according to appointment, preached the annual sermon to a crowded house. On Thursday afternoon at 2:30 o'clock Rev. G. A. Hartley preached to a full house. Both sermons were listened to with wrapt attention and were highly appreciated. Thursday evening at 8 o'clock, the first meeting of the Women's Missionary Aid Society for this District was held. The President, Mrs. Charles Ebbett in the chair. The Secretary, Miss Sarah Carpenter, read her report which was very encouraging, rallying her sisters to greater love and activity in so good a cause. A number of the ministers made good practical speeches, and Miss Helen Slipp and Mr. J. C. Brown added very much to the interest of the meeting by singing several Missionary hymns. The sisters are to be congratulated on their success at their first attempt at holding public meetings, and it is to be hoped that great prosperity may crown their efforts.

CHILDREN'S DAY AT KEMPTVILLE, N. S.—One look within the Free-Baptist Church doors at Kemptville last Sabbath evening and we at once decided to enter and, with the large number of parents and children already congregated, "Worship the Lord in the

beauty of holiness." "Children's Day" inscribed in handsome moss letters on the arch above the pulpit revealed to us the mystery of the miniature Eden beneath, composed of tastefully arranged ferns, flowers, moss banks, and festooned arches with birds suspended from them. From the centre of the arch hung a very handsome cross, composed of choice flowers; below on the platform was erected a pyramid of lichen and moss, from which hung a cross composed of daisies relieved by a contrast of ferns. We admire the idea of the cross as earnestly suggestive to us that no earthly Eden is complete without the cross of Christ for its centre. An organ voluntary preceded the orderly marching in of the children, after which a bevy of sweet voices and fair faces contributed the following programme:

Organ Processional, Mrs. George Ring; The Lord's Prayer, chant, School; Responsive reading, Psalm 95, School; "Welcome to our Sabbath home," singing, School; "A Feast of roses," recitation, Maggie Ring; Pansies, (solo and trio), Miss M. Ring B. Ring, G. Reeves; "I bring to the feast a lily," recitation, Bessie Ring; Zion City of God, singing, School; "Basket of Daisies," recitation, Clara Prout; Responsive Reading, Psalm 67, School; "We come with Songs," singing, School; Buds and Blossoms, (solo), Mamie Ring; "Roses," recitation, Mabel Roberts; Work and Win, recitation, Willis Sabean; Reading in unison, Matt. 19—13, 14, 15, School; "Only a Child," recitation, Roy Fraser; Sweet By and By, singing, School; "Bunch of Pansies," recitation, Frank Greenlaw; Child's Hymn, recitation, Primrose Fraser, B. Rogers; Praise the Lord, anthem, Selected; Deeds of Love, recitation, Robie Prout; "God wants the children," recitation, Nora Travis, J. Prout; Sowing the Seed, solo, Maggie Ring; Some Wonderful Children's Days, recitation, Forrester Hatfield; "Dandelions," recitation, Wallace Hurlburt; "Coronation," singing, Congregation.

Yours truly,

"DAY."

The Pic-Nic.

Something unique in the line of pic-nics will occur July 25th, on the popular grounds of Mr. J. W. Reynard, Reynardton, Yar. Co., N. S.

Arrangements have been made and central grounds procured for a united Yar. Co. Free Baptist pic-nic. This may be something new in the pic-nic line, but the sociability connected with the uniting of the various Sabbath Schools renders it commendable to every one, and especially to those who can possibly make it convenient to participate, and it is hoped that every school will put forth strenuous efforts to make it a grand success. It is expected a large number of schools will be represented, and with the private parties and visitors who are all invited to the grounds, as well as united schools, the gathering will swell to a large number.

The grounds are large and beautiful, with a lake and accommodations for sailing. Sufficient room for all the teams that may come will be found in the immediate vicinity of the grounds as well as houses.

The Milton Brass Band is expected to be present and to furnish music for the occasion.

Speeches will be delivered by the Rev. C. F. Cooper, on "The Noticeable and Existing Evils of Intemperance," Rev. Wm. Knollin, "Prohibition," Rev. L. A. Laing, "Temperance Work."

