brethren very often during the remainder of the year.

A. C. THOMPSON.  
Petitcodiac, May 30th.

EXCHANGE.—Revs. W. Downey and J. T. Parsons exchanged pulpits last Sabbath. Bro. Downey preached in the Waterloo St. church, St. John, and Bro. Parsons preached at Mouth Kewick in the morning, and at Marysville in the afternoon. In the evening Bro. Parsons preached in this city, the pastor going to Douglas.

We are glad to know that Bro. Parsons' health is improving. Three or four weeks rest just now would do him much good.

## Personal.

Dr. Burwash, professor of natural science at Mount Allison, has accepted an invitation to a chair in Victoria College, Cobourg, Ont.

The oldest working editor and newspaper publisher in Nova Scotia, and probably in the Dominion, is Mr. Lawson of the Yarmouth *Herald*. He is now nearly eighty years of age, and has been the successful editor of the *Herald*, for over fifty years.

Mrs. J. C. Archibald, formerly Miss C. A. Hammond, of Andover, New Brunswick, for twelve years Baptist missionary to India, has returned to Canada to recuperate her health.

In the presentation of the Stanley Gold Medal to H. F. McLeod (son of Rev. Dr. McLeod) for proficiency in English and Mental philosophy, President Harrison referred in high terms to Mr. McLeod's industry and ability.

—Telegraph.

Rev. Dr. Day spent last Sabbath in this city, preaching in the Free Baptist church in the morning and in the Baptist church in the evening.

Dominion CONVENTION.—The Dominion Convention of the W. C. T. U. was held in Montreal, beginning on the 28th, ult. There was a good attendance and much interest.

The report of the Corresponding Secretary, Miss Tilley, daughter of Governor Tilley, showed that Ontario has 219 branches, with a membership of 4,503,

and 151 Bands of Hope, with a membership of 14,000. Great hope was entered in the new license law and the growing temperance influence. In Quebec there were 73 unions with a membership of 2,735, and 44 Bands of Hope, with a membership of 2,414.

The maritime provinces had 54 unions, with a membership of 1,302, and 22 Bands of Hope, with a membership of something over a thousand. The maritime provinces had been particularly successful in franchise work. British Columbia, six unions, 242 members, and 13 Bands of Hope, 465 members. The Manitoba union had also been doing good work. The unions in the Western provinces had not increased as fast as those in the Eastern and more thickly populated districts. The total membership in the Dominion is 573 Unions, with 9,040 members, and 192 Bands of Hope, with a membership of 19,184. This is an increase on last year's report. The report spoke favorably of the work done during the year. In noting the work in the Maritime Provinces, allusion was made to the temperance victory in Fredericton, the value of which could not easily be over-estimated.

THE FIRST.—Miss Annie Tagannadhan, the first Hindoo lady who has ever completed her medical studies in England or been registered as a medical practitioner in Great Britain, has just passed with much credit the final examination for the Scottish triple qualification. She studied for three years in Madras, and for two years in the Surgeon square school, Edinburgh, where for one year she acted as demonstrator of anatomy.

ORDINATION.—At the meeting of the St. John Presbytery last week four young men—Messrs. Murchie, Allison, Stevens and Johnson—were ordained to the work of the ministry.

TEMPERANCE CONGRESS.—A National Temperance Congress is to assemble in New York on the 11th. inst. There will be great gathering of notable temperance men. That the good cause will receive an impetus by their discussions and the plans adopted may safely be predicted.

RUM'S DOINGS.—Says the Halifax Witness:

Within a few days drunkenness has been followed in the Maritime Provinces by two murders, one suicide, and one homicide, and we know not how many minor crimes and casualties. Here are texts and sermons that should carry conviction to all hearts.

And yet there are found those who sympathize with the jailed creatures whose business it is to promote these crimes.

THE DUKE OF CONNAUGHT (Prince Arthur) will be in St. John a few hours this week.

W. C. T. U.—The Carleton Co., W. C. T. U. is to hold its semi-annual meeting at Hartland on Thursday and Friday of next week.

DEATH OF A MINISTER.—Rev. S. J. Archibald, pastor of the Baptist church Jacksonville, C. Co., died on Thursday last. He was a Nova Scotian, and a comparatively young man. For some months he had been in failing health. He was highly esteemed for his Christian character and work.

