NOT A PIMPLE ON BABY

Baby one year old. Bald with Eczema. Hair all gone. Scalp covered with eruptions. Cured by Cuticura. Hair splendid and not a pimple on him.

Cured by Cuticura

I cannot say enough in praise of the CUTICURA REMEDIES. My boy, when one year of age, was so bad with eczema that he lost all of his hair. His scalp was covered with eruptions, which the doctors said was scall-head, and that his hair would never grow again. Despairing of a cure from physicians, I began the use of the CUTICURA REMEDIES, and am happy to say, with the most perfect success. His hair is now splendid, and there is not a pimple on him. I recommend the CUTICURA REMEDIES to mothers as the most speedy, economical, and sure cure for all skin diseases of infants and children, and feel that every mother who has an afflicted child will thank me for so doing.

Mrs. M. E. WOODSUM, Norway, Me.

Druggist, Rochester, N. Y.

A LONG STANDING CASE SETTLED AT LAST. T. W. Hunt, Port Hope, Ont., writes:—I was a sufferer from a long standing case of catarrh and being well up in years (72) hardly expected to ever obtain anything that would give me material or permanent relief.

At the time of receiving Nasal Balm I was very bad with catarrh, but take great pleasure in stating that on the second application I obtained wonderful relief and its effect was pleasant, soothing and healing. It acted like magic and is worth ten times its cost for the immediate relief it gives. I feel confident the second bottle will affect a permanent cure.