A select choir will be chosen on the grounds and vocal and instrumental music will be interspersed during the delivering of the addresses, at the close of which our national anthem will be sung, "My country 'tis of Thee," with "God save our noble Queen."

Sports and game will be on the grounds, and it will be necessary for each school to bring as many of such as they may be able to obtain.

Each school will immediately form a committee for the general work of that specific school and send to the grounds one or two men for preparatory work very early in the morning of the 25th. Parents can rely upon the safety of their children as the superintendent and committee, with teachers, will have general supervision over their school.

Croquet, quoit pitching, target shooting, swinging, racing, boating, will be the chief sports of the day. Games, etc., will be brought by each school. The celebrated "merry-go-up-and-down swing will be a great attraction on the grounds. Refreshments, etc., will be served.

FRED B. EDGECOMBE's great Cash Sale of remnants beginning Thursday July 18th will afford an opportunity to secure lots of bargains.

PERSONAL.—Dr. T. W. Musgrove of Carleton, is preparing to leave, about the latter part of this month, for British Columbia. The climate here does not agree with the doctor and if he can stand it on the Pacific he will settle there.

Dr. T. and Mrs. Walker, who have been spending some months in the Old Country, will sail for home on Thursday.

Rev. J. W. Wadman will sail from British Columbia for Japan about July 26.

Mr. S. B. Paterson, jr., has issued the prospectus of a new weekly paper to be published at Richibucto, commencing about 15th August; and intended to present the merits of that enterprising village to the world.

THE BETROTHAL OF THE PRINCESS Louise, eldest daughter of the Prince of Wales, to Lord Fife is the event of the season in British Court circles. She is 22, and he is nearly 40. They are to be married soon.

A Great Change.

Less than forty years ago there was not a Christian in the Pacific Island Ruruta. Indeed, there was no person living there who was not a pronounced cannibal. But all this is changed now, and to-day there is no cannibal in the island, but of 750 people who live there 311 are church-members. A visit would reveal the fact that the people are well clothed, in good homes, have schools for the children, three places of worship, and withal are civilized and Christianized. The change is greater than can be measured by word or pen, for the greater transformation has not been outward but inward—of the soul, heart, mind. One little Book wrought the change. All other books, had they been presented to the people, would not have wrought the same change. What a moral power it must possess! And how great, in the light of such fruits, must be its value! Some say of the Book that it is a fable and a bundle of falsehoods, and that its claims are preposterous, and that He whom it presents is a deceiver before the world. But all this only makes the fact of the power and worth of the Book as an agency all the more wonderful, if true. How could error, falsity, and deception so transform a race? They could not do it. The Book is not falsity, and Jesus is no deceiver. The Gospel is of God, and it is his power unto transformation and salvation, and the people of Ruruta prove it.—*Gospel Herald.*

Literary Notes.

The July issue of the *Missionary Review of the World* is fully up to the high standard which it maintains. The Contents have fullness and variety. Eleven articles in the "Literature" Department, all of them timely and of interest. There are pages of select Missionary Intelligence of rare interest and Missionary Correspondence from the leading fields. The International Department, and the Monthly Concert are good. The Editorial Notes are a marked feature. Organized Missionary Work follows, in which is a mass of reports and statistics carefully gathered, and readily comprehended and made available. The substance of the annual reports of 17 missionary societies is given. And the number closes with a Monthly Bulletin of five pages of compact items of the most recent intelligence, showing the Progress of Missions everywhere. We know of no magazine that gives such a fund of informing and inspiring matter on missionary subjects.

Published by Funk & Wagnalls, 18 and 20 Astor Place, New York. \$2 per year; 25 cents for single numbers. In clubs ten \$1.50.