SUNDRIES.—In twelve months 20,000 people paid for admission to Shakespeare's house at Stratford-on-Avon. There are 8,000 licensed cabs actually employed in London. During the past twelve months 25,000 articles left in cabs were deposited at Scotland Yard by drivers, without any promise of reward. In five years \$500,000 worth of property had been left in London cabs. Electricity can now be used to operate a machine for mining coal. This fact has recently been demonstrated at Phillipsburg, Pa., A., and a revolution in coal mining is likely to ensue. Emperor William has summoned a conference of eminent scholars to discuss the subject of a fixed and uniform German orthography. The latest report of the losses by the Longue Pointe Asylum fire, submitted by the superintendress, showed that 91 inmates are missing—6 men, 5 sisters and 80 women patients. There is a great demand for metal furniture in Australia, not only for household use, but in places of business, school houses, etc. The demand is caused by the ravages of the white ant, which eats all kinds of wood.

## Deaths.

JOHNSON—At Plymouth, N. S., May 15th, Margaret, relict of the late Deacon Joseph Johnson, in the 71st year of her age leaving her son and a number of relatives both in Plymouth and Greenwood, the place of her nativity, with a large number of friends. Sister J. experienced religion under the labours of the late Rev. C. Knowles and was baptized by him in the autumn of 1842, and joined the Free Baptist church, of which she remained a member until called away by the Master. She was respected for her kindness and Christian character. She loved the church, read the Religious Intelligencer, and the ministers always found a home at her house. By her request her funeral was conducted by the writer from John vif:41. Rev. W. Knollin assisted in the service.—W. C. W.

WOOD—At French Lake, Sunbury Co., May 25th, Jerusha N., beloved wife of John Wood, aged 26 years leaving a sorrowing husband, five small children and a large circle of relatives and friends to mourn their loss. She was universally beloved by all who knew her, and her sudden death has cast a gloom over the entire community. May the Lord sustain the grief-stricken family. Funeral sermon by the writer from John vif:41. W. C. W.

CLARK—At Wickham, Q. Co., on the 20th ult. of consumption, Lizzie A. Clark, in the 25th year of her age. She died with sickness told of her willingness to go and be with Jesus. The funeral service was conducted by the writer, assisted by Bro. James Nickerson, O. N. MOTT.

BLOODSWORTH—On the 25th ult., at Gibson Settlement, Carl. Co., Henry Lewis Bloodsworth, in the 83rd year of his age. He died at the residence of his son-in-law, M<sup>r</sup>. John Gibson. He died as he lived—a Christian man. He was loved and respected by all who knew him. He made a profession of religion in the year 1836, and was baptized by the late Elder McMullin, and united with the F. C. B. church at Upper Kent, Carl. Co. During those troubled days in the experience of our churches here, when church relations were regarded as uncertain and easy to be broken, he never wavered in his faith and loyalty to his church. He died a sorrow-stricken widow, four sons and three daughters to mourn their loss, whom it is gain. F. C. Bloodsworth, clerk of the First District, is his son. By his own request he was buried at Upper Kent near the place of his conversion. It was also his last wish that his widow, after her decease be laid with him there, that they may there sleep and wait together for the morning of the resurrection. It is a lovely spot on the top of the hill near the residence of Mr. William Smith. The funeral services were conducted by the writer in the church at Bumfau. Though it rained hard and the roads were exceedingly bad, a large number of people came together to pay their last tribute of respect to our departed Brother.—J. J. BARNES.

Allen's Lung Balsam was introduced to the public after its merits for the positive cure of such diseases had been fully tested. It excites expectoration and causes the lungs to throw off the phlegm or mucus; changes the secretions and purifies the blood; heals the irritated parts; gives strength to the digestive organs; brings the liver to its proper function. Such is the immediate and satisfactory effect that it is warranted to break up the most distressing cough in a few hours' time, if not too long standing. It contains no opium in any form and is warranted to be perfectly harmless to the most delicate child. There is no real necessity for so many deaths by consumption when Allen's Lung Balsam will prevent it if only taken in time. For Consumption, and all diseases that lead to it, such as Coughs, neglected Colds, Bronchitis, Asthma and all diseases of the Lungs, ALLEN'S LUNG BALSAM is the Great Modern Remedy. For Croup and Whooping Cough it is almost a specific. It is an old standard remedy, and sold universally at 50 cents and \$1.00 per bottle. The 25-cent bottles are put out to answer the constant call for a Good and Low-Priced COUGH CURE. If you have not tried the Balsam, call for a 25-cent bottle to test it.