Alden's Manifesto Cyclopaedia.—Volume XIV. takes this important work from Excluse to Floyd. In general make-up it resembles the preceding numbers of the series. We also notice the same skill in the selection and treatment of topics and the same careful editing which has characterized the work from the beginning. In fact, as it progresses its great merits become still more conspicuous. The combination of a dictionary and a cyclopaedia is an excellent idea and is being well carried out. The judicious use of illustrations is a helpful feature, and the treatment of subjects is clear, direct, and practical. Thus, while it is of great value to professional men, it is also a thoroughly serviceable and helpful work for the masses of the people. Among the subjects treated in this volume are: Excommunicate, 3 pages; Exodus, 2 pages; Extreme Unction, 1 page; Eye, 20 pages; Factory, 2 pages; Factory Acts, 5 pages; Faith and Faith Cure, each over 1 page; Fallacy, over 3 pages; Falling Bodies, 3 pages; Faraday, 2 pages; Fashion, over 9 pages; Fast, 8 pages; Federal Government, over 1 page; Fertilizers, 1 page; Festivals, 6 pages; Feudal System, over 4 pages; Fire, 5 pages; Firearms, 6 pages; Fishery, 7 pages; Fishery Treaties, 2 pages; Fishes, 8 pages; Flax, about 6 pages; Flint Implements, over 2 pages; Florence, 5 pages; Floriculture, 2 pages; Florida, 6 pages; Flowers, over 4 pages. Covering the various fields of agriculture, manufacture, commerce, science, art, invention, history, religion, law, biography, and politics, the work is truly manifold in character as well as name. It costs only 60 cents a volume in excellent cloth binding, and 75 cents in half morocco, sent post-paid, or, if ordered before July 1, the 14 vols. now ready may be had, sent prepaid, for \$6.80 for the cloth binding, \$8.90 for half morocco. John B. Alden, Publisher, New York, Chicago and Atlanta.

FOLLOWING upon the July chapter of "The Life of Lincoln" there will probably be only six more installments of this remarkable history in *The Century* series. It is said that these concluding chapters deal with the most important and absorbing personal and political topics. Lincoln's sagacity in dealing with men and measures (and occasionally his humor) come out in strong relief in the chapters that give the inside view of the attempt of the radicals to defeat the renomination of the President, of the disagreements resulting in cabinet changes, and of the executive dealings with the "copperhead" conspirators at the North. No part of the work will attract wider attention than the account of the measures adopted by the religious denominations in support of the Administration, and of the sympathy and wisdom met with the suggestions of the churches. Of the interest of the last three installments it is only necessary to say that they cover the period from the second inaugural to the death of Lincoln and the collapse of the rebellion.

The publishers announce that back numbers of *The Century* from November, 1886, containing the installments of the Lincoln History are now all in print and can be supplied to those who wish to complete their series. Of several of these numbers two hundred and fifty thousand copies have been printed.

J. Kendall Co., Enosburgh Falls, Vt. This book is now recognized as standard authority upon all diseases of the horse, as its phenomenal sale attests, over four million copies having been sold in the past ten years, a sale never before reached by any publication in the same period of time. Mr. W. R. Lazier, Bailiff, &c., Belleville, writes: "I find Dr. Thomas' Electric Oil the best medicine I have ever used in my stable. I have used it for bruises, scratches, wind puffs and cuts, and in every case it gave the best satisfaction. We use it as a household remedy for colds, burns, &c., and it is a perfect panacea. Will remove warts by parting them down and applying it occasionally."

There are cases of consumption so far advanced that Bickle's Anti-Consumptive Syrup will not cure but none so bad that it will not give relief. For coughs, colds, and all affections of the throat, lungs and chest, it is a specific which has never been known to fail. It promotes a free and easy expectoration thereby removing the phlegm and gives the diseased parts a chance to heal.

WEARY WASHWOMEN have been made glad by the introduction of James Pyle's Pearline a peerless compound for the laundry. It cleanses the most delicate fabrics without injury. Sold by all grocers.

A CONFIRMED GRUMBLER.

IS generally so because of confirmed dyspepsia or indigestion, caused by eating too rapidly, bolting food without chewing it sufficiently, overloading the stomach, etc. Burdock Blood Bitters cures dyspepsia and all kindred diseases.

Mr. J. R. Allen, Upholsterer, Toronto, sends us the following: "For six or seven years my wife suffered with Dyspepsia, Costiveness, Inward Piles and Kidney Complaint. We tried two physicians and any number of medicines without getting any relief, until we got a bottle of Northrop & Lyman's Vegetable Discovery. This was the first relief she got and, before one bottle was used the benefit she derived from it was beyond our expectation."
